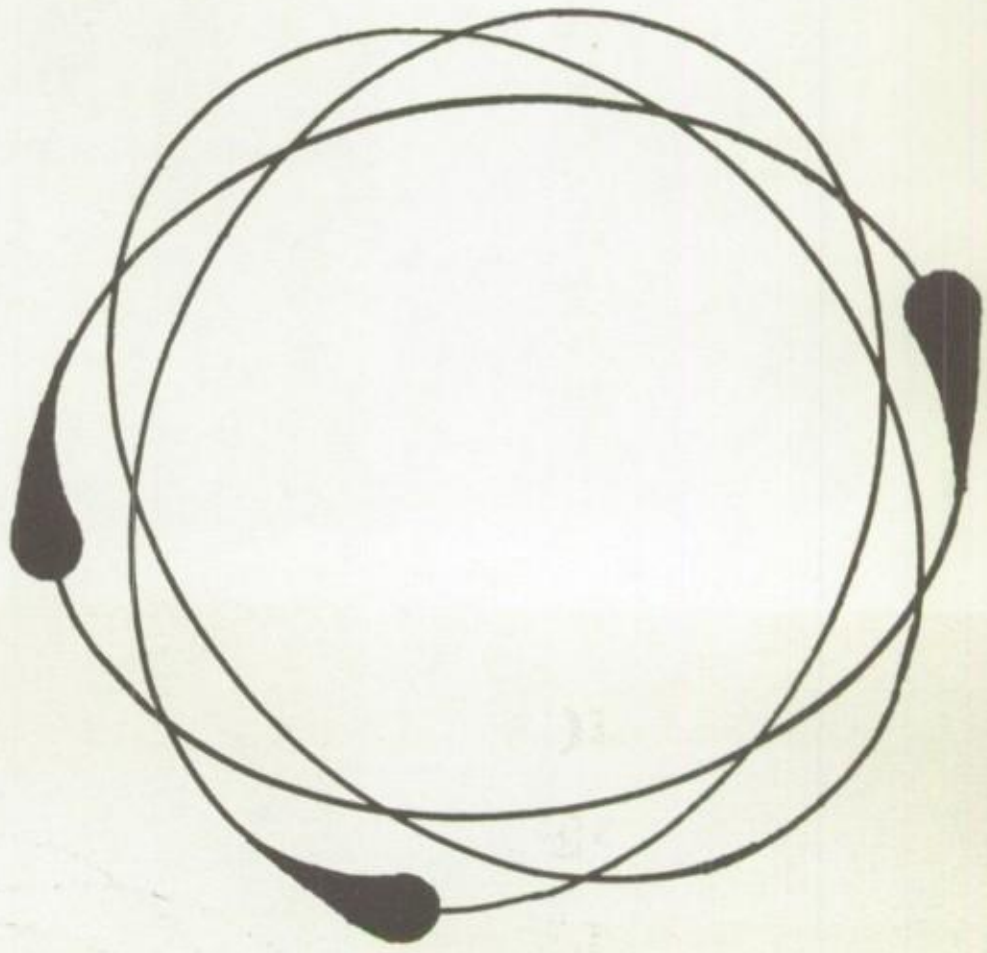
Students Excell Through

Hard Work And Activities

WHEN MAN first unleashed the power of the atom, he started a revolution that has invaded almost every branch of science and technology.



We are living in an age when man is increasing his power to change his environment and control his future at an unprecedented rate. Indeed, we have become so accustomed to major technological developments that today even the wildest fantasies of science-fiction writers seem to lie within the realm of the possibility. But we are faced with other possibilities of a more sobering nature. In the event of nuclear war, the human race and all other life on this earth could be destroyed. The future of man and society—to the extent of their very existence—rests with man himself.

"Thought," says Pascal, "makes the greatness of man." This awareness of himself and of the universe is no doubt what chiefly distinguishes man from all other forms of life.

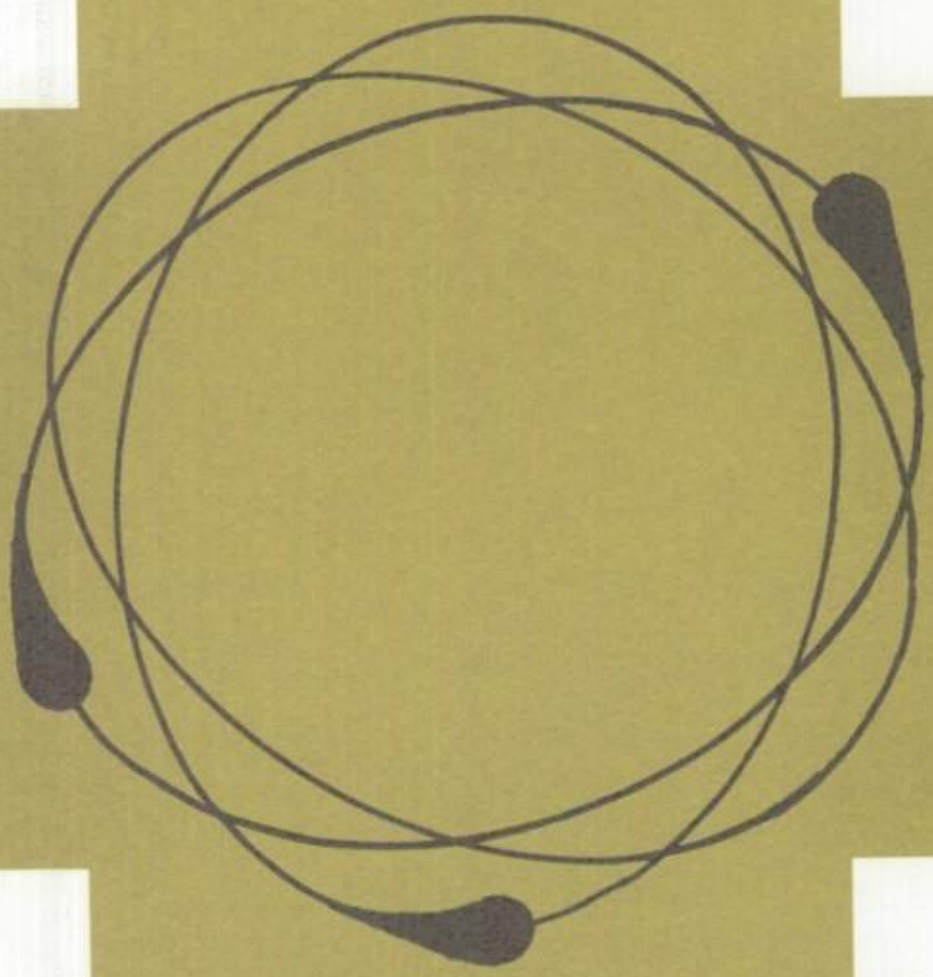
EMULATION IS that desire of man to excel in society through meeting the many new and challenging problems that face the world.

Education through its nurturing methods prepares Garden Grove High School students to meet that never ending challenge.

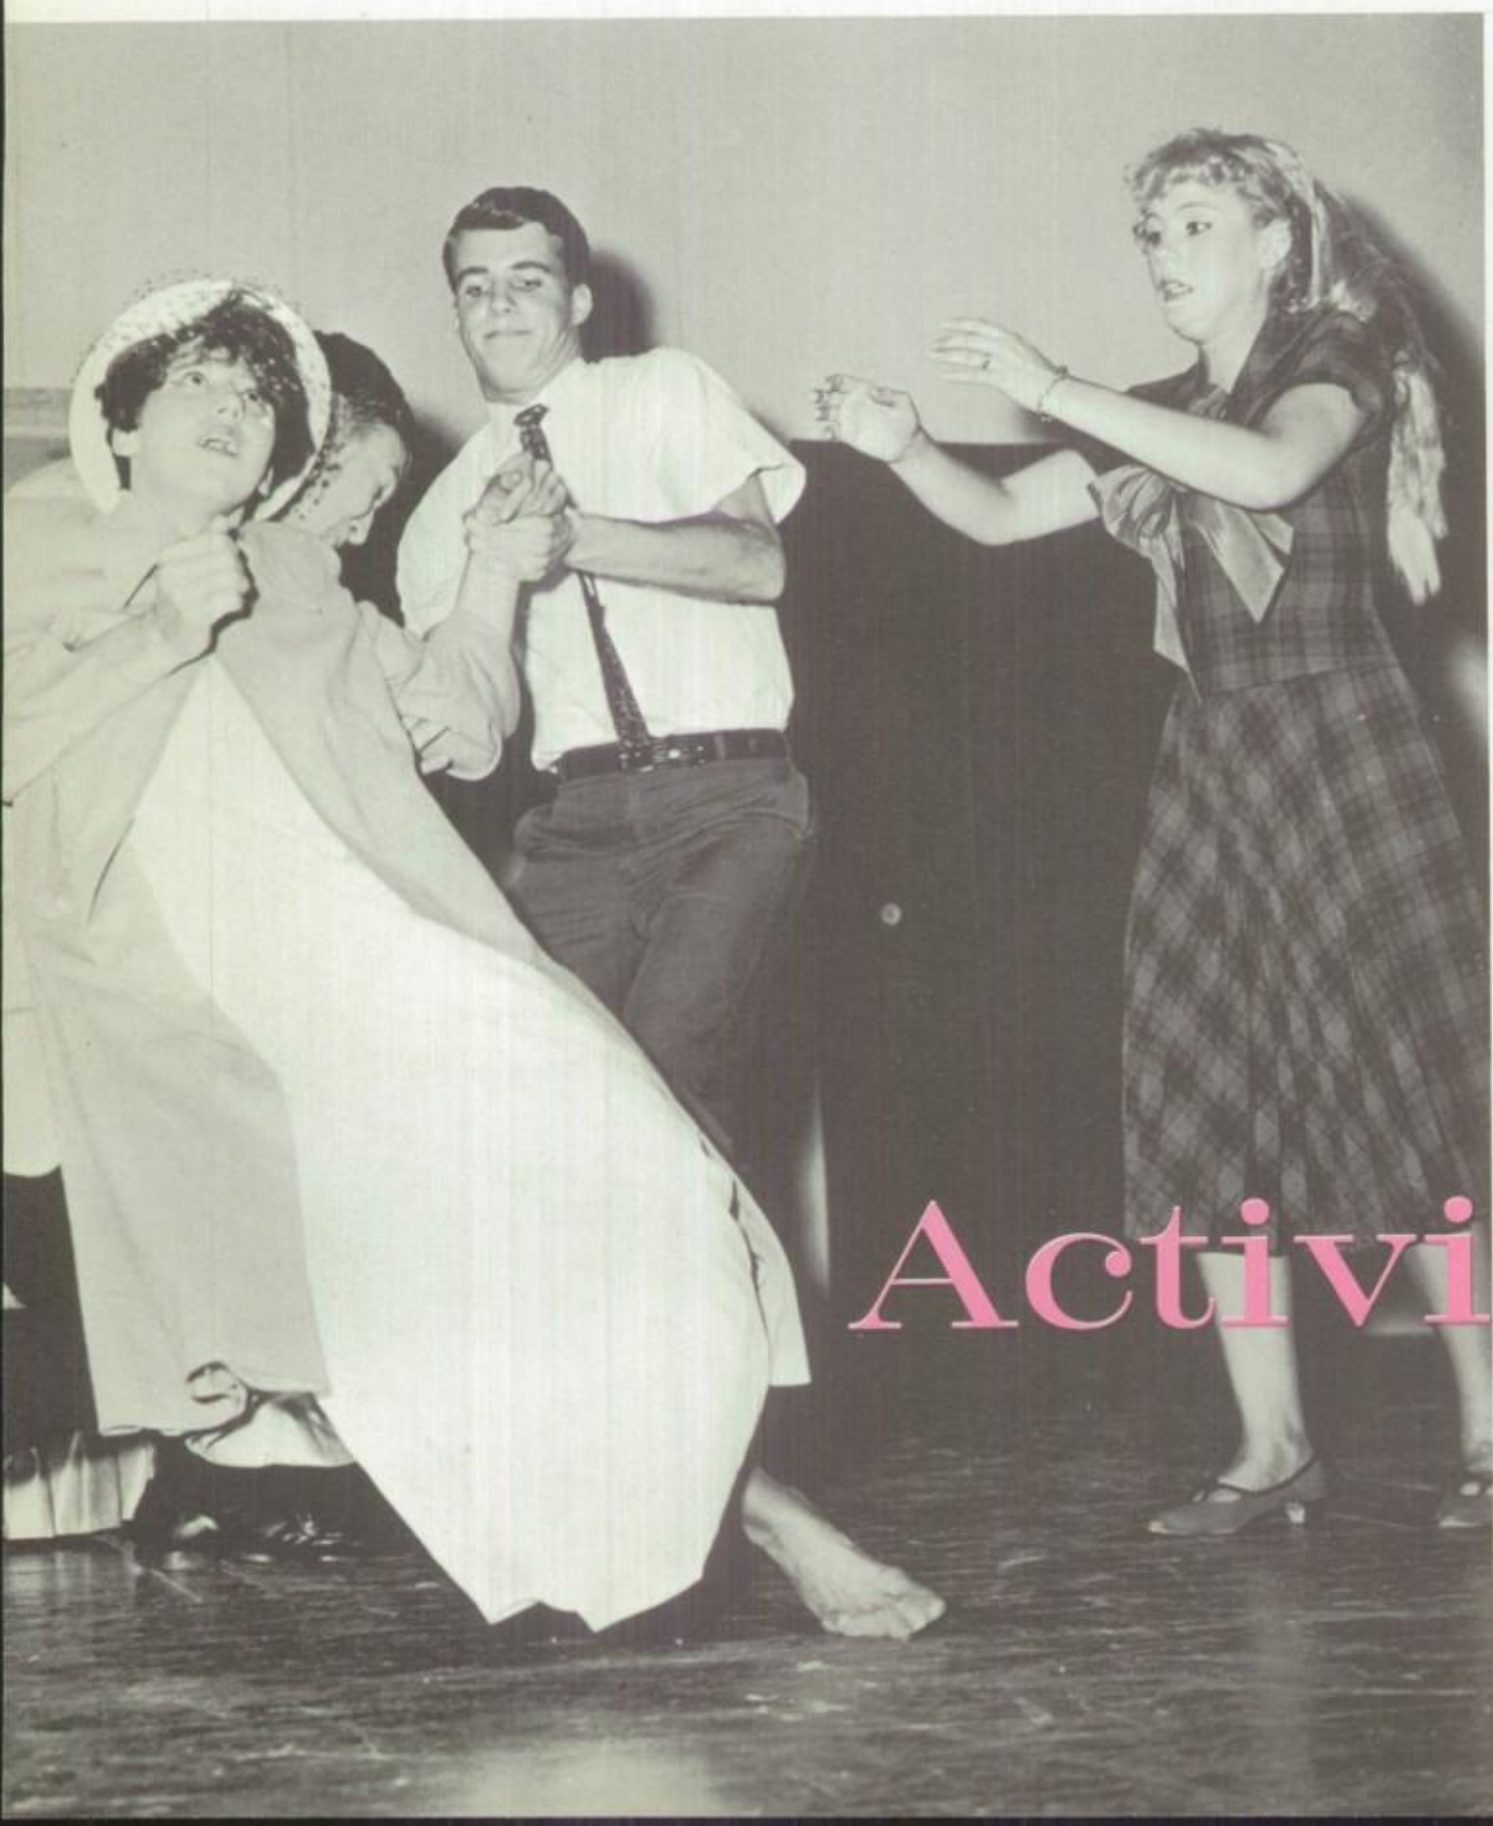
PRIDE ITSELF is something that cannot be associated with the senses, but its results can.

The roar and excitement of the crowd after a touchdown reveals the sense of pride felt by the student body for its team. Serving as an officer or participating in club activities is evidence of a feeling of pride in the school. Striving for academic achievement is a pride in oneself.

We can put together these aspects of pride through emulation, the desire to excel, and excellence is important in today's atomic age.



PRIDE



Activities

A SCHOOL is nothing more than the activities within it. Activities break up a student's day and give him a change from his studies.

Years from now students will recall the semester finals, the "Over-night" term papers, the "faked" book reports, and the "sudden" test day illnesses. But most prominent in their memories will probably be the activities in which they participated.

Activities bridge the gap between the importance of studies and the necessity of campus life.

Registration Attains Peak Count--2274

"WELCOME BACK"—our first greeting as we enter Garden Grove High for another year. Hearts and minds share the same feeling—one of gaiety, yet of regret, as summer months come to an end.

Argonauts are over 2274 strong as the 1966-67 school year opened according to Mr. Ron Williams, Dean of Guidance. Additional students were expected to raise the total enrollment the first few weeks although the number will fluctuate all year. Registration at GGHS has been fairly constant the past few years and the enrollment is one of the largest in the six Garden Grove high schools.

WHILE WAITING to see counselors Linda Battistone and Linda Westover catch up on summer gossip.

GUIDANCE OFFICE personnel provides help in many ways. **Above:** Mr. Williams directs new student to class, while Dona Gardner waits to take him. **Below:** Registration envelopes are prepared by Mrs. Miner, Mrs. Neal, Mrs. Soest, Mrs. Lucin, and Mrs. Callis.

USUAL LOCKER problems beset Rudy Finamore. "It always happens when you're late for class" says Rudy as he hurriedly tries to put his books back in his locker.

Shortridge, Whitely Reign At Daze Dance

REIGNING OVER the Hello Daze Dance were Steve Shortridge, Hello Daze King, and Kathy Whitely, Hello Daze Queen. The dance, held on Sept. 23, 1966, after the Bellflower game, concluded the annual freshmen orientation week. The Gents provided the music.

The election was held during the beginning of the week. The freshmen nominated candidates and then voted for ten finalists. These ten finalists, five boys and five girls, were then voted on by the sophomores. The king and queen candidates with the highest number of votes were crowned at the dance by Tom Wurster.

Yell Attend Conference

SOME OF the activities that the 1966 Yell Leaders did this past year were attending a camp sponsored by the American Cheerleading Camp Association at Thousand Oaks and came in second. They placed sixth at Arroyo High School in El Monte and received a trophy for it. They also entered competition in Anaheim.

Song Places

SONG LEADERS—Front Row: Barbara Hess, Linda Battistone, Dee Ann Miller. **Back Row:** Joyce Mitani, Linda Cravens.

SONG LEADERS have had another successful year. They have performed at most school functions including pep assemblies and football games. They have been in some tournaments. At the Arroyo tournament they placed twentieth out of forty-four.

In the spring of each year, five girls are elected as song leaders. These girls have been against stiff competition in the preliminaries and usually only the best get elected. Once a girl becomes a song leader, there is a lot of work including practices and maintaining grades.

LINDA WATERHOUSE jumps for joy at the 95 yard run made by Fred Miller for an Argo touchdown at the Monte Vista game.

SONG LEADERS perform in unison at the last league game against Santiago. The varsity squad defeated the Cavaliers 27-13.

BOLSA GRANDE was the site for the pep squad workshop. The workshop was a city wide clinic for yell leaders and song leaders to discuss ideas for cheering and raising spirit in the school. Pictured is the pep squad doing the Alma Mater at the conclusion of the program.

"TAKE THAT," says Al Petrilla to the Bolsa Brande Bull, during the half time activities. Although the Argos lost 33-30 it was one of the best games of the season and Fred Miller played his best game of the year.

Flag Excels

THE 1966 Flag Twirlers did much to bring up the spirit of the school this past year. Among some of their activities were two competitions at Arroyo High School in El Monte and a parade on December 3.

They worked many long hours on their routines. While working on them, they discovered that they didn't come easily. They would practice for two to three hours a day during the summer and at least one hour a day when school started. Many hours went into their routines and it showed in their performances. They proved that practice makes perfect.

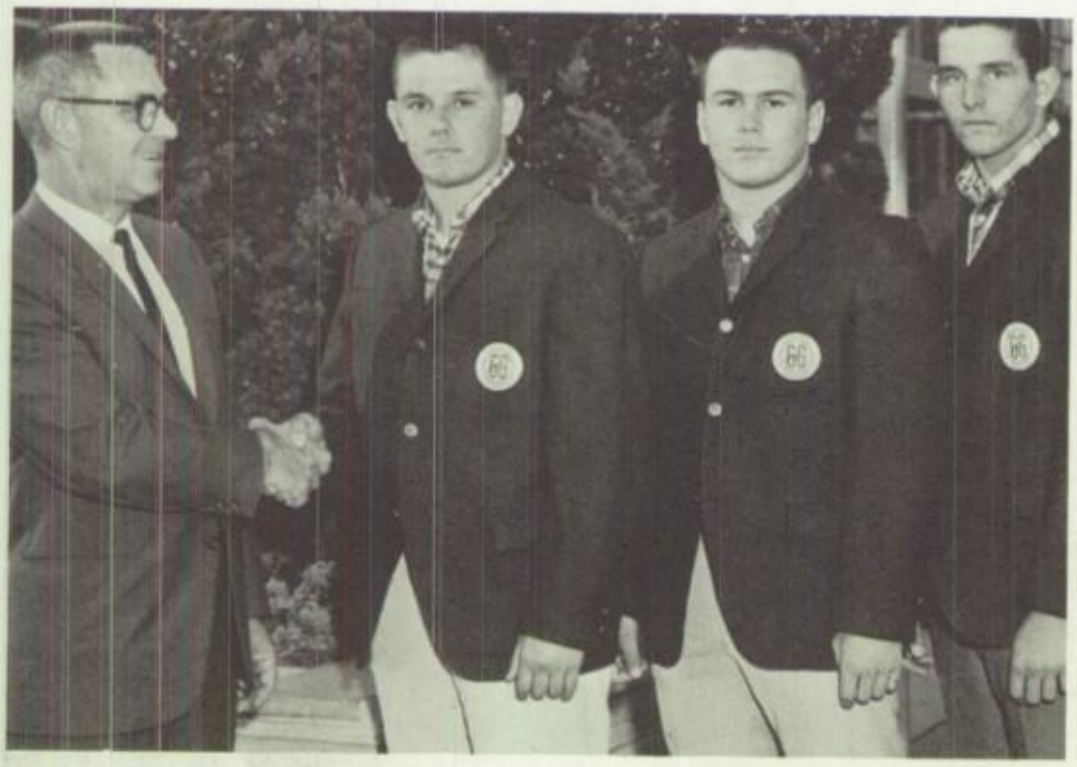
They also sponsored all five awards banquets to honor all athletes.



RICK BOYER, Mike Hanes, and John Retzer, Argonaut football captains, thank Mr. James McNamera, President of the Boosters' Club for the Red Blazers. The club has donated 40 of the blazers to the school. The boys participating in school sports will wear these jackets to create the look of Garden Grove High School's team spirit.

Band Size, Impact Increased

ONE OF the most impressive things about the Argonaut band is its growth rate. Starting the year with under sixty players, the band now has over eighty hard-working members. This size increase makes the band more effective musically and more flashy on the field.

This year the Argonaut band acted as the official band at the dedication of the new Garden Grove Post Office, and won the highest award given at the Cypress Founder's Day Parade. They captured the Sweepstakes trophy for the best musical unit in the parade.

Drum majorette Judy Smith led the band on the field and in the Anaheim Halloween Parade, the Cypress Parade, and the North Orange County Junior College Band Parade.

AWARD WINNING Jill Brunt displays her technique. Jill proceeded the Argo band in parades and performed at halftime.

THE ARGONAUT band forms in concert position at a football game. The band provided halftime entertainment at varsity football games all year.

Concert Choir Sings Locally

THE MAIN function of the Argonaut Concert Choir is to represent GGHS, through music.

Concert Choir traveled to numerous community functions to entertain and promote the spirit of GGHS. Staging a concert in December for both students and parents was only one of the choir's Christmas Performances. They traveled locally and sang for all ages.

In the Spring, Concert Choir presented another concert for the school as well as taking part in the production of **"Camelot."** Their biggest honor came when they sang as the host for the California Junior Miss Pageant.

CONCERT CHOIR members Bill Hoganson, Debbie Ogden, Sherry Lindsey, Gail Reed, and Eileen McKinney concentrate on learning a new song for the upcoming Christmas program.

THIS YEAR'S Chorus' were under the direction of Mr. William Hoganson. The three chorus', Boys, Girls, and Advanced Girls, participated in many of the school's musical activities. The Boys Chorus sang at the PTA, the Argo Fair, and at the Christmas Program, as well as the Spring Concert. All three of the Chorus' tried out for the musical **"Camelot."**

An appearance at the District Music Festival was a highlight for the concert orchestra season. They also performed at intermediate and elementary schools. In addition to a spring concert, several members were given the honor of playing in the orchestra for **"Camelot."**

Cabinet: Important To School Functions

FOLLOWING THE election of the three ASB officers interested students sign up for cabinet positions. The ASB officers and their advisor then select eleven members from those they have interviewed. The new student government takes over in the fourth quarter. One of their first activities is that of planning color day.

The Cabinet attends different conferences throughout the year. One of the first was the Community Congress at the Disneyland Hotel. At the end of the summer, nine members attended the CASC for four days at the University of California at Riverside.

The duties of the Cabinet include the planning of Student Council Meetings each week. This year's Cabinet worked on revising the Student Handbook.

Students Make Government

THE STUDENT body has an effective voice in school affairs through the student council. In the true democratic tradition, the students can air their grievances, through their student council representative.

Student Council is made up of representatives from each homeroom. They are elected by the homeroom at the beginning of each semester.

The student council is led by the ASB Cabinet under the guidance of Mr. Tom Tullar.

DOUG RIDDLE gives Bill Rapp a look that says more than words can say as Sandi Owen and Rich Cade show surprise and Warren Bayard acts disinterested. Bill has just exhibited his uncanny ability in student government to the amusement of a few.

BACK-TO-SCHOOL fashions took on a new look when the Girls' League presented an assembly introducing freshmen to Girls' League and welcoming back upper classmen.

Fashions were not ordinary school clothes but odd dress or habits used in skits demonstrating the do's and don'ts of dress.

Besides this assembly the League also sponsored the dance after the Pacifica game.

"...Young And Gay" Makes Hit

THIS YEAR'S Senior play was entitled "Our Hearts Were Young And Gay."

The play was written about and by Cornelia Otis Skinner and Emily Kimbrough, and adapted for the stage by Jean Kerr.

The comedy was about two nineteen-year old girls who sail to Paris on their vacation. The girls not only meet two handsome young men, but get into trouble in more ways than one.

The director was Mrs. Davis, and the student director was Laura Millenson.

YOU HAVE no talent Miss Skinner. I suggest you take up something besides acting. Maybe dressmaking."

"MISS SKINNER, are you responsible for *this too*!?" "Yes your majesty. I guess I'm responsible for everything."

"CORNELIA, HE'S on the phone. Either you talk to him or you'll never get your acting lessons."

ARGONAUT STUDENTS are forced to dodge rain between classes. The school at one time was flooded for one week.

"BLOW HARDER," says Todd Paddock to Ron Williams as they take advantage of the flooded guidance office during the first rain storm of the season to have a boat race.

When It Rains, It Pours . . .

TO SPEND a rainy day on the Argonaut campus is an experience that few will soon forget. The main thoroughfare, Golden Fleece, will undoubtedly be remembered as an "asphalt mire."

Graduates will relish the memory of wet soggy clothes, drenched hair, and saturated shoes, all due to the excellent drainage facilities found everywhere except where needed.

The rains will continue to come and the rooms will continue to be flooded with "California Sunshine" as long as GGHS is in existance. But without rain, what would we have to complain about. So keep smiling and try not to drown.

Fun, Science Head Assemblies

ENTERING WITH a puff of liquid oxygen and exiting with dances of fire, the first assemblies of the semester proved very entertaining. NASA spokesman Ben Casados, on Oct. 26, addressed the student body on the topic of current NASA projects.

On Dec. 2, Pacific Telephone set up several long distance calls between students and various people in foreign countries.

Dance Well Attended

THE CHRISTMAS season in Garden Grove, and especially on campus, was highlighted this year by a semi-formal dance in the girls' gym on Friday evening, December 16. Nearly 300 argonauts attended the festivities.

A theme of "Candy Cane Cotillion" was chosen and decorations followed it accordingly. Christmas trees and candy canes were among the decorations used to convert the gym into an appropriate Christmas scene.

DALE FAST as Defense Attorney Stevens pleads, "Gentlemen of the jury, you will soon be called upon to decide the fate of a woman."

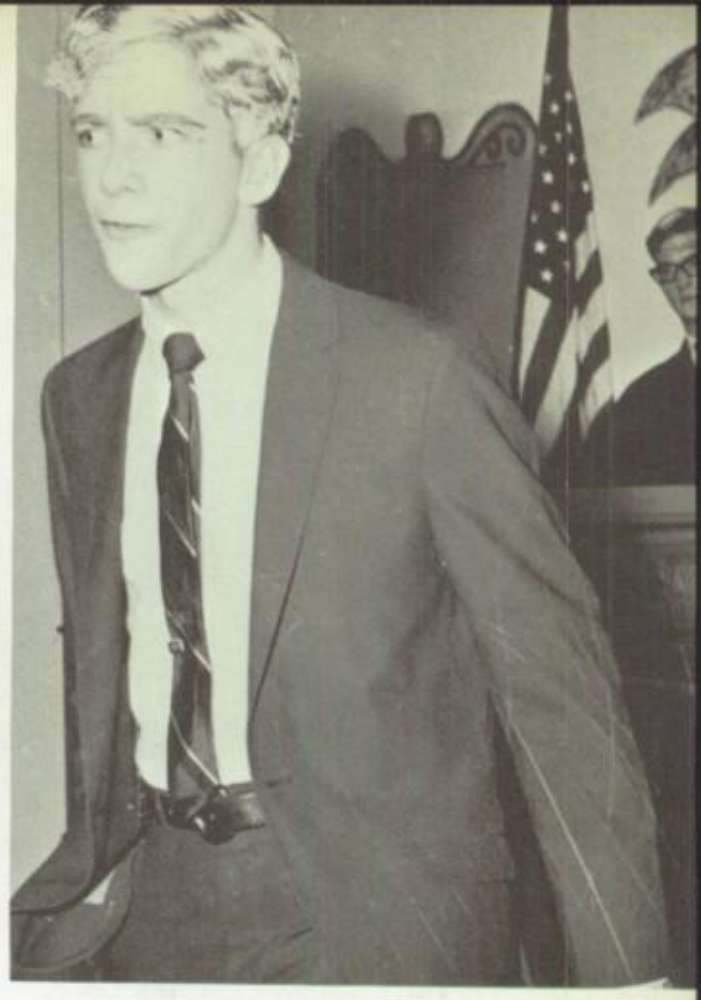
"16th" Proves Unique Drama

THIS YEAR'S Junior Play was a suspenseful comedy entitled "The Night of January 16th". The play was written in three acts by the foremost authoress Ayn Rand. The play takes place in a New York Superior Court room.

The play is very unique because the jury is formed of members of the audience. Whatever verdict the jury decides, "Guilty" or "Not guilty", that's the way the play ends. Two endings were practiced to accommodate either decision. Another reason why this play is unique, was the fact that all of the witnesses sat in the audience, and when their names were called they came up on stage.

JUNIOR PLAY CAST-Front Row: Larry Jackson, Bob McDonald, Charles Beebe, Dale Fast, Debbie deMaio, Randee Carson, John Galanius. **Second Row:** Michael Charle, Kathy Doss, Colleen Thomas, Bobi Voigt, Debby Kirk, Dara Seeley, Lee Ann Peterson, Patty Pape. **Back Row:** John Bernardoni, Bruce Burton, Lyle Chapman, Bob Brough, Jim Lemon.

"AND THAT night your husband was low on gumption," states District Attorney Flint to Mrs. Hutchins as Judge Heath looks on.



ATTORNEY FLINT takes on a serious mood as he states, "And you claim it was suicide."

KAREN ANDRE cries, "Gentleman of the jury, I thank you," as the victorious Defense Attorney Stevens grins at his secretary and key witness.

"WHY SHOULD I be forced to speak to the woman who murdered my husband!" cries Mrs. Faulkner to Karen Andre, Defense Attorney Stevens and Prosecuting Attorney Flint.

Tropical Paradise

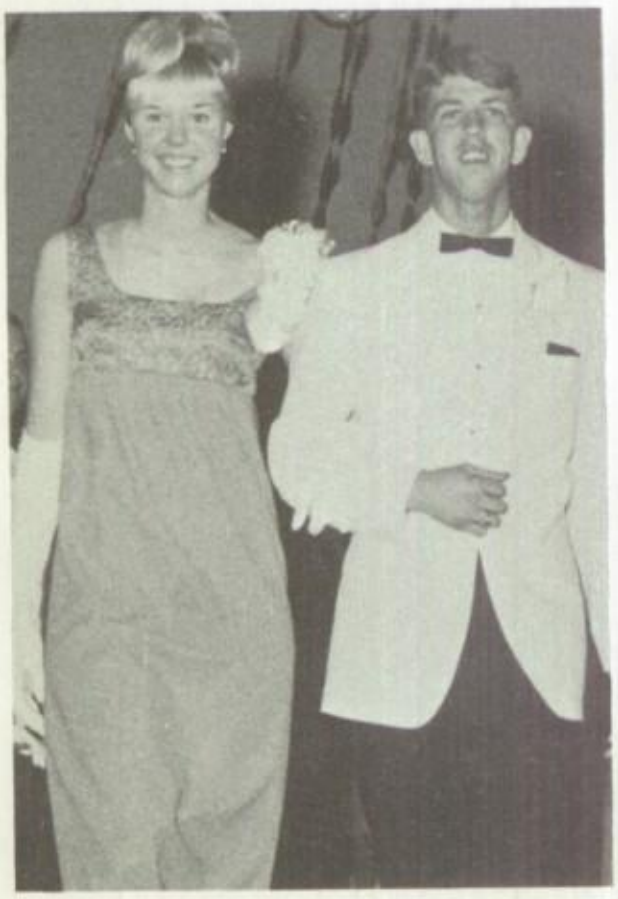
"BALI-HAI" was the theme chosen for the 1967 Co-ed sponsored by the Girls' League. The decorations were in keeping with the tropical theme as palms, leis, fish net, shells, and bamboo covered the gym.

This year eight senior boys vied for the title of Co-ed King. Candidates Rich Cade, Mike Meidinger, Al Petrilla, Bill Rapp, Jim Restivo, Doug Riddle, Jim Stagner, and Tom Wurster were each sponsored by a senior member of the Girls' League Board. Each candidate and sponsor presented a skit at the Girls' League assembly Feb. 6, where the girls of GGHS voted for their choice for Co-ed King.

Jim Stagner was crowned Co-ed King by his sponsor, Janice Roush toward the end of the evening.

JIM STAGNER was crowned Co-ed King of 1967 by his sponsor Janice Roush at the climax of the night's activities.

RICH CADE, ASB Vice-president, escorts his sponsor Pam Burton down the Red Carpet to hear the election results.



MIKE MEIDINGER, yell leader, escorts Sue Pedersen to the front of the room as they are presented to the other dancers.

AL PETRILLA, Artie Argonaut, and Lynne Thornton walk arm in arm up the red carpet to await the results of the election.

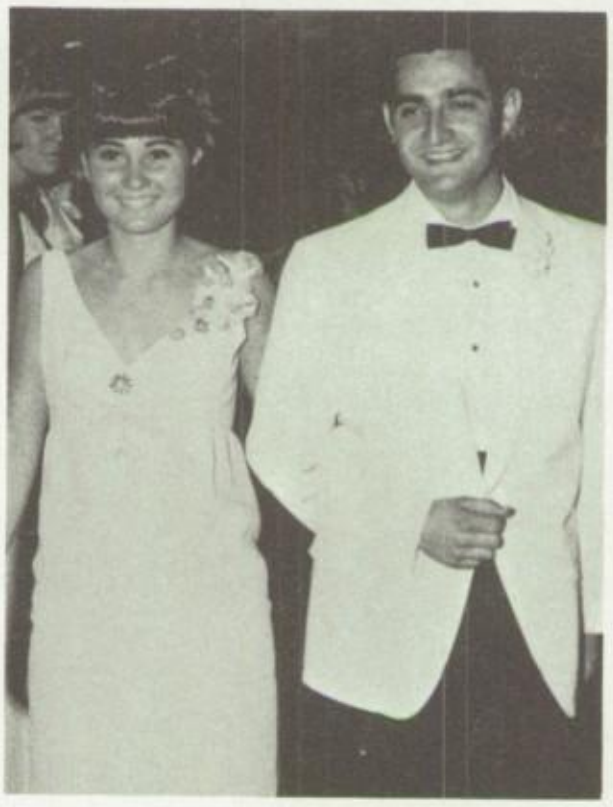
At that time all the candidates and their sponsors danced to the theme song, "Bali-Hai". The Blue Notes provided the music for the evening.

"BALI HAI", the theme song, was played for the coronation dance in which the Girls' League board members and their escorts enjoyed a sparsely occupied dance floor.

BILL RAPP, senior class president, and Debbie Ogden walk towards the front of the dance floor anxiously awaiting the results of the Co-ed King election.



JIM RESTIVO and sponsor Sue Fry reveal the gaiety of the night as they are presented to the other attending couples.

DOUG RIDDLE, ICC chairman and Kelly Carroll show excitement as they wait for the climactic moment of the dance to arrive.

TOM WURSTER, ASB president, and Chris Robertson seem somewhat apprehensive as the time to announce Co-ed King approaches.

KEEPING IN step are drill team members Jan Killingbeck, Lynn Stoltenberg, Jackie Homewood, and Sharon Wertzbaugher.

"March On"

PARADES, COMPETITIONS, and football half-time shows have been the main functions of the Argonaut drill team. The Titans have well represented GGHS this year by winning several trophies of their performances.

At the annual Arroyo Invitational held in October, a fourth place honor was won and a chance to compete in the state finals on April 1. At the Cypress parade the drill team, along with the band, received a first place trophy and sweepstakes award. They also participated as a host school in the Strawberry Festival parade May 27.

Working toward the payment of their new uniforms, the drill team held bake sales, candy sales, and a unique drill team show.

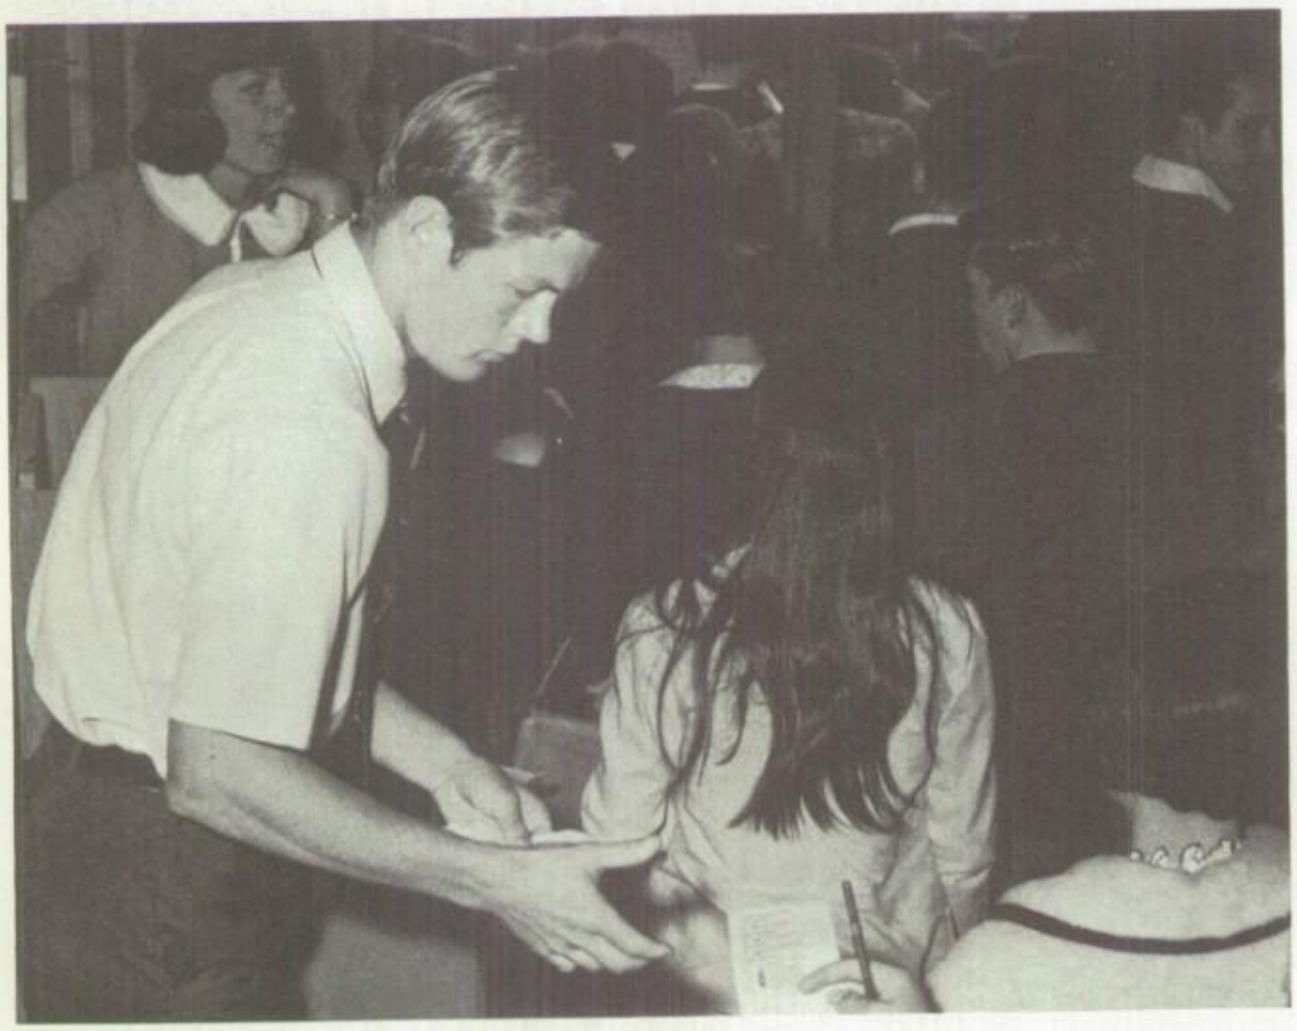
Election Results Revealed



RETIRING ASB President Tom Wurster collects ballots at the end of the ASB election assembly as Argonaut voters return to class.

ELECTION WEEK campaigning was concluded March 10 by an assembly at which candidates presented their bids for offices of the ASB.

Linda Nebergall spoke about Qualifications of a secretary while her opponent, Cindy Madieros, said she was a "Devilishly good choice" for the office of Secretary.

Rick Hurley gave an account of his qualifications for his bid to the ASB Vice Presidency, while Warren Bayard read a letter of Recommendation-from his mother.

Finally, Bill Crawford read a "Vote for me" poem while his opposition to the Presidency, Glenn Culver made use of a "water girl" in his speech.

The offices went to Bill, Warren and Cindy.

MARLENE MANNY, Gretchen Crilly, Linda Allen, Sammie Richmond, Donna Mayor, and Charlotte Lawhon watch the ASB election with rapt attention.

Finales

FRIDAY, MARCH tenth was the big day, nerves were frayed and everyone was on edge. Yell, Song and Flag aspirants waiting their turn on stage each hoped desperately to be chosen by the student body.

After a considerable amount of trouble with the record player the voting was finally completed. Those waiting for the results that evening had mixed emotions of smiles and tears when the winners were announced as follows: **FLAG** .. Jolie Bauman, Mary Holder, Gay Petry, Pam Petry, and Janet Zeyen. **SONG** .. Gretchen Crilly, Judy Herbeck, Charlotte Lawhon, Maureen Manley, and Bev Rez. **YELL** .. Lynn Duggan, Karen Mazurek, Laura Millenson, Sally Sutter, Carol Aldrich, and April Bauman.

GRETCHEN CRILLY performs high-kicking skill during the finales on election day.

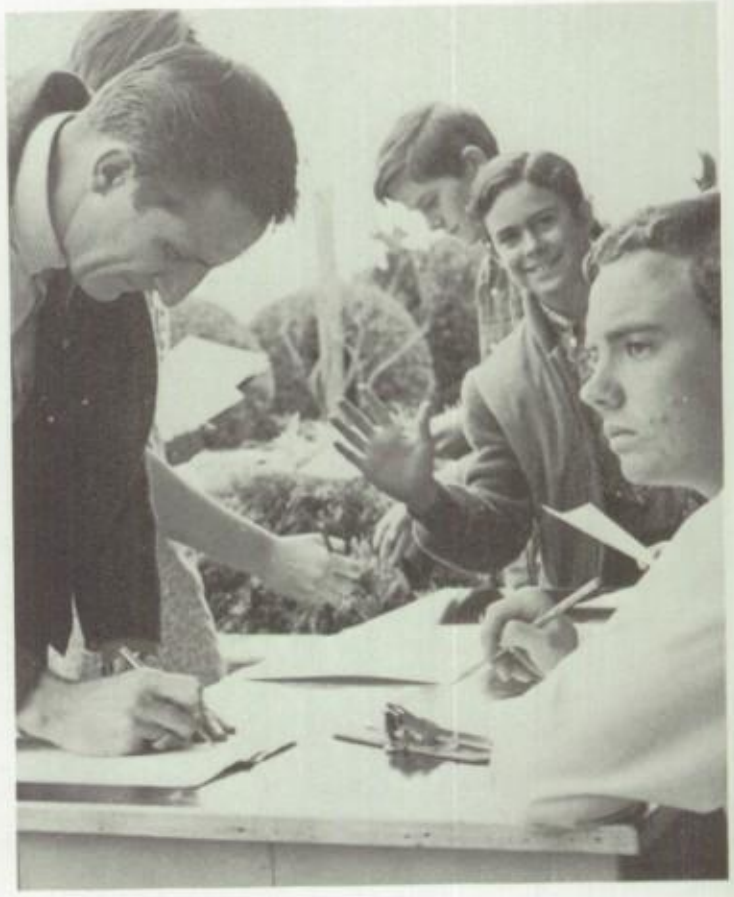
Argolog Holds First Anual Journalism Day

CLIMAX OF the journalism day was the presentation of the 'Eileene LaBarthe Award'for the Best All Around Junior High Newspaper. Louis Lake Intermediate journalism advisor, Jack Pickens and Janet Nelson, **Navigator** editor-in-chief, accept the award presented by Mrs. Eileene LaBarthe, director of secondary education, GGUSD.

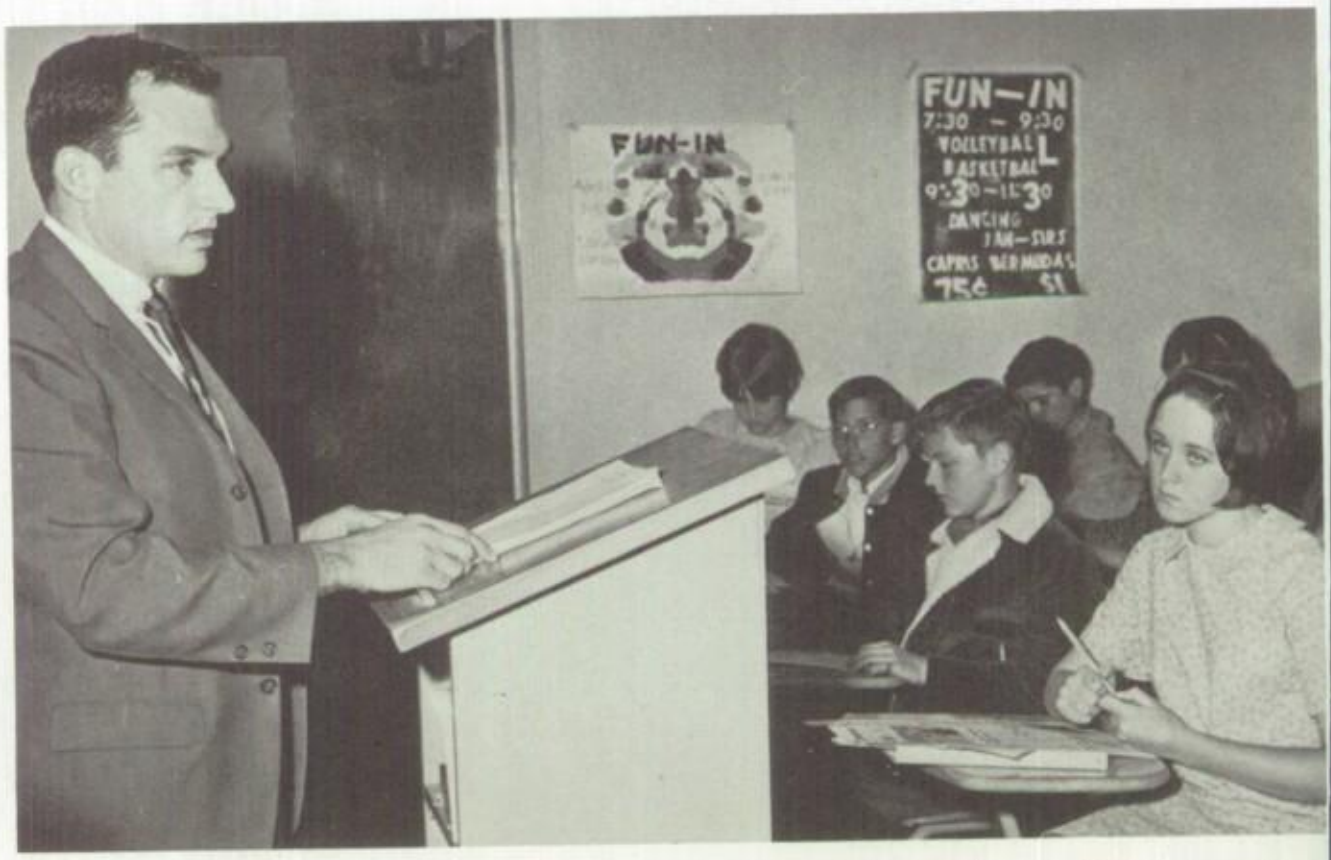


WARREN BAYARD anxiously awaits the arrival of the intermediate schools. Signing the register was the first step at the journalism day. Visitors received maps of GGHS to find their way to the various workshops.

THE FIRST annual Journalism Day was held for Junior high school students on April 19, 1967. Eight separate workshops were held in two sessions of fifteen minutes each.

A special plaque in honor of Mrs. Eileen LaBarthe was awarded to Lake Intermediate for the best all-around newspaper. Winning second and third place were Fitz and Chapman Intermediates. The Contest was judged by Mr. Woodrow Cannon, Mr. Milton Lomas, and Mr. Bert Resnik. The plaque was designed by art student Glen Halberstadt.

Student co-ordinators of the day were Susan Vermeersch and Warren Bayard. Sponsors were Mr. Ken McCluskey and Mrs. Mary Posner.



"**IN CONCLUSION** we hope you enjoyed the workshop and were able to obtain information advantageous to each of your individual newspapers. We look forward to seeing you next year at our Second Annual Journalism Day," states Mr. Ken McCluskey, publications advisor, at the conclusion of the day's activities.

BILL RAPP escorted Marlene Manny from the stage as she modeled a mini-dress from "Merri's" during the Mother-Daughter Fashion Show.

JIM STAGNER sang "If I Loved You" from the stage play **Carousel** for the Girls' League Fashion Show.

CALLING TO mind graduation and June Weddings were Lee Ann Holmes, the flower girl, and Letty Zweig, the bride, as she models a $79.00 gown from Allure Bridal Shop.

Spring Fling Of Fashion

"**A CAROUSEL** of Fashion" was the theme chosen for the twentieth annual afternoon fashion show presented by the Girls' League of GGHS on March 31.

Fashions from three local stores, Designs III, Merri's, and Allure Bridal Shop, were modeled by junior and senior girls for the benefit of all the girls of GGHS and their mothers.

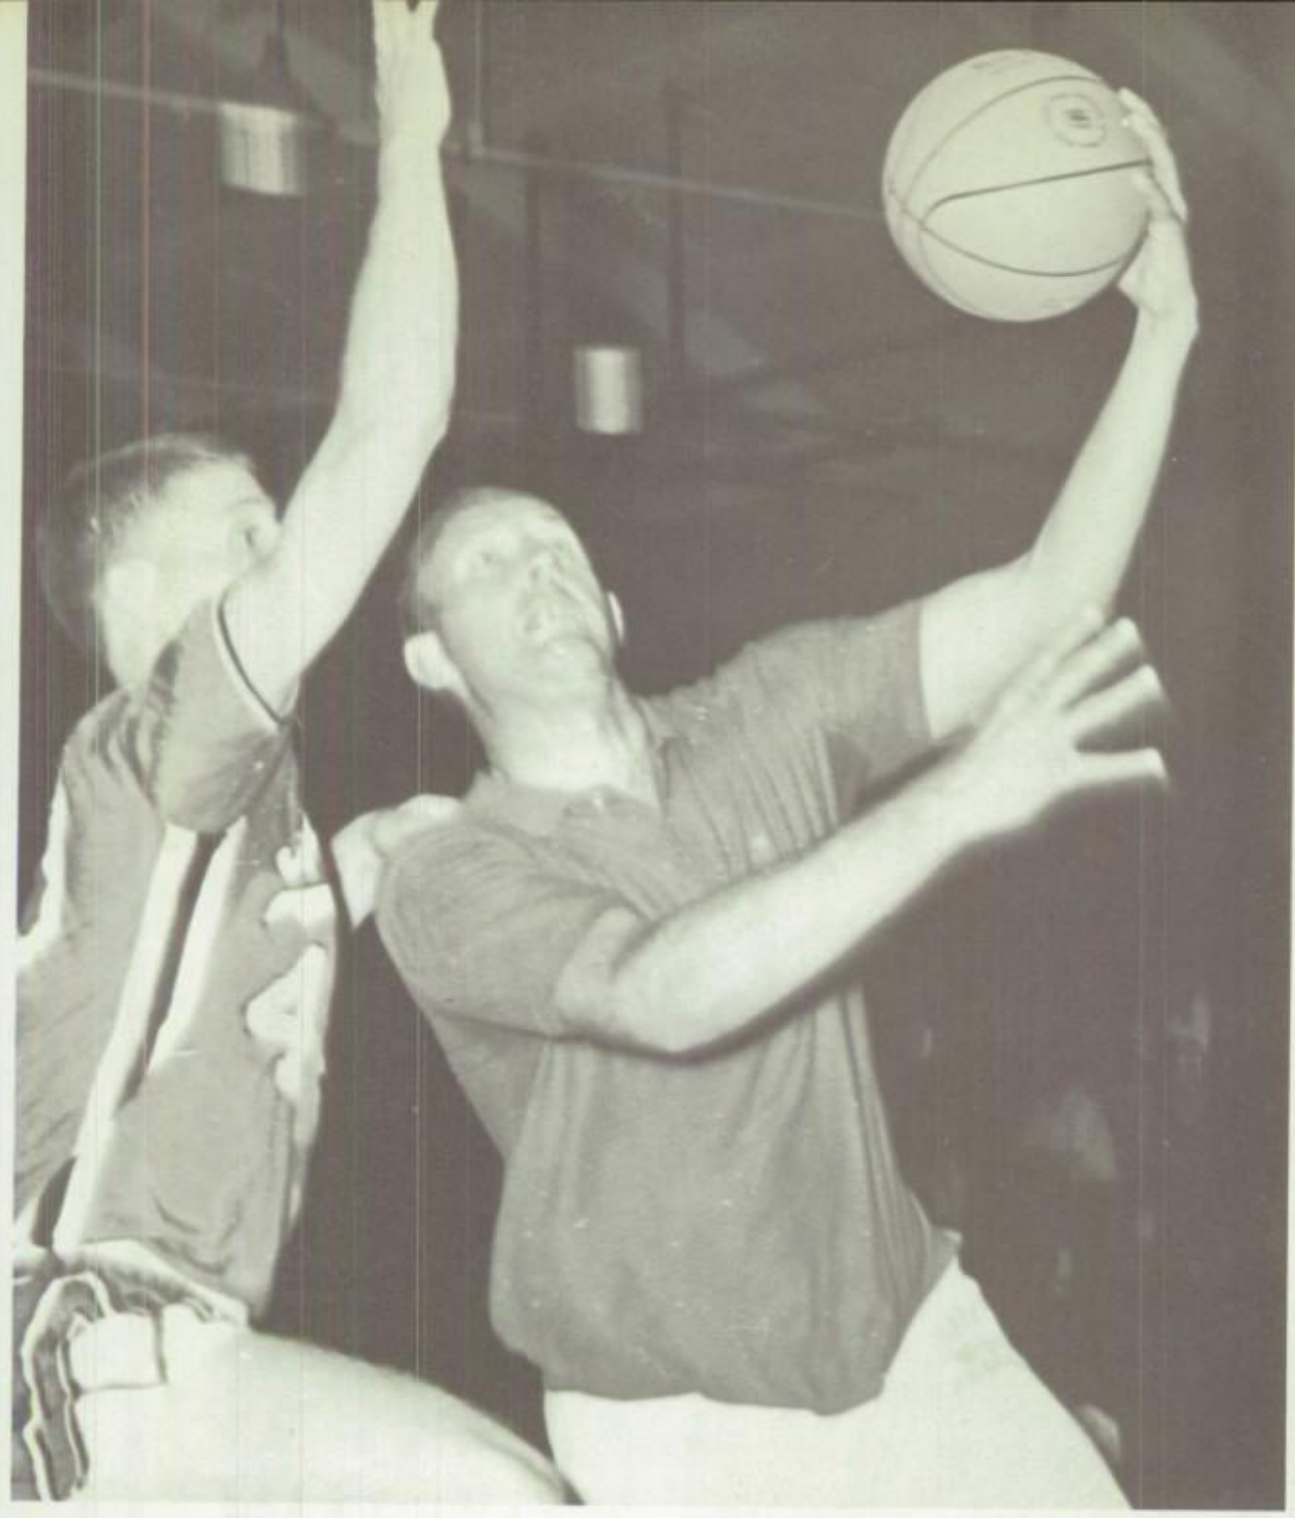
Entertainment was provided by Jim Stagner and a quintet comprised of Bill Griffiths, John Hines, Jeff Janke, Kitty Murray, and Cheryl Schultz.

Faculty Does It Again

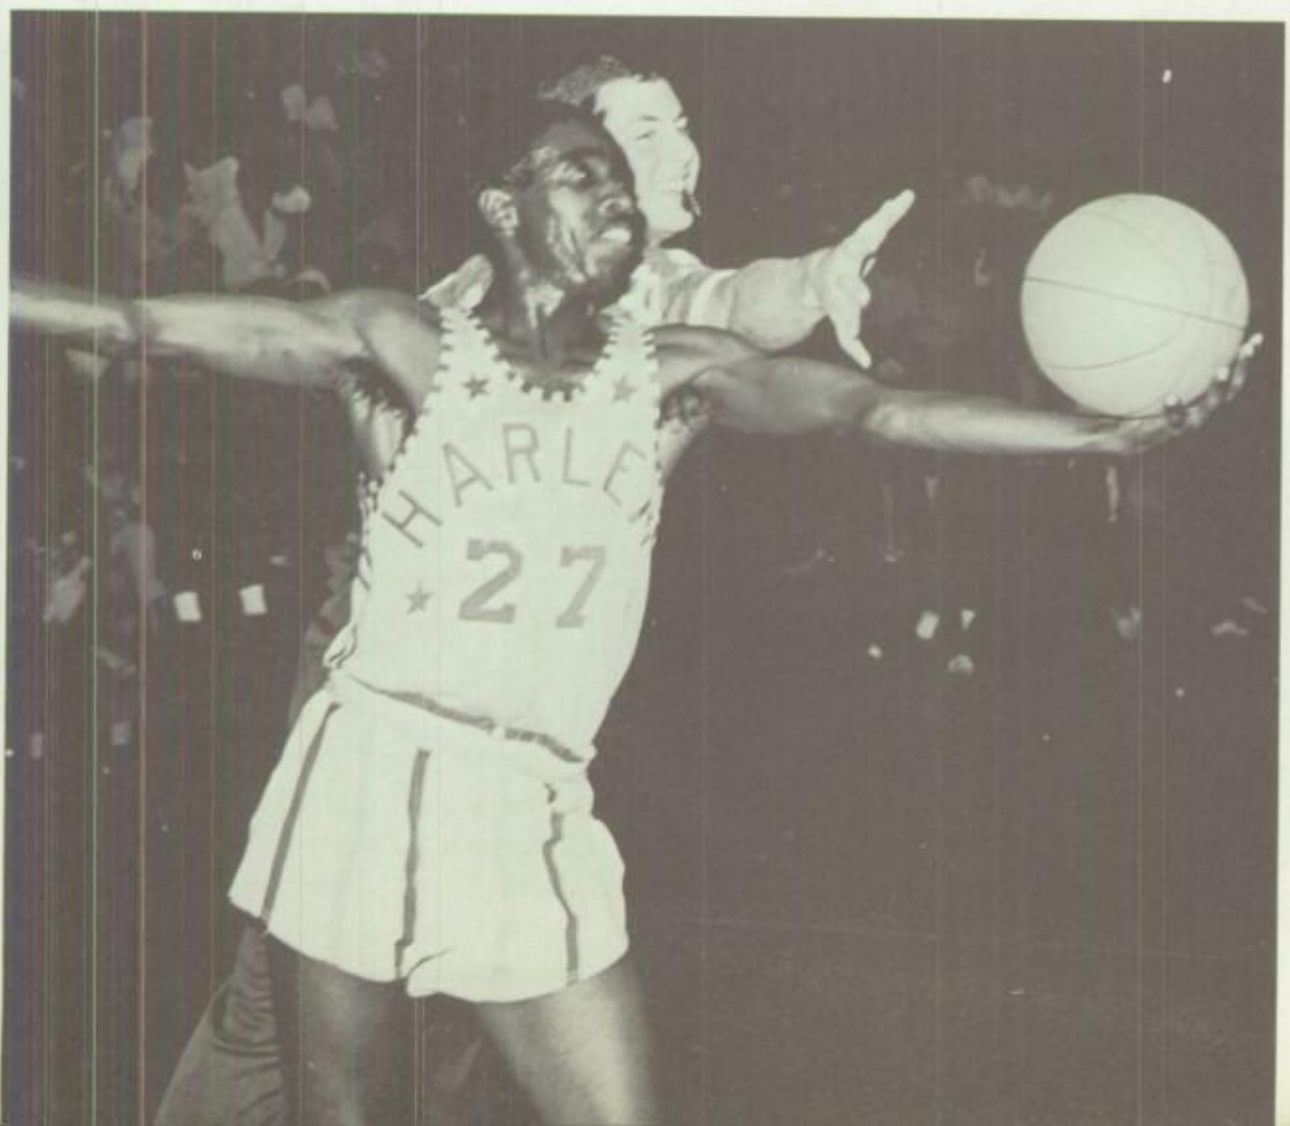
A CIRCUS atmosphere and an injury might best describe the events of Feb. 28 and March 9.

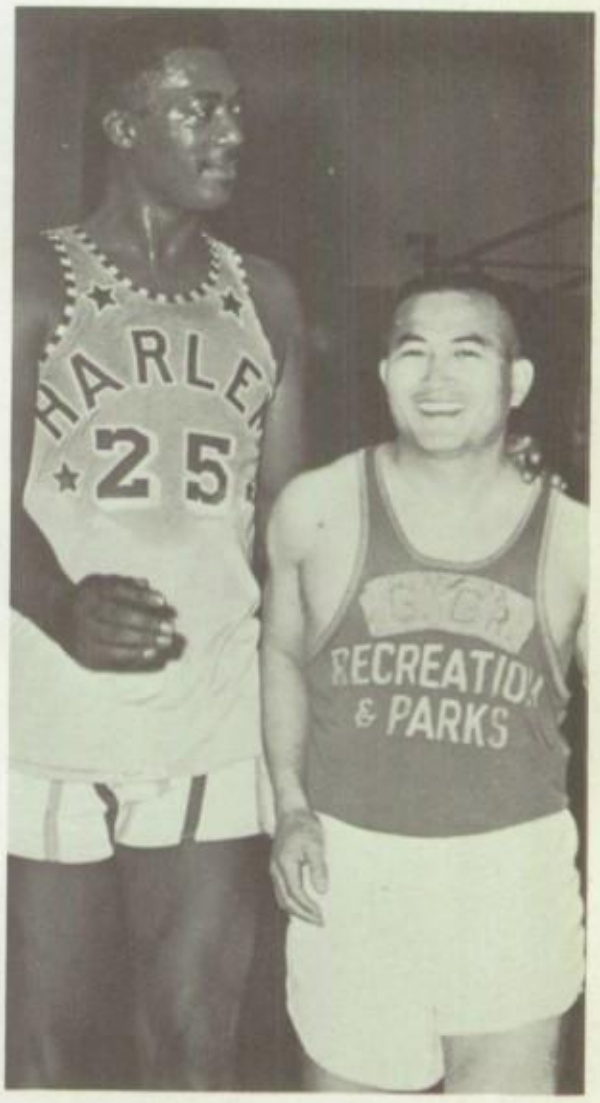
In the first four seconds of the faculty vs. varsity game, Mr. Charles Gilmore was down and out with an injury. The faculty lost.

The latter date was the night of the "circus." In a display of amusing basketball dexterity, the Harlem Clowns sent the faculty down in defeat.



RANDY LANCE attempts to block Mr. James Pratt's try at a point for the faculty during the Varsity vs. Faculty basketball game.

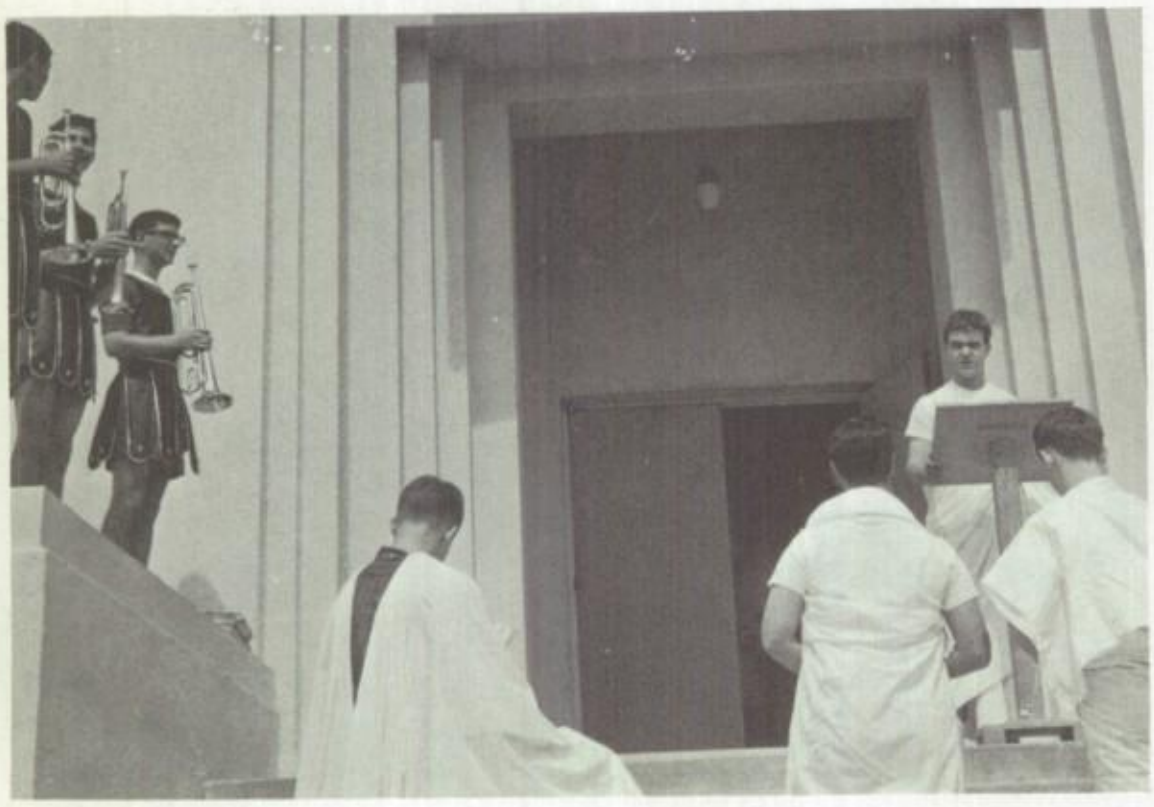




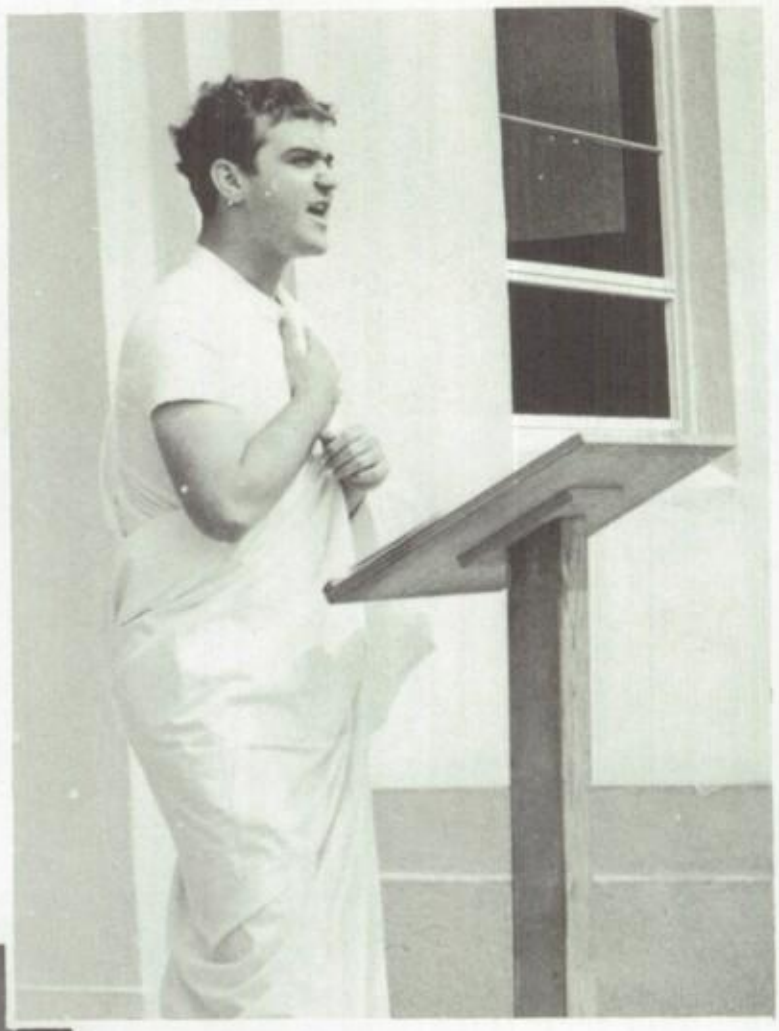
A HARLEM Clown gets acquainted with Mr. Sam Lum during a time out during the Harlem Clowns vs. Faculty basketball game.

BRUCE CONROY tries to claim the ball from one of the "clowns" for a decision.

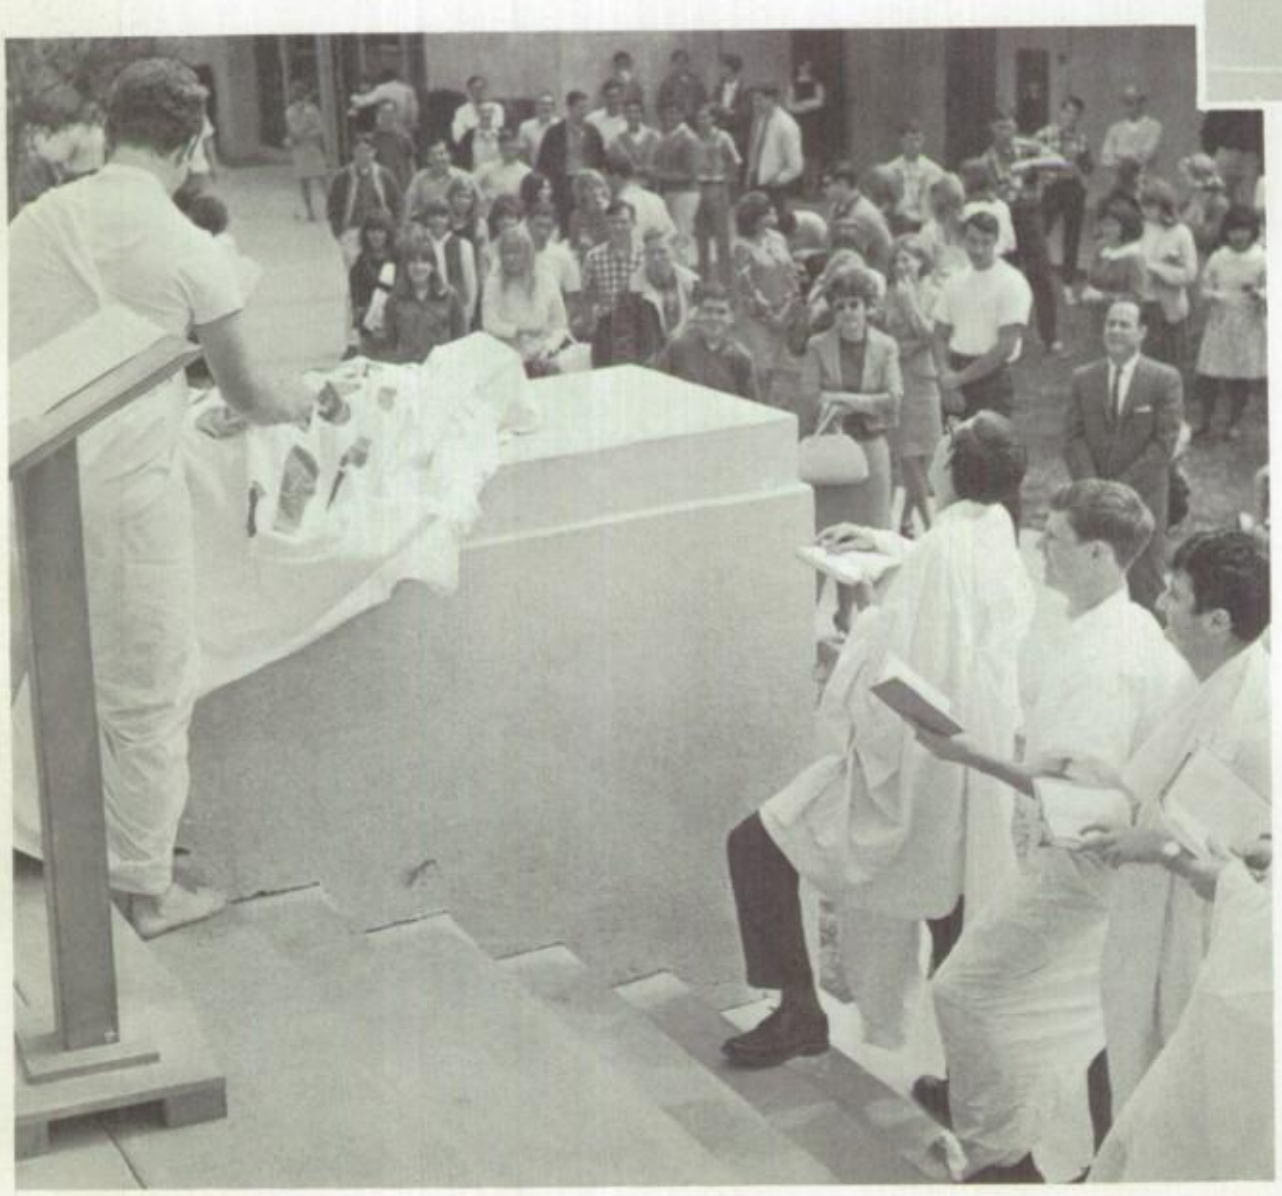
'Beware The Ides Of March'



"**FRIENDS, ROMANS,** countrymen . . . ." cries Antony to the crowd as buglers Roy Gonzales, Alan Riddle, and Jeff Janke look on.



"**BRUTUS SAYS** Caesar is a tyrant, and Brutus is an honorable man," cries Antony.



"**MY HEART** is in the coffin there with Caesar, And I must pause till it come back to me." "Methinks there is much reason in his sayings."

MR. RALPH Shield was applauded by members of the head table, Mr. and Mrs. John Reed and Mr. Clois Powell, as he spoke before the Jason Awards Banquet.

IS IT the Oscar? Is it the Emmy? Is it the Grammy? Is it the Tony? Is it?? As a matter of fact it isn't.

It is, however, the highest possible accolade that can be bestowed on mortal man or GGHS faculty member—the Jason!

On March 29, 1967, the GGHS Faculty Club at the Jason Awards Banquet set out with fun in mind and tongue in cheek to honor (?) six of its members with the distinctive pen set; that is, THE JASON!

The winners (chosen by faculty vote) included Mr. Lawlor Reck (Most Shy), Mr. Donald Harris (Most Scholarly), Mr. Max Valdes (Most Witty), Mrs. Romayne Davis (Most Industrious), and Mr. Ed Dundun (Most Sunny Disposition).

Mr. John Reed won a special award "for being the newest Jason."

THE NEW Crispy Minstrels are Mrs. Romayne Davis, Mrs. Janice Daigle, Mr. William Love, Mrs. Myrtlebel Lush, Mr. Ron Williams, Mrs. Candice Howell, and Miss Mildred Seeger.

Round Table Comes To GGHS

CAST-Mark Henrickson, Lynelle Bess, Gary Lewis, Doug Riddle, Bill Hoganson, Bill Griffiths, and Mike Hoffert.

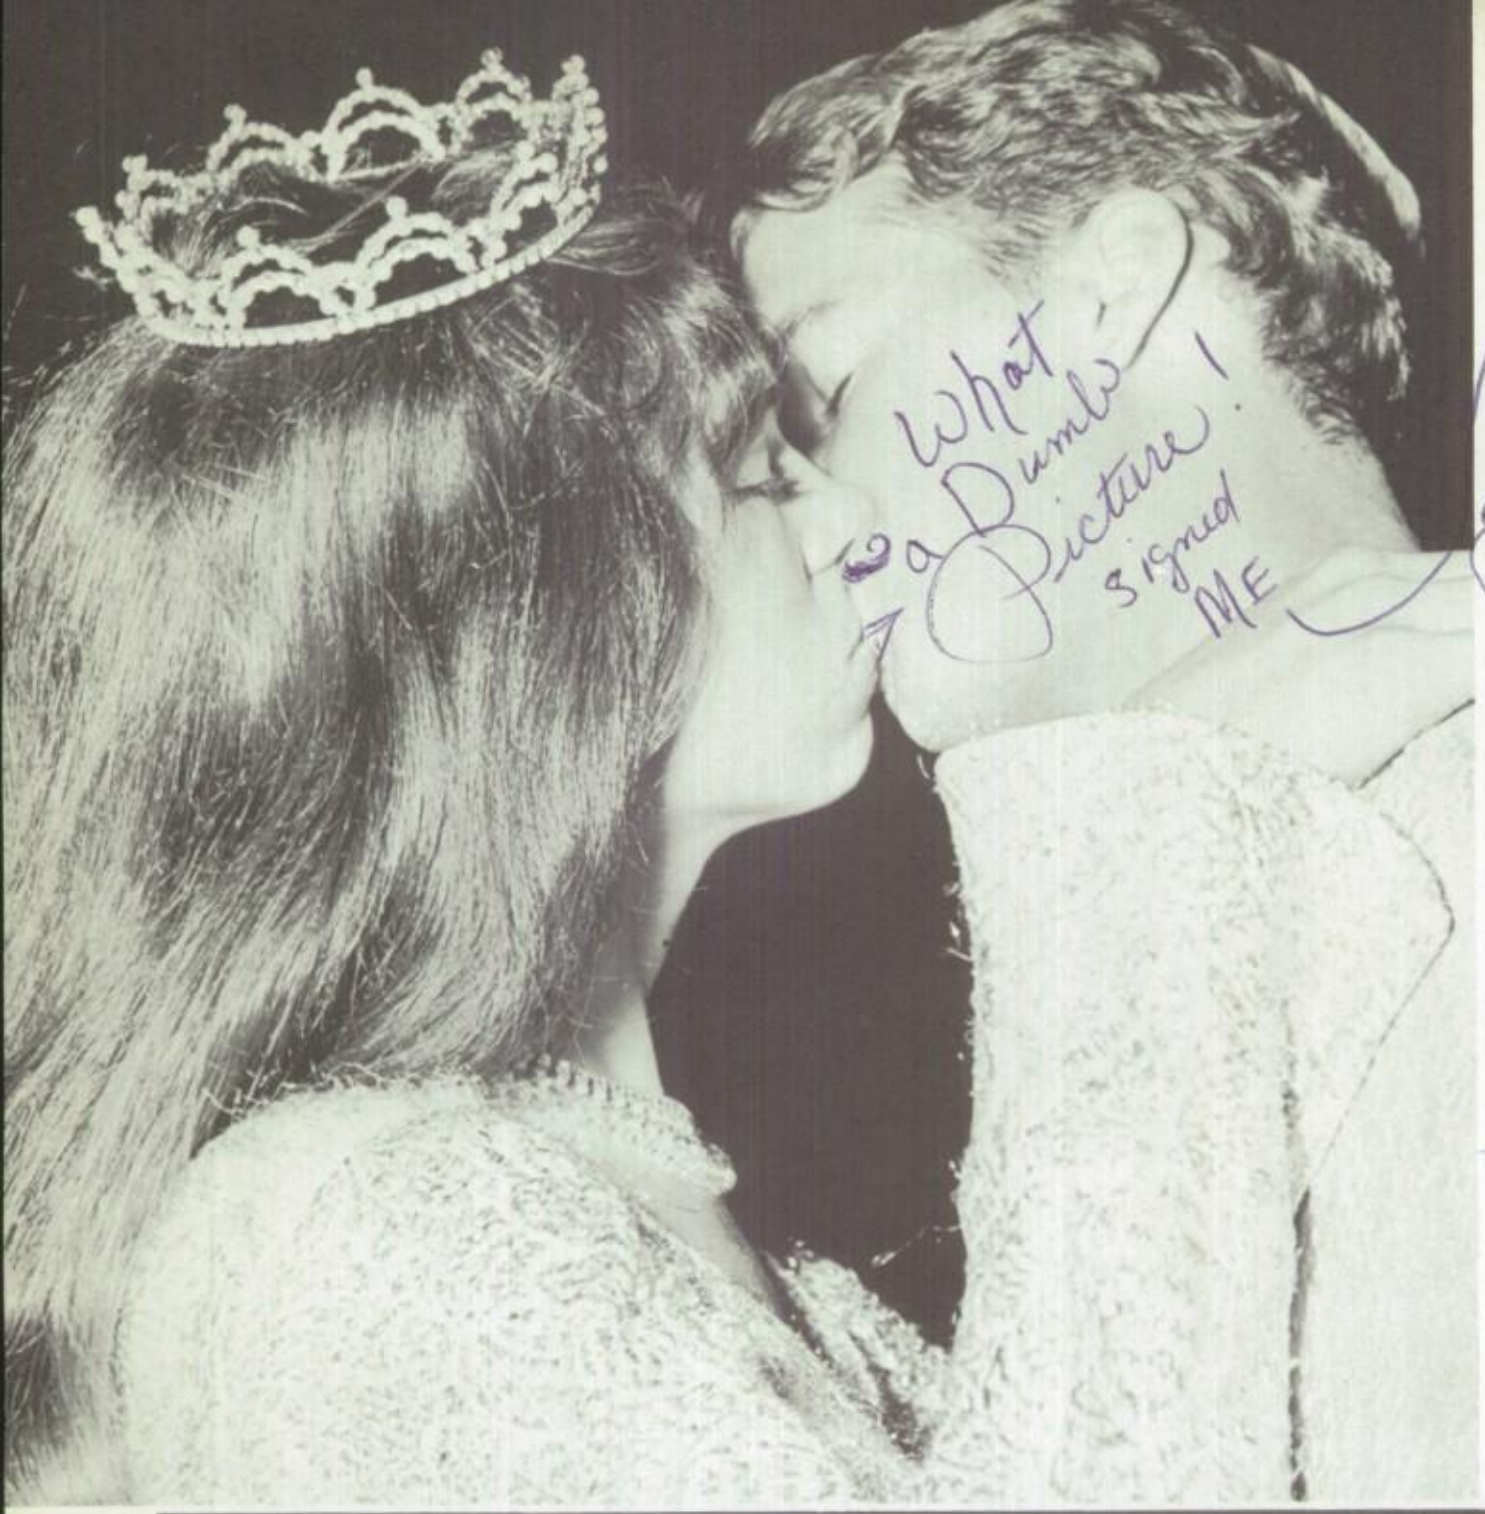
RIVALRY, FRIENDSHIP, love, jealously, and sorcery are all contained in the Alan Lerner and Fredrick Lowe play entitled 'Camelot.'

The story basically is that of a woman torn between her husband and a lover. The former being Arthur, the latter, Lancelot. However, the story is not that simple. It is complicated by the arrival of Mordred, Arthur's illegitimate son, who hopes to disgrace Arthur and Guenevere, and ascend the throne. But that's not all. Sorcery, in the form of Merlin and Morgan Le Fay also makes the story more involved, and even gives it an air of mystery.

In the end, however, Guenevere runs away with Lancelot and Arthur instead of attacking him, forgives them both and wishes them well.

KING ARTHUR listens to the court magician Merlin predict the future of Camelot.

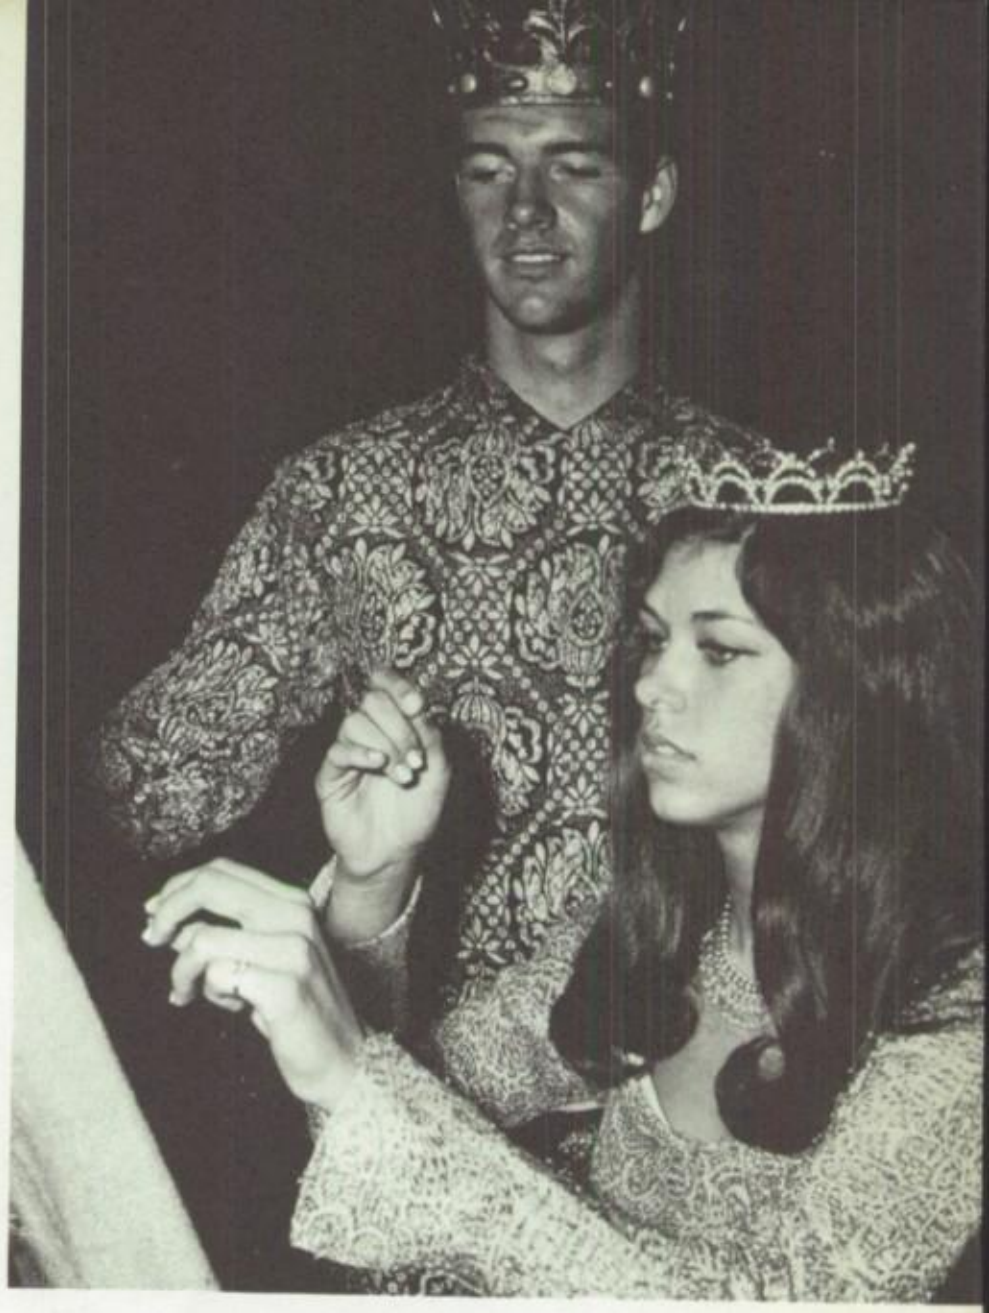
GUENEVERE AND Arthur survey their court in the Kingdom of Camelot.



"**JENNY** I love you. God forgive me, but I love you. I have known it since the first afternoon."

"**ON YOUR** knees Knight. You are in the presence of Her Majesty Guenevere, Queen of England."

"**HOW GENEROUS** of you to offer me knighthood of the Round Table Your Majesty! I can think of nothing that would please me more than to gain your confidence."



AS ARTHUR confers with his queen he states, "Wrong or right, knights have the might, so wrong or right, they're always right-and that's wrong. Right?"

"**LANCELOT, . . . STAY** where you are. I accuse you of treason and order you both to stand trial for your crime. Surrender in the name of the King."

MEMORIES, IMPRESSIONS, events—all these comprise-the 1967 Argonaut. Layout, copy, captions, and headlines frustrated staff members who searched for material; went on identification quests; filed index cards; worried over funds; and finally compiled a yearbook in time for the deadline. Today you hold in your hands and relive again the activities of yesterday.

This school year presented the Argonaut staff with many changes; a new room, new advisor, and new material. The staff consists of eighteen members, twelve of whom are new. Sports Editor Donna Clark and Editor-in-Chief Sandi Owen have been with the staff for three years.

The yearbook is self-supporting and collects its funds through different sales held during the year. A yearbook sale was held in the beginning of school which brought in a total of around $6,000. Argonaut pins were also sold as were pictures which were sold a week before annual distribution.

On June 9th, the senior's received their yearbooks in the auditorium after Baccalaureate practice. The rest of the students received theirs after school that day.

ACADEMICS

PRIDE IS evident in the academics of the school. This pride is conveyed through the teacher to the student in the classroom.

From academics comes learning, and from learning comes knowledge, and from knowledge comes pride. To learn is to be proud.

Through academics pride is exhibited by the student, by the faculty, and by the school.

BOARD OF EDUCATION meetings are open to the public and are held twice monthly on Tuesdays in the GG Unified District offices.

Dr. Hilton Bell—Superintendent

Eastman Resigns

DEAN EASTMAN, first president of the newly unified board last year and a 10-year veteran of service on local boards of education, read his letter of resignation from the board. It was accepted by his colleagues with regret. Mr. Eastman expressed thanks and appreciation to all in the district and praised the contribution which is being made by the local educational system. Donald B. Walter, local banker and resident of the district for nine years, will fill out the unexpired term of Mr. Eastman. The Eastman's are moving.

The Board of Education of GGUSD desires that our schools and our teachers be of the best for our students. The Board, therefore, dedicates itself to use its resources to provide and guarantee an educational program which will assist each student to acquire a knowledge of basic facts and of the essential skills of living, to think accurately, clearly and decisively and to have the desire to excel in learning.

Principal Takes Helm

MR. REED IS our new Principal this year. He has resided in Garden Grove for eleven years and this is his ninth year of school administration. He has always had a great respect for Garden Grove High School. Mr. Reed is impressed with the general material available to the students, the excellent teaching staff, and the obvious pride felt by everyone toward the school. Mr. Reed feels that Garden Grove is "more than a school; it is a way of thinking."

Mr. Dundon and Mr. Walter, last year's Activities Co-ordinator, are the two Asst. Principals this year.

CONDUCTING BACK to school night was a success with Mr. Reed presiding at the opening assembly.

ANSWERING QUESTIONS was the prime concern of the two vice-principals at the first faculty meeting.

Counselors Help Students

THE GUIDANCE office has changed quite a bit from last year. Three of the changes are the new counselors, Mrs. Hansen, Mrs. Lush, and Mr. Williams.

The position of Dean of Guidance which is held by Mr. Williams, is also new. Mr. Williams is responsible for all counseling and guidance services for the high school.

Two new items are the Senior Bulletin and College Night. The Senior Bulletin is put out by the guidance office and distributed in the Senior English classes. It lists scholarships and other items concerning seniors. College Night was held in the spring. Representatives from four different types of colleges told about the college that they represented. It was held for seniors and other interested students.

Mr. Paddock along with the new counselors help students with college plans, letters of recommendation for college or employment, class difficulties, and personal problems.

Secretarial Services Necessary

MRS. LODWICK and Mrs. Hart talk to literally hundreds of people every day in the Main Office traffic.

THE SECRETARIAL staff is essential to the over-all ability of the school to exist as a unified organization. The women of the main, guidance, and attendance offices help in holding the school together. Without the large amounts of paper-work these ladies sort daily, no one would be able to locate students, schedule classes or maintain any degree of order.

The main function of the attendance office is to keep an accurate record of absentees. The primary purpose of secretaries in the guidance office is to aid the counselors in locating students and preparing their records. The main office is responsible for co-ordinating all of these jobs.

English Dept. Offers Publications

THE ENGLISH Department is the largest in the school, with more teachers involved and more courses offered. In addition to standard English courses offered, elective courses include beginning and advanced speech, drama, journalism, publications, creative writing and world literature. Students are encouraged to take English electives for interest and for enriching areas of writing and self expression.

Outstanding among activities associated with English are three publications, the ARGOLOG, the school newspaper, which is printed every two weeks and distributed free to all students, and the ARGONAUT, the yearbook. QUEST, the annual literary magazine, is published jointly by the creative writing and journalism classes, under the sponsorship of the Associated Student Body.

Of keen interest to school and community alike are the junior and senior class plays, also the many speech and debate tournaments in which our students have won many honors.

Language Dept. Uses Audio-Lingual Method

FRENCH, SPANISH, German, and Latin reverberate through the hall of the language building throughout every school day as GGHS students tackle the subject of foreign language. The language lab adds an exciting and interesting touch to language study. Through the use of headphones and taped programs, students acquire language skills individually. The lab is used by the various first year languages as well as second, third and fourth year classes. Each class has use of the lab for twenty-five minutes twice a week.

The Audio-Lingual Method taught at GGHS teaches the fundamentals of understanding, speaking, reading, and writing the language which the student has chosen to study. Grammar is also stressed and taught by meaningful drills.

AUDIO LINGUAL lab adds variety to the departments extensive foreign language curriculum. Students listen attentively to recorded conversations.

Fine Arts Display Numerous Activities

THIS YEAR the band, under the direction of Mr. Anthony, has undergone a complete change. The style of marching is completely new and so is their sound. They have marched in the Anaheim Halloween Parade, the Strawberry Festival, Huntington Beach Parade, and the Pan American Days Parade which was on T.V.

This year's choral department had a very busy schedule. Concert Choir kicked off the year with a concert for the busy holiday season's programs will culminate with the Music Department's Annual Christmas Concert. The Boys' and Girls' choruses and A Cappella Choir will also perform in this concert. The Concert Choir, once again, was the official California Junior Miss Pageant Choir.

Before Christmas the art students devoted much of their time in preparing art projects for the Scholastic Art Competition in L.A. Garden Grove has participated in this for the past nineteen years, and has placed eighteen times.

PRACTICE MAKES perfect is Mr. David Anthony's key to a successful band as many of the band members will testify.

Math In Today's Complex World

THE WORLD of numbers and their relations has always been a complicated one. From modern space technology to minute calculations for underwater investigations, mathematics has become an integral and indispensable part of today's complex world.

The unbounded limit of mathematical challenges draw the more mathematically inclined juniors and seniors as they pursue answers for logarithms and trigonometric functions, prove theorems, analyze problems and graph innumerable equations.

Insight into the basis of all mathematics, algebra seems impossible for freshmen when they first viewed the involved process required to solve an equation. Intricate calculations stump ambitious students as they struggle to comprehend the fundamentals of geometry. However, as time progresses, students develop ease in finding solutions.

P.E. Provides Break

PHYSICAL EDUCATION is one of the few subjects that a student is required to take each year of his four years in high school. As of this year, it has now become necessary for a student to pass Physical Education in order to graduate.

The Boys' P.E. Department offers a wide variety of sports which include football, baseball, track, swimming, wrestling, and tennis. Those boys who are in the athletic program are not required to take a P.E. class.

During March, a Physical Fitness Program is given to all students. This is a series of tests designed to evaluate the fitness of the students.

AMONG THE activities offered in the Girls P.E. Department are swimming, tennis, basketball, softball, archery, badminton, and volleyball. Two new exciting activities, rhythmic gymnastics and fencing were offered this year.

Rhythmic gymnastics is a type of activity that includes both sports and rhythmic experiences. Jump ropes are the basic equipment used, with music as an accompaniment. Rhythmic gymnastics will now be given to sophomore and junior students.

Fencing was offered on an experimental basis this year and was enthusiastically accepted by the girls. It is hoped that fencing can be offered to more classes in coming years.

Electric Ranges Obtained

GARDEN GROVE High School's home economics department acquired two new electric ranges which aided the various food classes.

According to Mrs. Provost, the department chairman, approximately 360 students were enrolled in homemaking classes at GGHS this year. These classes studied all phases of family life, and sponsored a fashion show for their parents in January.

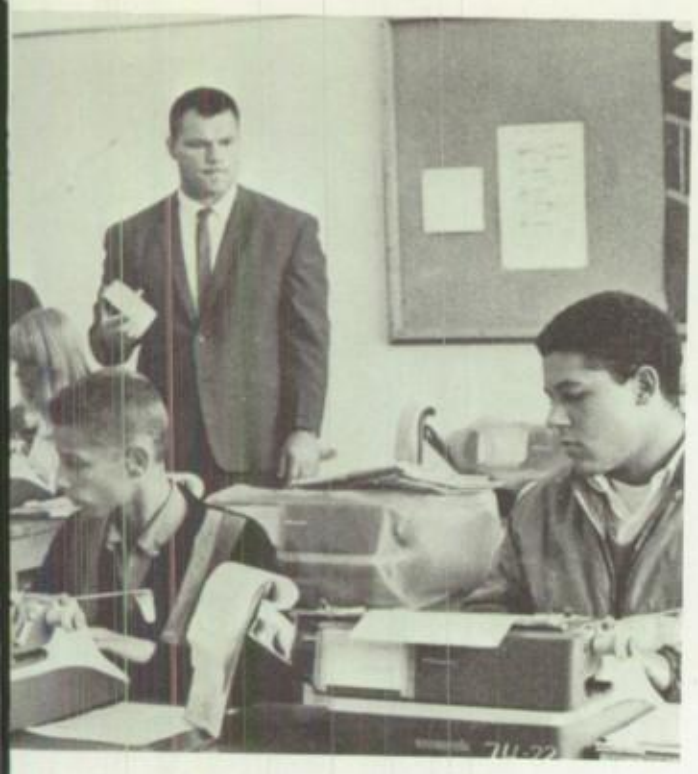
Dept. Grows; VEA Expands



RACING AGAINST time Steve Kranz and Chuck Bartholomew work hard to finish the work before Mr. Carter pushes the timer.

THE BUSINESS department of Garden Grove High School, with the assistance and financial aid of the Federal Vocation Education Act (VEA), now offers a more varied program. Included in this up-to-date and expanded curriculum are two-hour courses in shorthand and transcription, bookkeeping, and secretarial office practice.

Several new features have been added to the business curriculum this year. A shorthand laboratory with recorded lessons is used to teach shorthand. Dictation is available to students over headphones. The students may choose from four different recorded tapes, using speeds at which they want to take dictation. Many new electric typewriters have also been added.

Students also benefit from new office machines, such as printing, rotary, and key-driven calculators; ten-key and full-key adding machines; and various duplicating and transcribing equipment.

Special Services Aid Student Body

GARDEN GROVE High School is fortunate to have the special services of the library, the nurse's office, the book store and the driver's education department.

The GGHS Library serves approximately 250 students daily. In addition to over 12,000 books the library contains magazines, college catalogs, reference material, pamphlets, and vocational files.

Brookhurst Dodge donated to the driver's training department a shiny new '67 Dodge Coronet 440. Some 220 students yearly use it to master the vehicular art.

The book store has received several new English, German, and drama texts. These are partially financed by the student store and school activities.

The nurse's office sees 35 students daily. The nurse copes with such maladies as flu, colds, abrasions, shop and PE injuries, and campus accidents.

ONE SECTION of the library offers some table room for study for these student even though the library steadily increases its volumes without increase of room o shelves. They receive 900 books a year.

These delicious foods may be bought in two snack bars and two sets of vending machines as well as the cafeteria which has four serving lines.

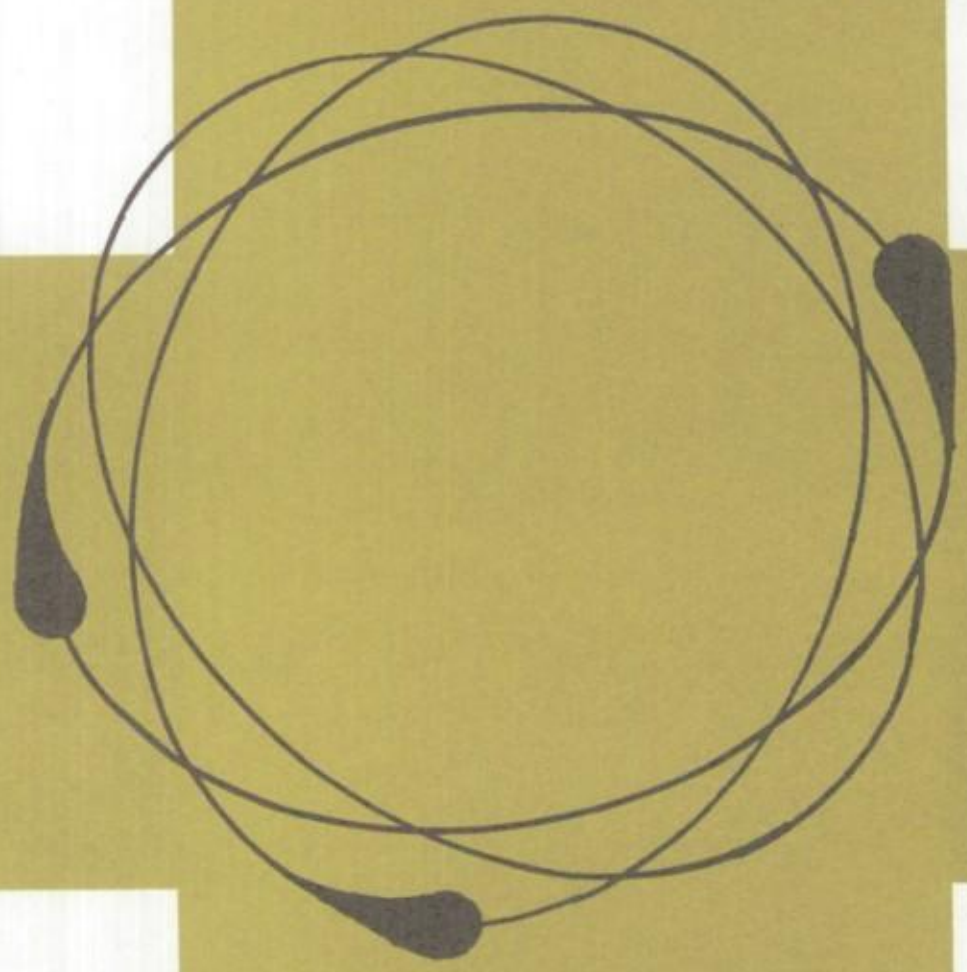
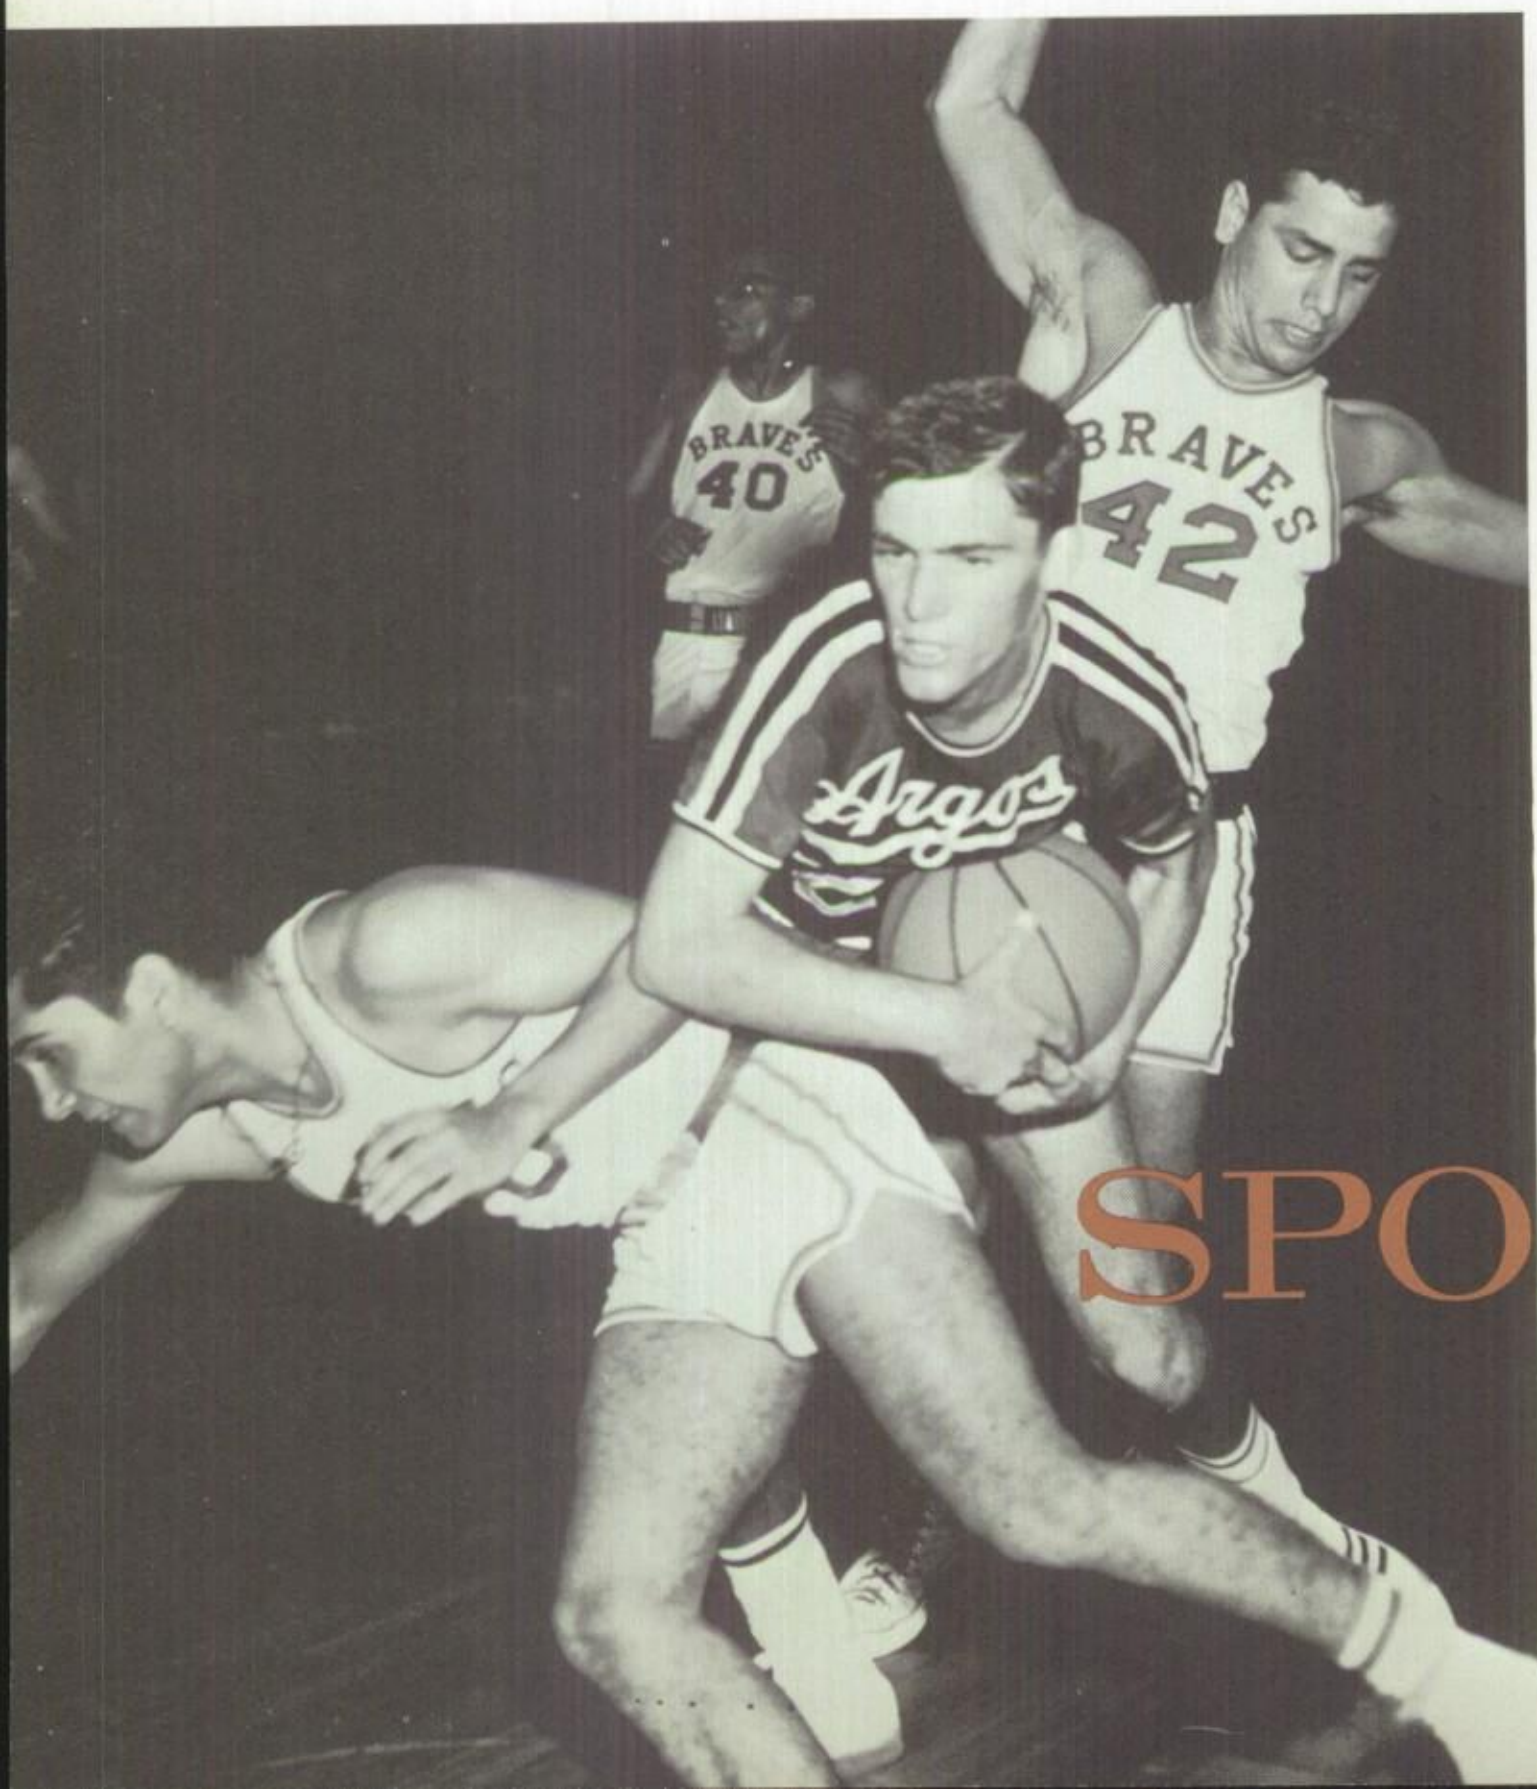
THERE ARE many ways in which a student can "perform" during his high school years. Athletic programs make it possible for both boys and girls to perform in a wide variety of sports events. Clubs provide an opportunity for students to meet new friends and to take an active part in school projects.

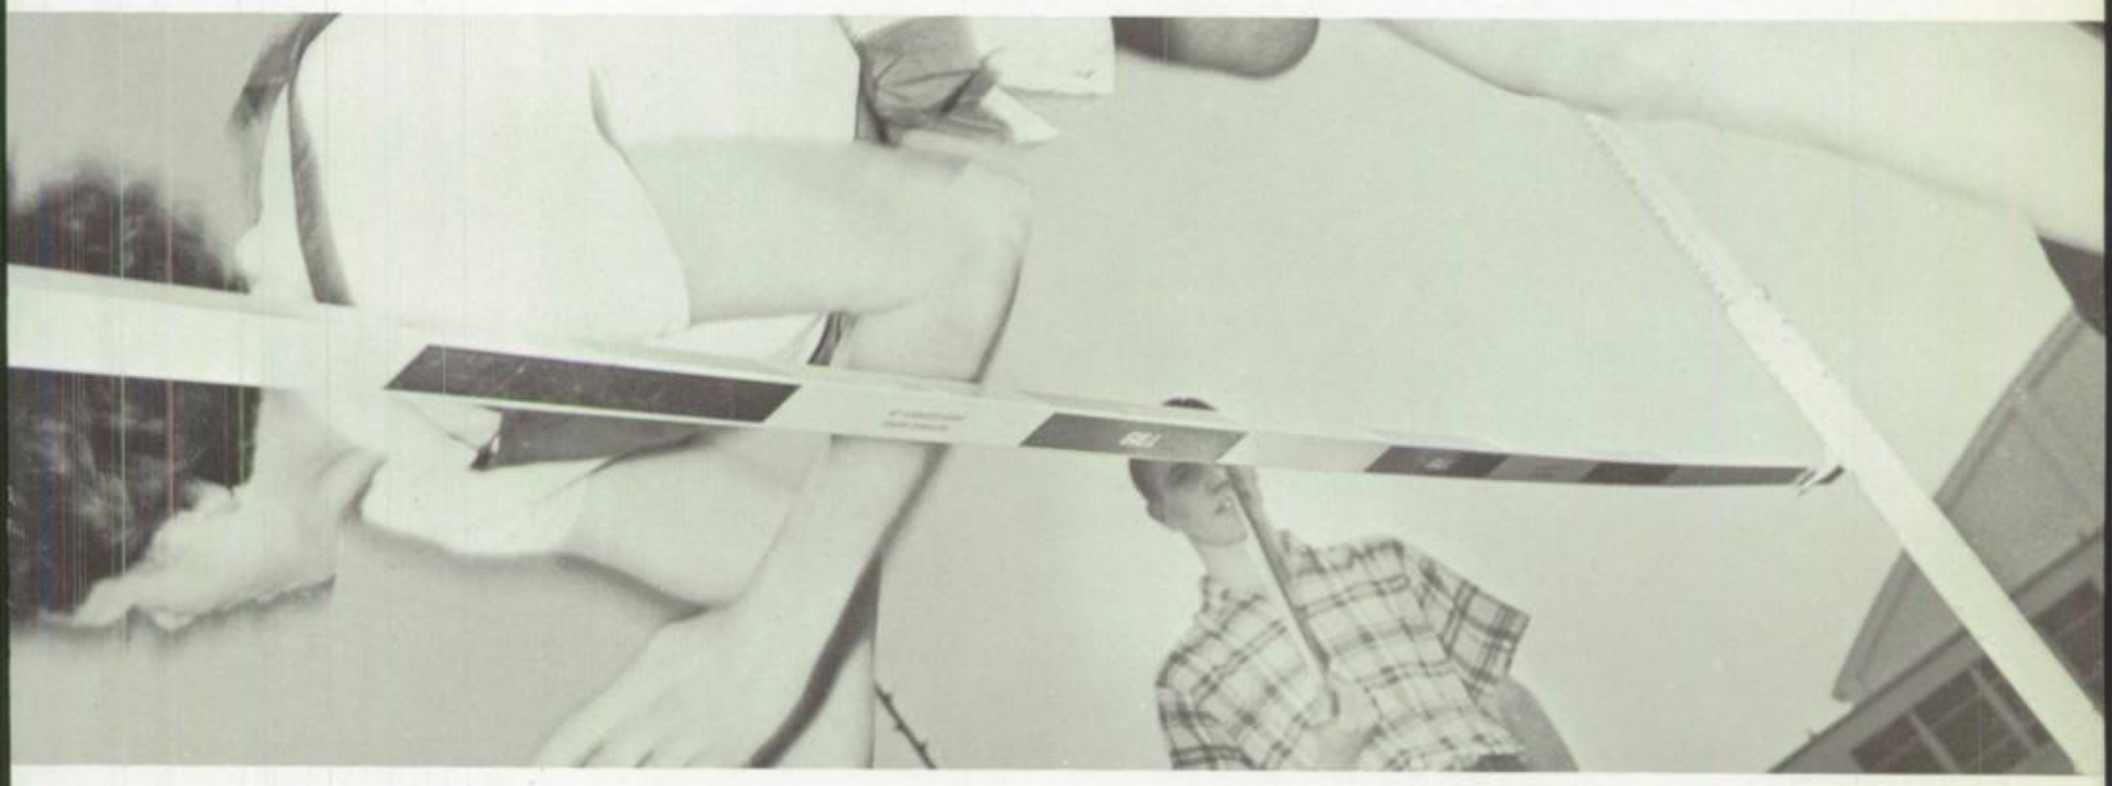
There are many honors such as scholarships, girl-of-the-month, Scholar - of - the - quarter, etc., that reward students for extra-special performances. It is through Emulation, or the desire to excell, that students execute and accomplish their performances.



PERFORMANCE



SPORTS



ONE OF the parts of performance is Athletics. When the team is playing, the student body is yelling for them to win.

The students who participate in sports should feel honored because they are helping to boost school spirit. They help create an image whether they are out for football, basketball, or any of the other sports.

It doesn't matter whether the game was won or lost, the players worked just as hard.

Aquanauts Splash Way To Victorious Season

"THE RICH get richer and the poor get poorer." Garden Grove's varsity waterpolo team went completely along with this theory in their 1966 season. With its undefeated league record, the Aquanauts had clear sailing all the way.

Coach Murphy thought the turning point in the season was the Estancia Tournament. Up until then, the players were just some individuals, but the tournament "turned them into a team."

Leading scorer for the varsity squad was Rich Cade with Kerry Frost, Dan Murray, Mike Lilley, Marc Ingram and Bob Whitlow right behind.

Coach Reck commented that Rich was a standout all season.

Downey Proves Tough In CIF Action

ON NOVEMBER 22, 1966, the Garden Grove High School Waterpoloists competed in CIF action at Millikan High School in Long Beach. They experienced a first round loss against Downey High School with a score of 25-2.

Downey, second rated in the state, proved to be a tough opponent for the Argos.

Coach Reck thought the chance of winning was slim, but was enthusiastic about winning the City League title. This was his first year as coach, and he hopes to see more winning teams in the future.

Argo Harriers Place Second

ALTHOUGH THEY were young and lacked experience, the Garden Grove High School varsity cross country team finished their season tied for second in the league with 7-2 record; Bolsa placed first.

They entered the CIF prelims on November 22.

"We have a young team, mostly freshmen and sophomores and we lack experience. This is really a 'building' year," stated Coach Suess.

Perhaps they lacked experience, but it is evident that Grove has some fine runners.

The La Habra Invitational Tournament, one of the highlights of the season, was a good example. Out of 10 schools, the Garden Grove runners brought home a first place trophy.

Argo Gridders Experience "Up And Down" Season

THE GARDEN Grove varsity gridders experienced an "up and down" season for 1966. The Argos compiled a 4-4-1 overall record and a league record of 2-2-1.

The "off-again, on-again" action placed them third in the Garden Grove City League under Rancho Alamitos, first, and Bolsa Grande, second. This being the first year in the newly formed city league, Garden Grove High School had hoped to do better.

The team showed good team effort, but they couldn't seem to click steadily or continuously. Coaches Gerald Cheek, Don Harris, Rod Carter and Jack Meltebarger kept the team working hard throughout the season on their weaknesses.

The Argo squad fell victims to costly injuries early in the season. The most severe blow was when quarterback Glenn Gardner was roughed up on attempted pass play and sustained a broken collar bone. Thus, his sophomore brother, Don, had to take over the "play-calling" chores.

Next year's season is eagerly awaited because with the loss of only four senior key men, Rick Boyer, Bruce Conroy, Mike Hanes, and John Retzer, the 1967 players should develop in to a hard-hitting, aggressive team.

Football Carnival:

THE GARDEN Grove City League opened the football season on September 17, with the Football Carnival.

The league was divided into two teams, the North opposing the South. Rancho Alamitos, Garden Grove, and Pacifica on the North opposed Bolsa Grande, Santiago, and La Quinta for the South.

Starting the game on the Matador field, was Rancho for the North against Bolsa of the South in the first 12 minute session of the six quarter game.

The Argonauts took the field in the next quarter against Santiago. Pacifica completed the half opposing La Quinta. In the second half, it was Pacifica against Santiago; Rancho against La Quinta; and Garden Grove against Bolsa.

Bellflower: 0-14

On September 23, the Argonauts faced the Buccaneers of Bellflower High School.

The Argos netted 247 yards total offense to Bellflower's 180. Glenn Gardner, quarterback, completed six for nine passes for 108 total yards. John Retzer, end, caught five of the six passes for 70 yards. Tailback, Fred Miller had ground honors totaling 116 yards in 24 carries. He averaged 4.8 yards a carry.

The Garden Grove High School offensive unit put the ball on the four yard line once, seven yard line twice, and the 23 yard line once, but could not score.

The Buccaneers made their scores in the second and fourth quarters.

TRYING A wide sweep was the idea of John Russell as he gained yardage against the Mustangs. Grove passed for 210 yards net and rushed for 263 more.

Monte Vista: 57-0

THE ARGO'S first win of the season came against Monte Vista, 57-0. QB Glenn Gardner completed six of ten passes, three of them for touchdowns. First TD pass was a 55 yard bomb to Fred Miller. John Retzer pulled in the next one for 37 yard score, and Terry Kessler the last one for 37 yard score. Linebacker Rick Boyer blocked two Mustang punts that also led to touchdowns.

West Torrance: 13-21

Despite a 13-0 halftime lead, the Argos lost to the Warriors of West Torrance, 21-13. Rick Boyer, Mike Hanes, Russ Wilson, and Fred Miller were the Argo team that night. Boyer, Wilson, and Hanes did fine jobs on both offensive and defensive lines. Miller gave Grove both scores.

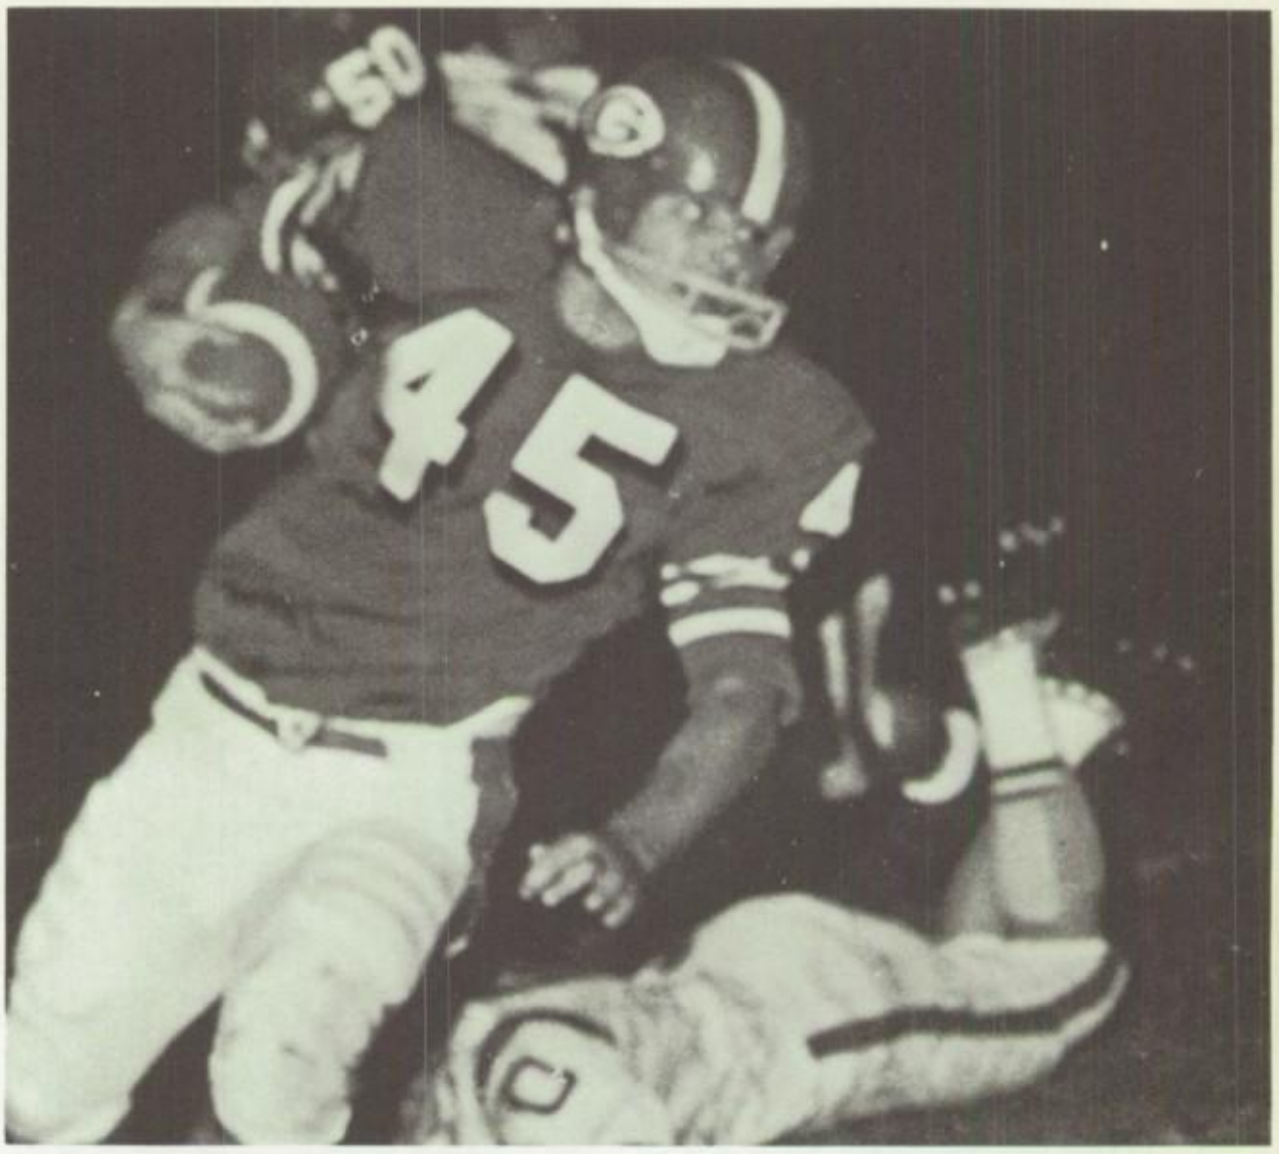
TOM WITTEN battles with a Norwalk Lancer giving the Argos the needed yardage leading to a later TD.

Norwalk: 28-13

GARDEN GROVE Argonauts received the second win of the season on October 14. Gridiron action took place on the Argo Field against the Norwalk Lancers, 28-13. Kevin Dunn, halfback, lead ground gainer for the dual, was cited for his offensive play. End John Retzer was cited for his defensive performance.

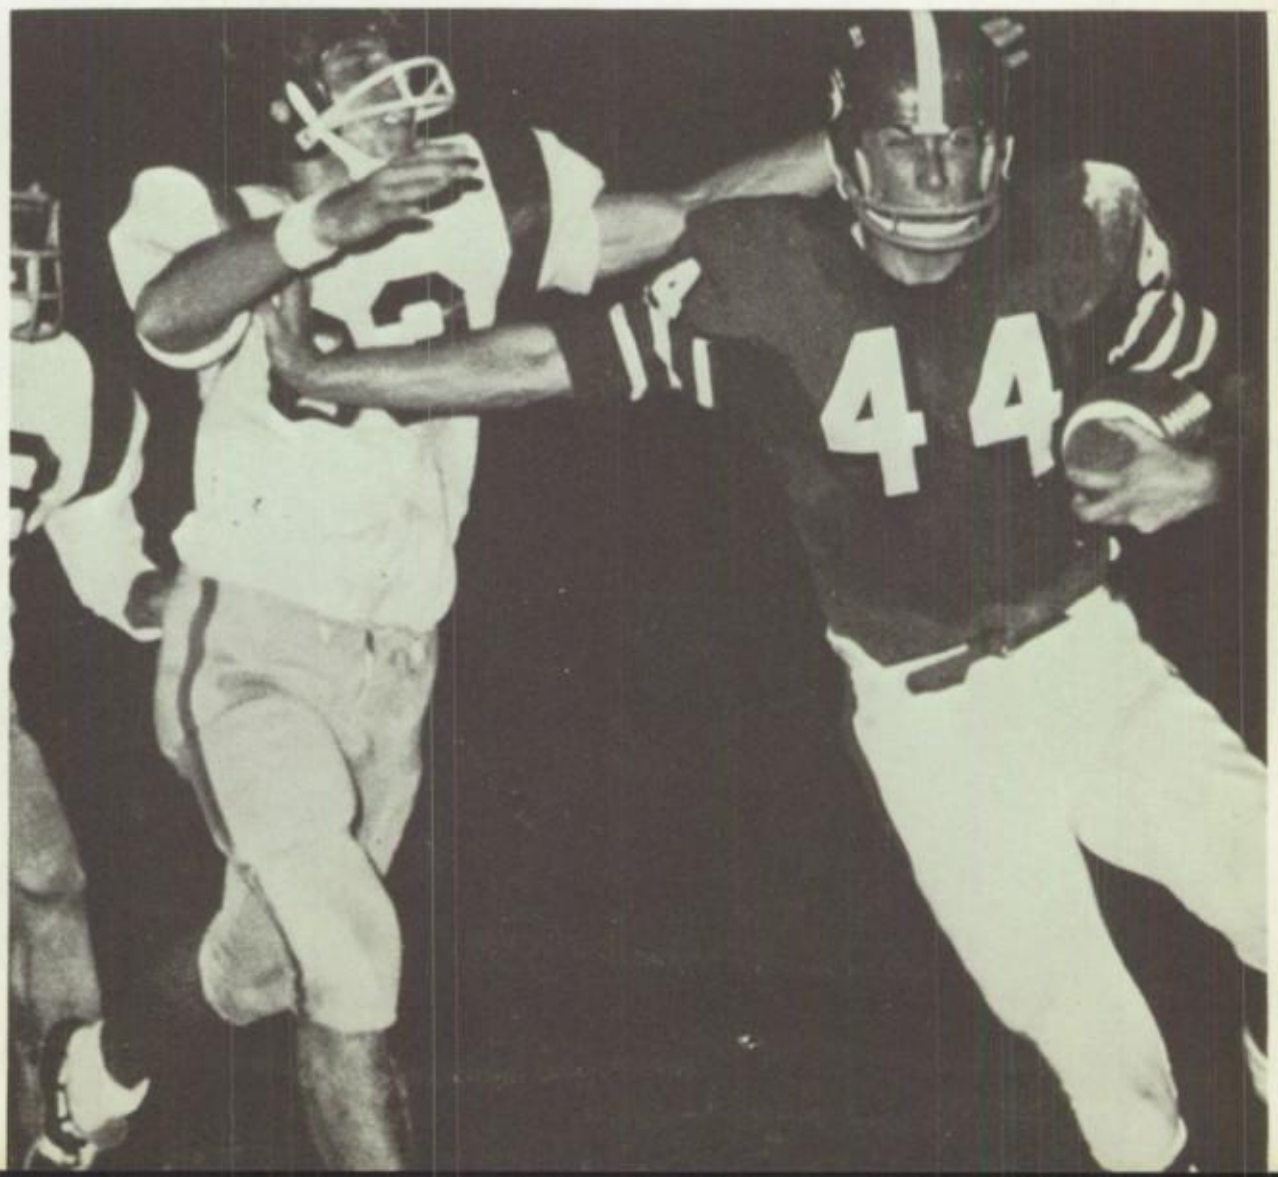
Rancho: 7-20

Argonaut football fans witnessed rival Rancho Alamitos run over Garden Grove 20-7 in the league opener. This game marked the first win for Rancho over GGHS in six years. Grove's score came at the end of the second quarter when Fred Miller intercepted a pass and ran 18 yards to the two yard line, where he eventually scored. Jeff Yoak kicked the conversion.



CITED OFFENSIVE player, Kevin Dunn, leads again in a ground gainer against the Norwalk Lancers. Norwalk was the fourth game played in the season and the last before the league, giving the Argos a 2-2 record.

"OUT OF my way," says Fred Miller as he clears his way for a gain in yardage placing the ball on the seven yard line. The Argos drive for a score was halted by a fumble, one of two. The fumble was halted on the 23.



Bolsa: 30-33

GROVE'S FOURTH loss of the season came against Bolsa Grande, 33-30, in a running game that was unbelievable. With less than three minutes gone in the game, the Matadors took the lead 13-7. Bolsa had made two TD's, when Fred Miller put GGHS on the scoreboard by a 56 yard run. QB Don Gardner passed to John Russell for a TD in the second quarter. In the second half, GGHS made a TD and a touchback.

Pacifica: 20-6

First league win for the Argos came against Pacifica, 20-6. Garden Grove scored first on a 38 yard scamp by Tom Witten. Grove pushed another six points across when Miller ran a long 66 yards. Pacifica got on the scoreboard with only five seconds left in the first half. The final score of the night came when Grove's Kevin Dunn wedged in from the three.

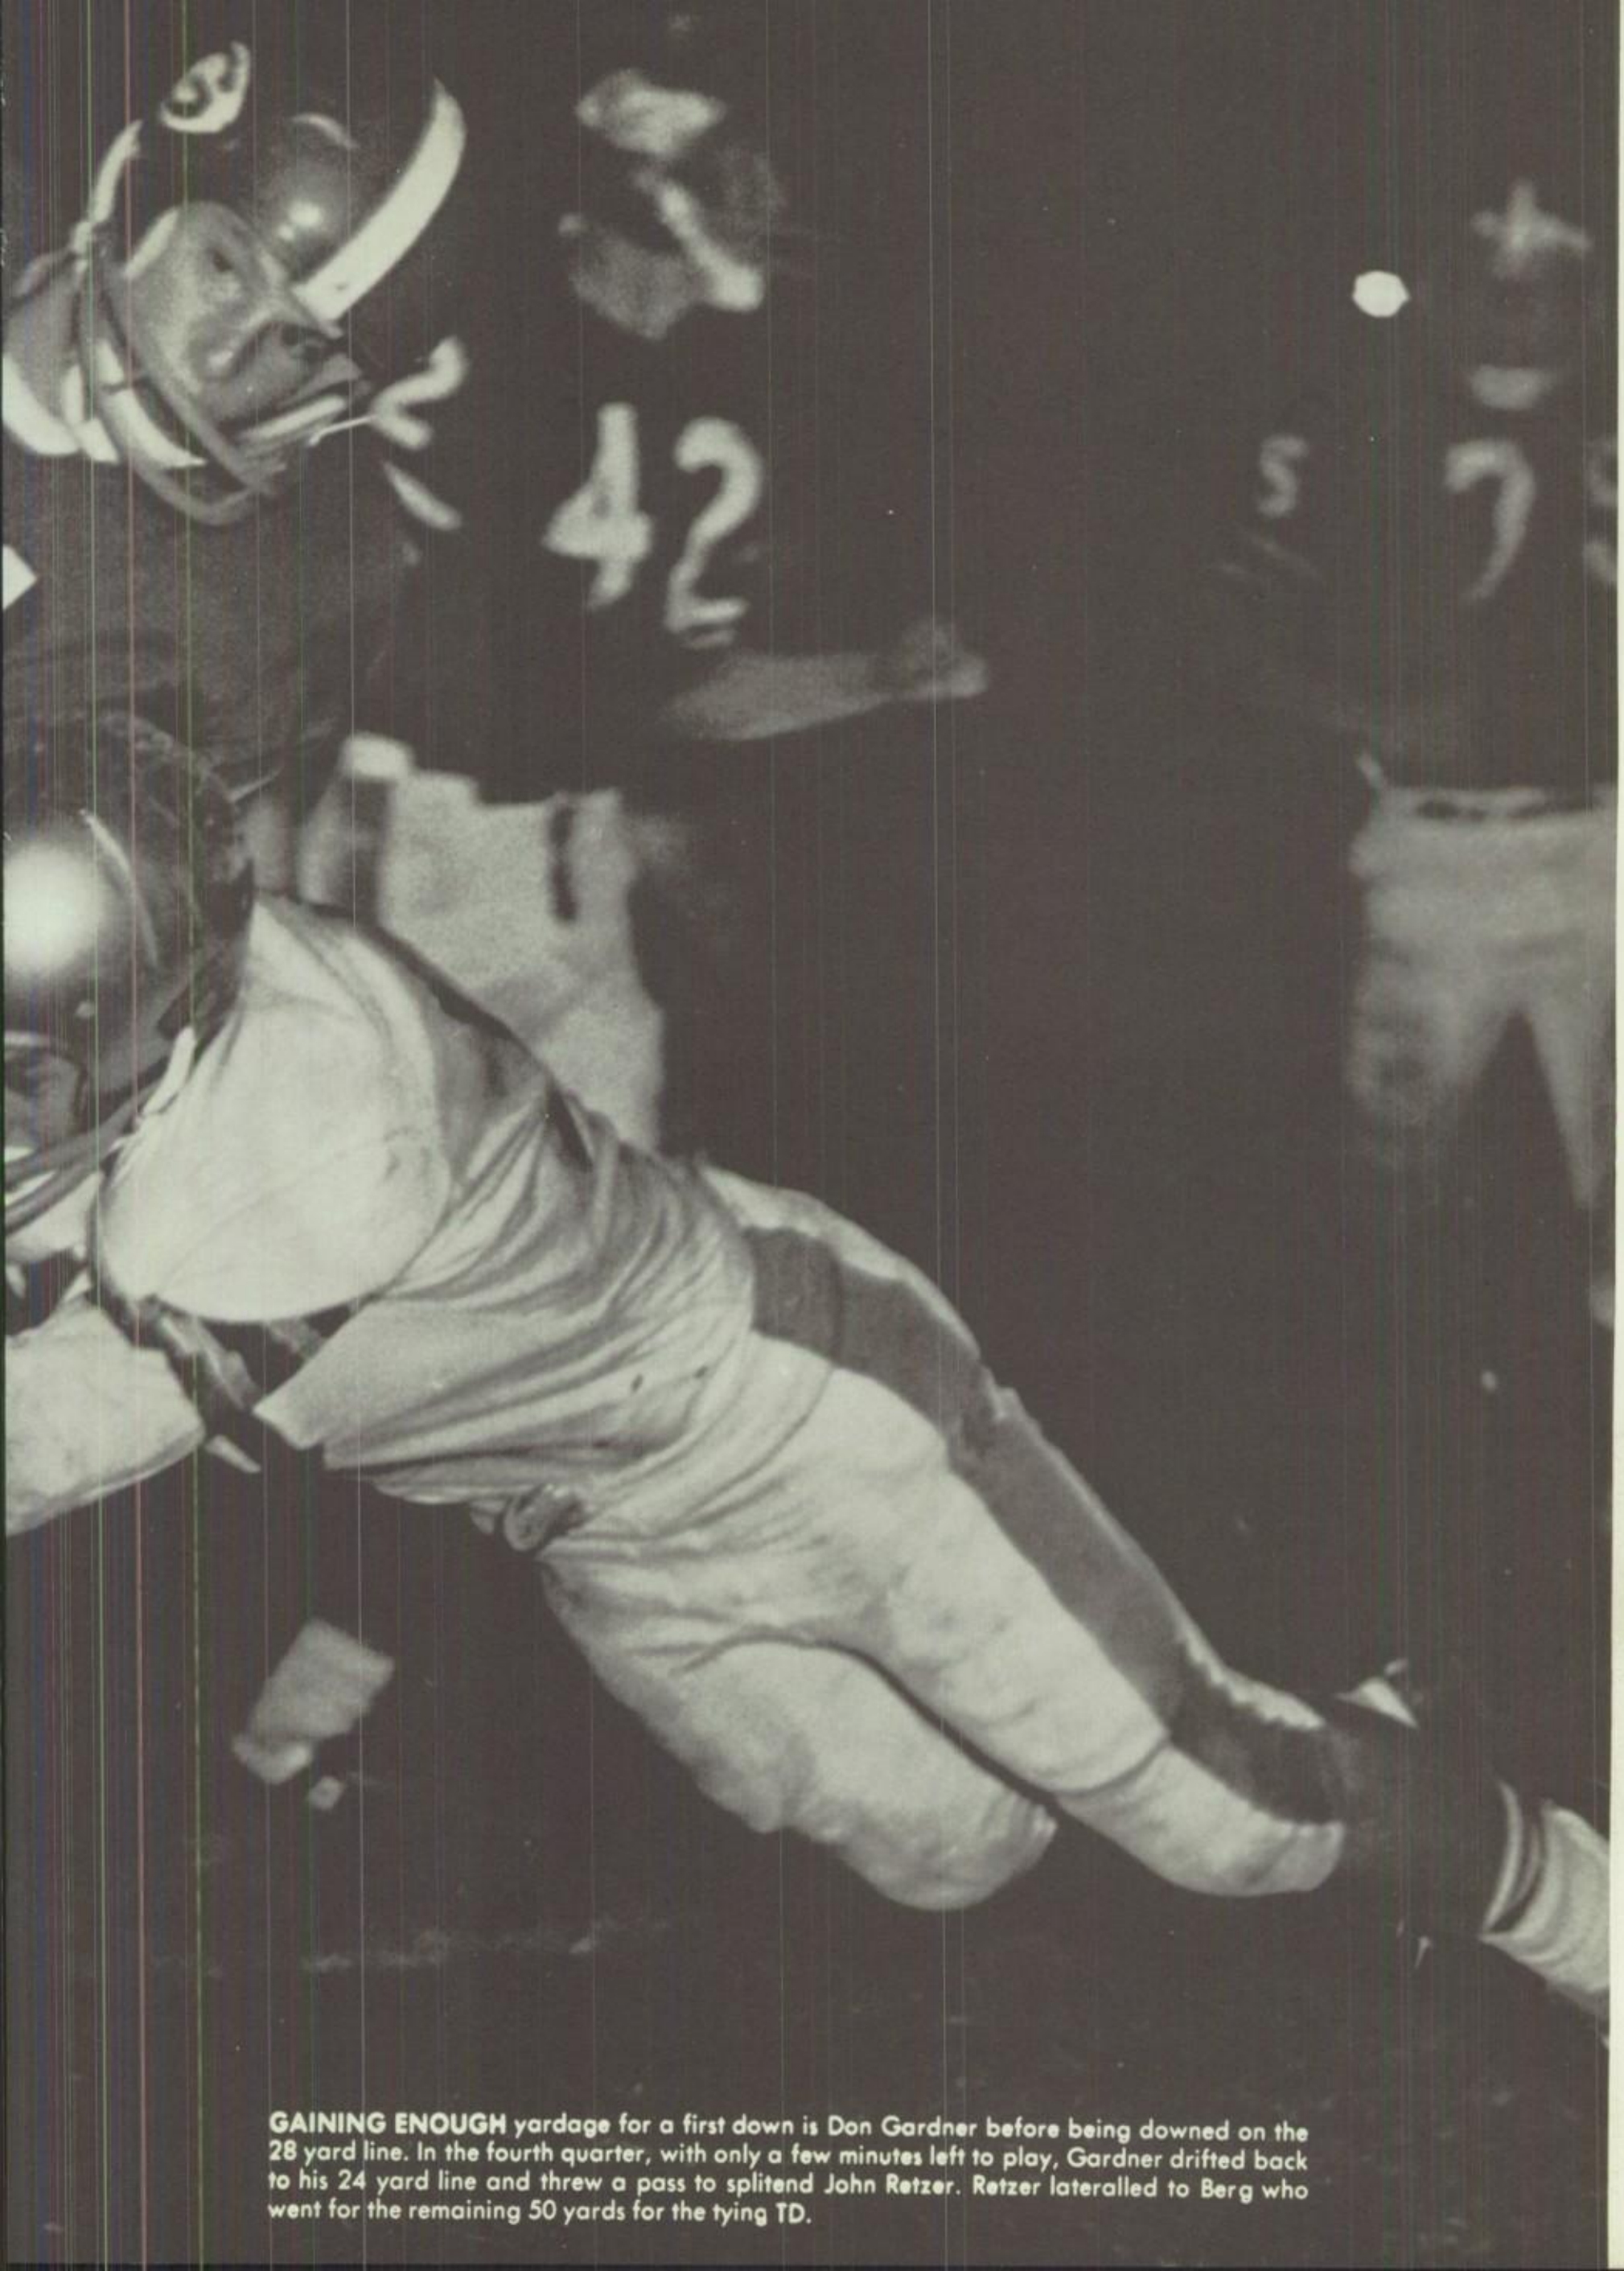
La Quinta: 32-32

Garden Grove had to come from two touchdowns behind late in the game to tie the Aztecs from La Quinta, 32-32. In the fourth quarter, Don Gardner drifted back to his 24 yard line and threw a pass to John Retzer. Before Retzer could be tackled, he lateralled to Darryl Berg, who went the remaining 50 yards for the tying TD. Kevin Dunn had given Grove the first quarter lead, 6-0, on a two yard plunge.

Santiago: 27-13

Garden Grove Argos trounced Santiago 27-13, in the last game of the season. The win could be a preview of next year's season as junior, Fred Miller and sophomore, Darryl Berg played vital roles. Miller gained 92 yards on eight carries for an average of 11.5 yards per run. He also scored three of Grove's four touchdowns. Berg intercepted two passes at key moments, giving the Argos 20 steals for the season.

JOHN RETZER [illegible] on the 40 yard line after an eight yard gain in the West Torrance game. Grove's 13 point lead sank fast as the Warriors scored once in the third quarter and twice in the fourth.



GAINING ENOUGH yardage for a first down is Don Gardner before being downed on the 28 yard line. In the fourth quarter, with only a few minutes left to play, Gardner drifted back to his 24 yard line and threw a pass to splitend John Retzer. Retzer lateralled to Berg who went for the remaining 50 yards for the tying TD.

Argo B and C Learn Through

THIS YEAR, the B gridders were the victims of circumstance. Many were injured, and some of the better players were moved up to play on the junior varsity team. This left the team with many inexperienced players. The featured players were Lou Randall, fullback, Jon Gargan, splitend, Dennis Williams, linebacker, and Doug Anderson, guard.

Pre-League:

The varsity basketball team completed this year's season with an overall record of 10-14 and a pre-league record of 6-8.

The Argos over-ran such teams as the Monarchs of Mater Dei, Panthers of Orange, and the Sentinels of Magnolia.

Grove couldn't seem to attain a solid footing throughout the pre-league competition. This accounted for its seesaw record.

Rancho: 49-46 **46-62**

In the opening league game, Garden Grove triumphed over the Vaqueros 49-46. Grove played a "turn-about" by coming from behind at halftime, 30-16. Lead scorers were Fred Van der Linde with 17, and Bill Morgan, 10.

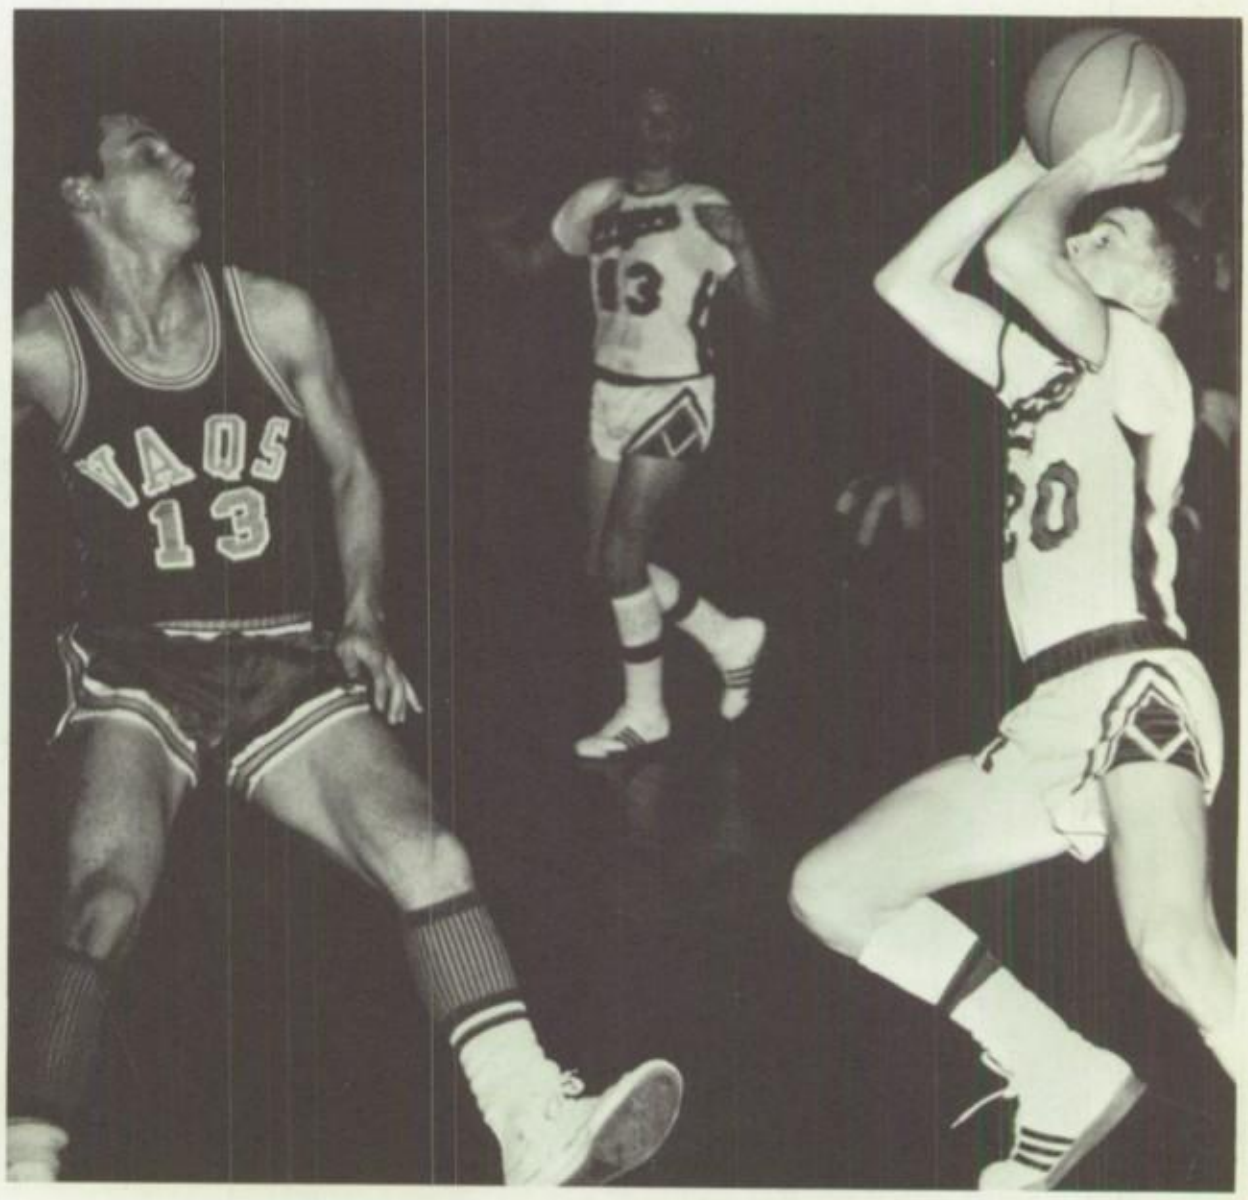
The Vaqs evened-up the score in the second round by beating the Argos, 46-62. Rancho held the Argos to 11 points each quarter. Bob Sanders, Gary Berg, and Fred Miller led the total points.

Bolsa: 57-60 **45-59**

Bolsa edged the Argos 57-60 in the opening game. The score was "neck and neck" all the way, and the Matadors were ahead by only one point at the halftime.

Second round, the Mats trounced the Argos, 45-59. This brought the league record to 3-4. At halftime, the score was 28-34. High scorers for both games were Bill O'Brien, Fred Miller, Randy Lance, and Bill Morgan. But, Fred Van der Linde surpassed these by achieving 17 points totaled in the first game.

ARGO ROUNDBALLER, Bill O'Brien dives for the ball in attempt to beat opponent to possession. Bill, who was named best guard, made 9 points at first Vaquero cattle.



DRIVING IN towards the basket, Bill Morgan readies a scoring shot while Rancho man skillfully guards. Fred Van der Linde looks on from back anticipating a change of plans.

Argos Cage 10-14 Season

PACIFICA: 62-43 **57-54**

Argo roundballers smeared the Mariners 62-43 in the first match. Grove was leading all the way and the halftime score was 26-18.

Fred Miller, Randy Lance and Fred Van der Linde controlled the boards for Garden Grove and Bill Morgan supplied the punch to get by in both games. The second saw a 57-54 victory for the Argos.

La Quinta: 44-42 **42-50**

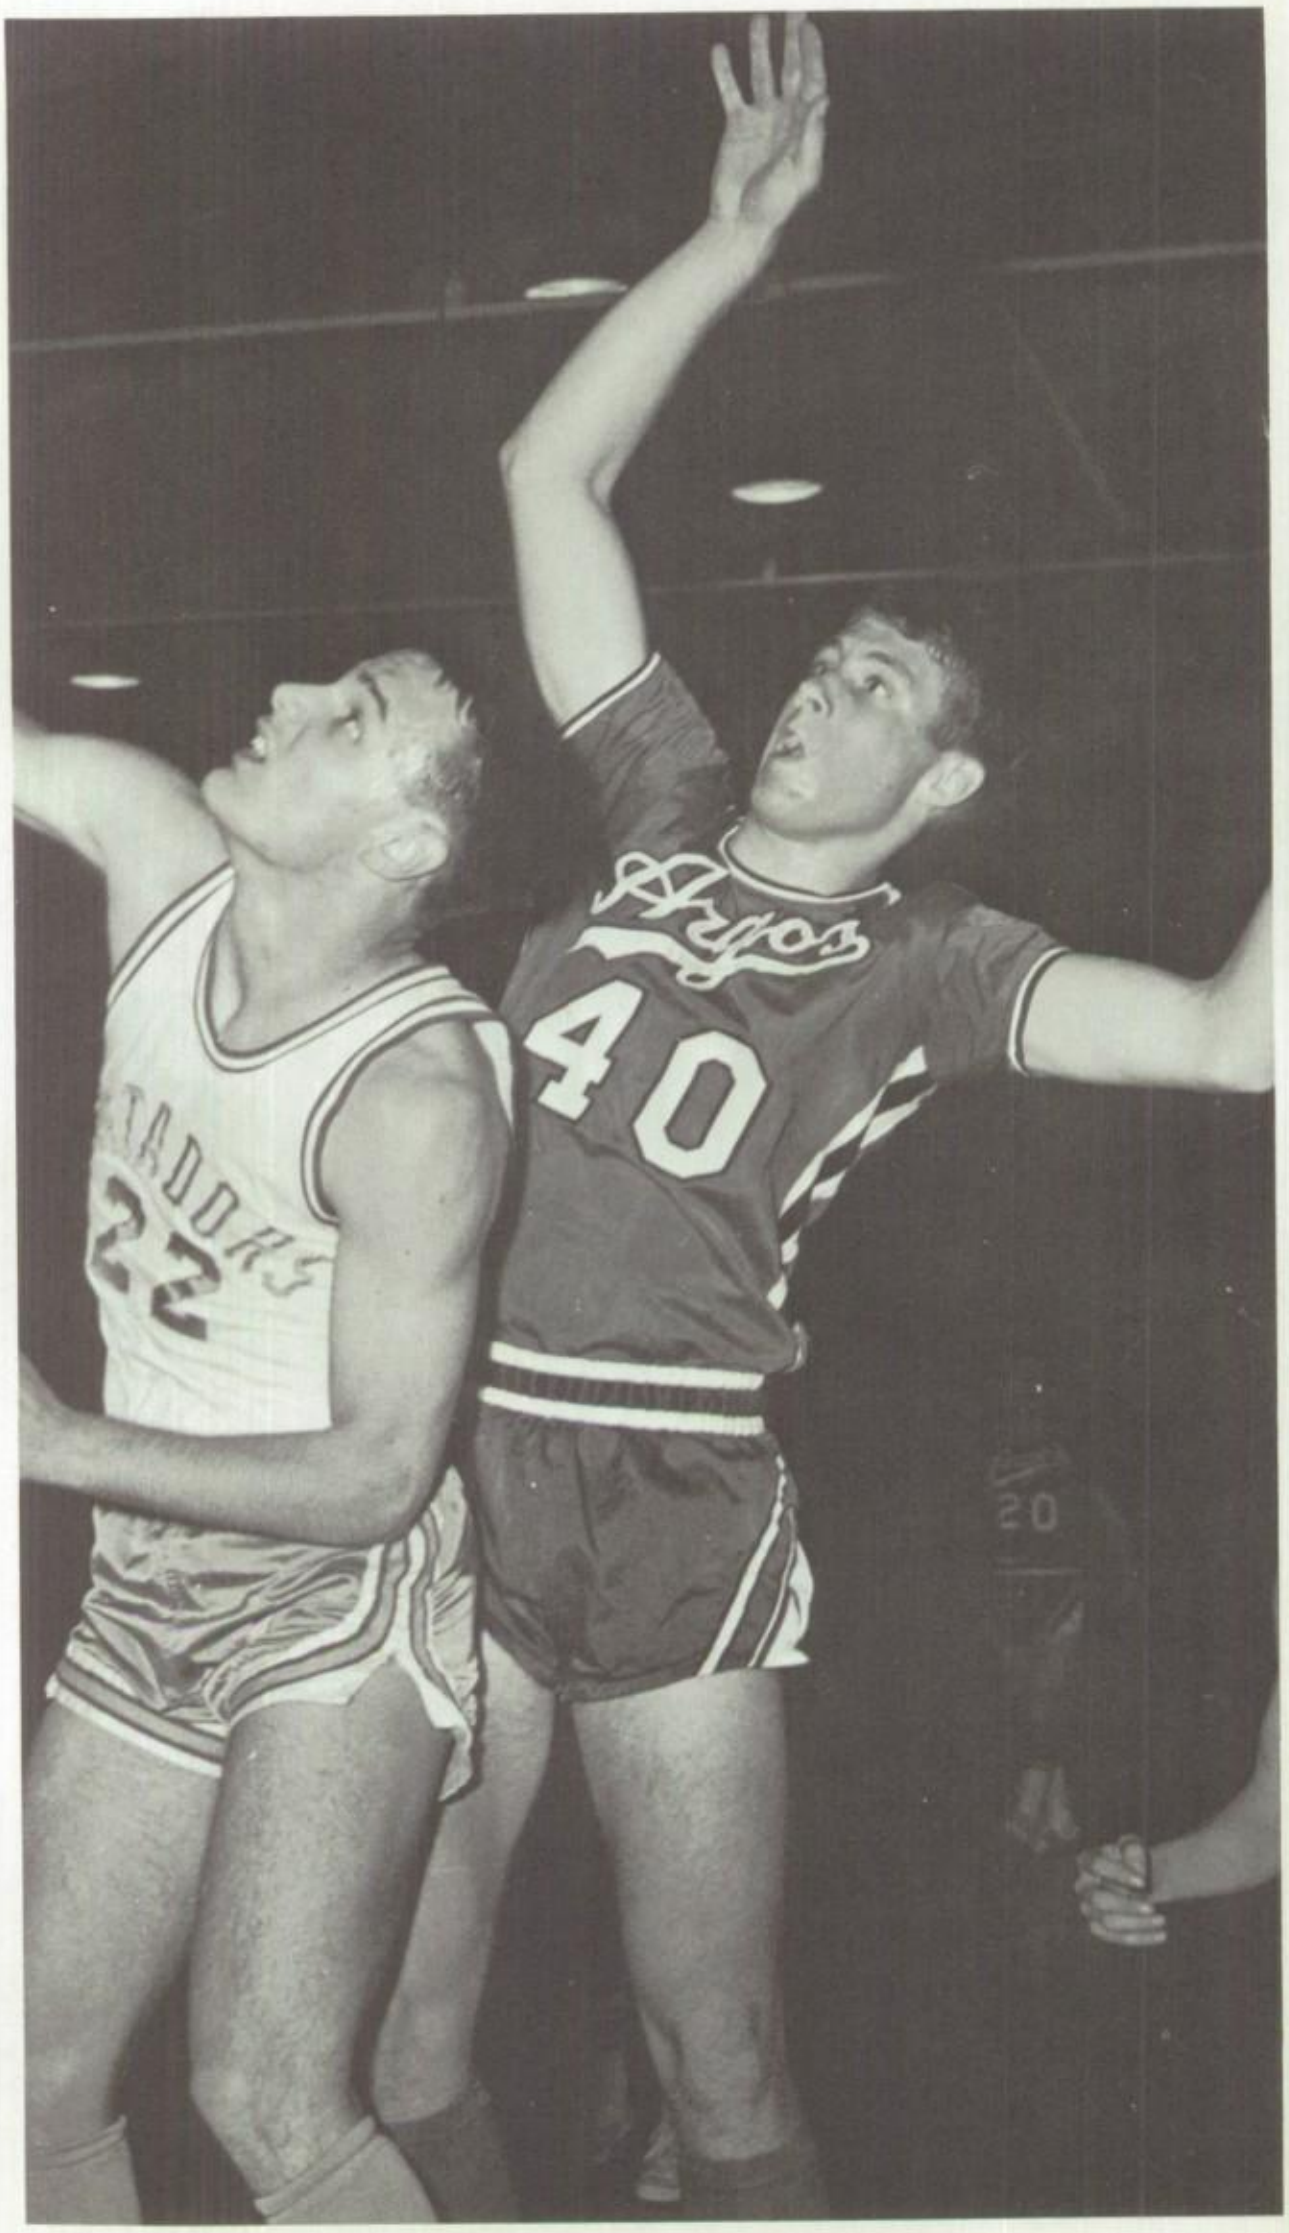
The first Aztec battle ended in a victory for the Argos. Although at halftime the game was tied 19-19, Argos plugged on and finished 44-42. Lead scorers were Bill O'Brien with 12 total points, Randy Lance, 10, and Fred Van der Linde, 10.

The second round saw defeat for GGHS hoopsters. They were behind most of the game with a halftime score of 19-28, and a final score of 42-50. Randy Lance attained highest total points with 18.

SANTIAGO: 45-56 **46-58**

The Cavaliers, who placed first in league competition, over-powered the Argos in both meetings. At the beginning it looked promising since the Argos led at halftime 26-24, but it ended in a 45-46 disappointment.

High scorer 3 of the games were Randy Lance, Bill Morgan, Bill O'Brien, and Fred Miller. The Argos were commended for holding the Cavs to 50 shots.



RANDY LANCE leaps for the rebound against Bolsa Grande's Tom Julian. Randy, a second string all-league forward, scored high in the Matador battle with 9 points and 12 rebounds. His season average was 12 points and 11 rebounds.

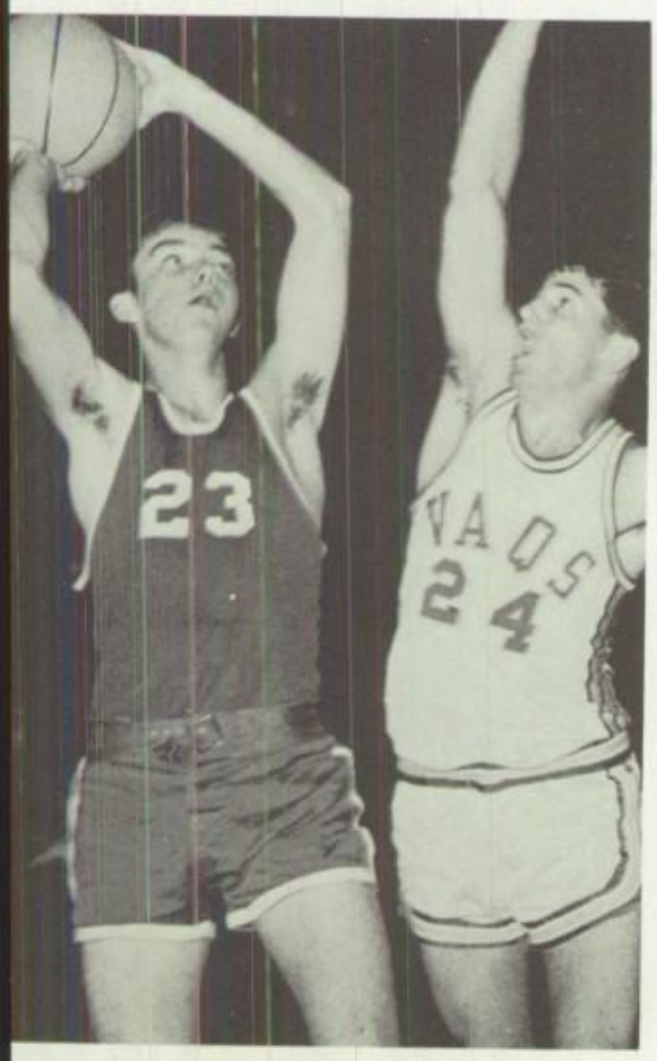
JV's end With 9-15 Record



JV ROUNDBALLER, Mike Boyle attempts a shot as Rancho guard protects his goal.

BOB BECKMAN and Dave Cates were the JV roundballers' most valuable players this year who finished in a tie for fourth place. Size was the biggest problem as they averaged under six feet. Lloyd Herberg was their leading rebounder, averaging 11 a game. Cates and Beckman were the leading scorers with 12 a game.

Swimmers Mark Undefeated League Action; 11-1 Overall

LED BY Captain Richard Cade, the varsity swimming team finished its 1967 season by capturing the league championship at Santa Ana College.

Outstanding performances for the year were turned in by Rich Cade in the 200 and 400 free-style, and the 100 Butterfly—all for school records. Senior Bill Zubrod led the league in the sprint department capturing the 50 and 100 freestyle. Freshman Craig Bowman set a torrid pace in the distance events, and looks like the bright star in the future for the Argonauts.

Freshman Brad Lambert and junior Brad Lilley both did outstanding jobs in the diving area by bringing in many needed points during the season.

Madau Tops Varsity Squad

VARSITY GRAPPLERS had a 6-5-1 record this season. They fared extremely well despite many "young and inexperienced" wrestlers. They tied the La Quinta squad for fourth place in the Garden Grove City League.

Pete Madau, handicapped by a bad hand, had an excellent year with over 20 pins in the 178-pound division. Pete became one of four CIF finalists in the state. He had two pins, one decision, and was himself decisioned, missing the state championship by one point. Said Coach Jack Meltebarger, "Pete is the most outstanding wrestler we've had or ever will have."

Another senior, Tom Gieser promised a great season, but he was sidelined by a broken rib.

Coach Meltebarger added, "Several excellent boys will be coming back." Among those named were Doug Scheel, Harold De Keyser, and Kent Rasmussen. These will be next year's strong points.

JV Team Sets 8-1 Record

THE JV team under the instruction of Mr. Jack Meltebarger and Mr. Rod Carter had an outstanding 8-1 grappling season this year.

Several of the boys did such a fine job, that they were moved up at mid-season and received a varsity letter for their efforts.

Malcolm Poemoceah, Mike Blankenship, and Ron Allen won all of their bouts by either a pin or decision. With the experience gained this year, next year's varsity squad looks very promising.

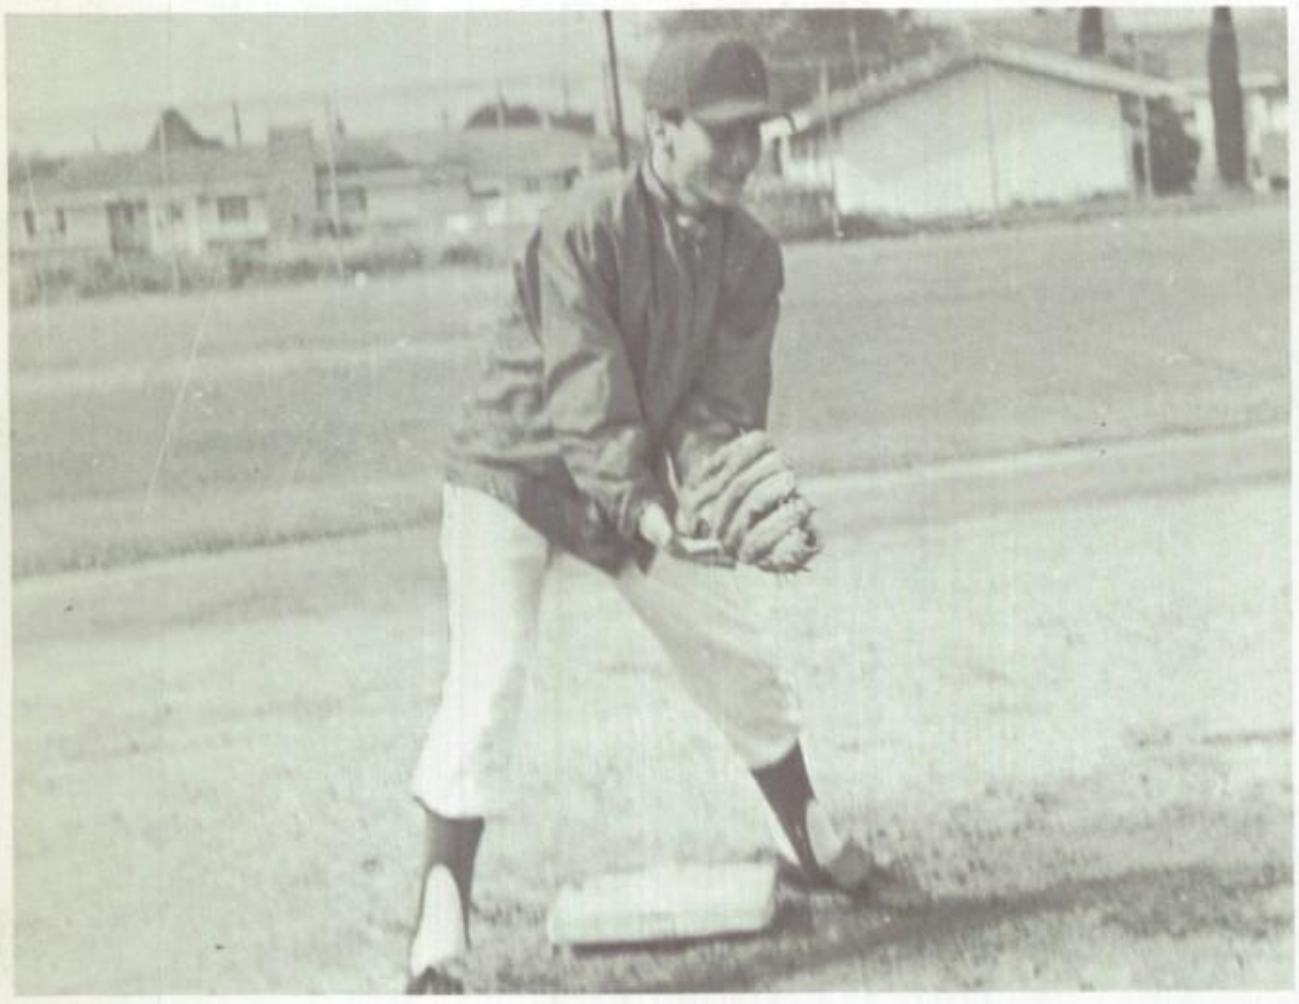
Argos Look To First Place

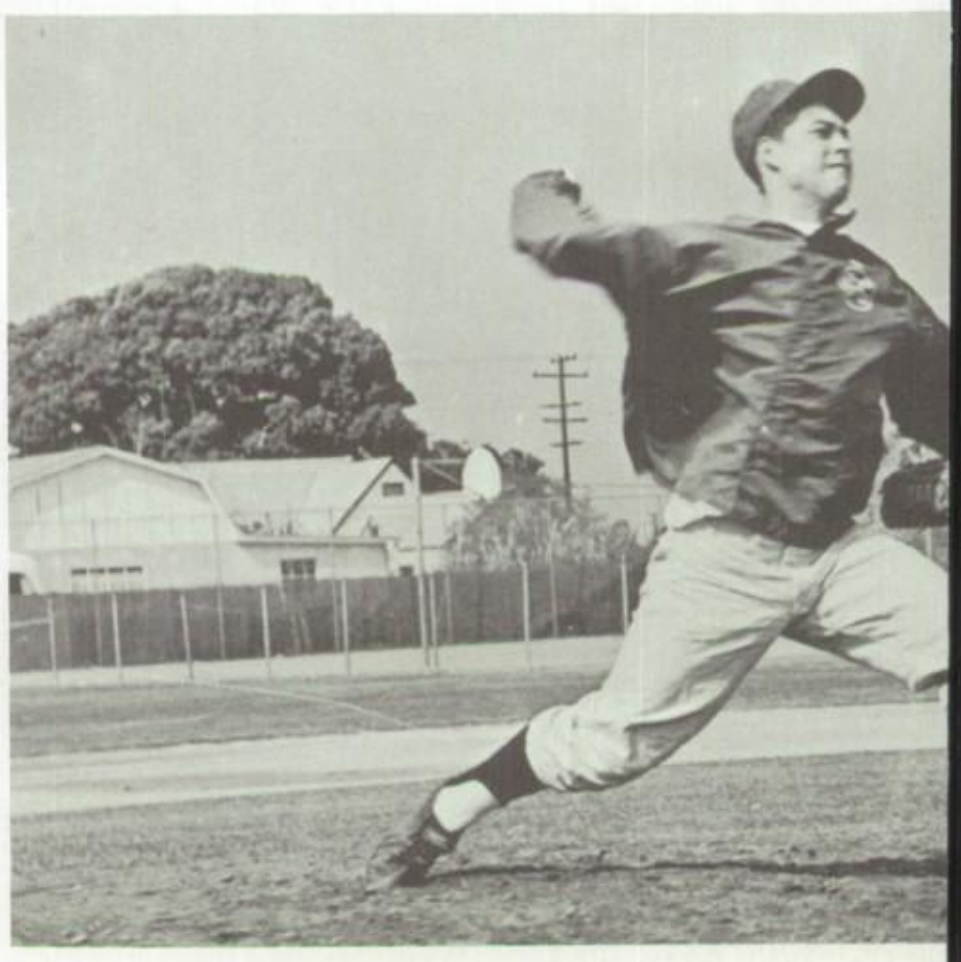


SHORT STOP Merlyn Steffy tags bases to force out opponents. At top he catches it stradling the base, and below he uses scooping effect.

WHEN VARSITY Coach, Dewey Van Cleave, was asked to comment on the current baseball season, he stated that hitting and mental errors are keeping the Argonauts from first place in the City League.

Coach Van Cleave labeled the team's defense as their strong point, with their pitching being adequate. Duane Shaffer is the staff's leading pitcher with a 3-2 record and a no-hitter to his credit.

The leading hitters on the team are Fred Miller batting .357 in league play and Mike Sheline hitting .333, also in league competition. Mr. Van Cleave thinks that Pacifica and Rancho are the two toughest teams the Argos will face, with them having Rancho once more and Pacifica two more times.



PITCHER DUANE Shaffer winds up to throw a strike to th opponent. Duane pitched a one-hitter to win the game agains Orange.

GAA Makes It Big On Campus

COOPERATING WITH the Girls' Physical Education Department in the field of athletics is GAA. The Girls' Athletic Association was established to promote high physical efficiency, good sportsmanship, to develop a higher level of school citizenship and spirit, and to increase athletic ability and interest in spectatorship.

GAA has had a busy year in 1966-67. By sponsoring the Homecoming dance, the GAA Holloween party, a carnival, a Christmas party, continual bake sales, and a Mother-Daughter banquet, and a Father-Daughter banquet, they have created a big name for themselves on campus.

Highlighting the year's activities, was the Christmas Party. The Lettergirls' sponsored a canned foods drive and gave the goods to a needy family. The GAA board went Christmas caroling at St. Josephs Hospital and Orange County Hospital.

Every year GAA gives out a scholarship. The girl who receives this must have earned a certain amount of points given with every sport participated in. Every GAA member tries her hardest to attain this goal and win a scholarship for herself.

Being a member of GAA instills a pride for the school and makes girls more interested in physical fitness.

LETTY ZWEIG, GAA Assistant Publicity Chairman, and Mrs. Sanchez, GAA instructor and Lettergirls' advisor, prepare packages of canned goods that were collected during Christmas for needy families.

HONORS

PART OF the Performance section is set aside to honor people for things achieved. The people who win these honors deserve special recognition because they help to create a better image for the school.

The recognition received by students for these honors is small in comparison with the time and effort involved. There is a price to pay for everything that is worthwhile.

Whether it is the winning of a scholarship, contest, or king and queen title, they are all considered honors to the people who win them, as well as, special recognition for the school and the community.

King, Queen Revealed At Dance

THE ANNUAL freshman orientation is known as the Hello-Daze Dance. Steve Shortridge and Kathy Whitely were chosen King and Queen of the dance. They were elected by the sophomore class.

Steve Shortridge is an active argonaut. He was president of the freshman class the first semester and was a member of the B Waterpolo and the B Basketball teams this year. He hopes to go to the University of Calif. at Santa Barbara and would like to be a doctor.

Kathy Whitely attended Garden Grove for only a short time before transferring to Santiago High School.

Holland, Germany Summer Escapade Related By Debbie Ogden, Rich Cade

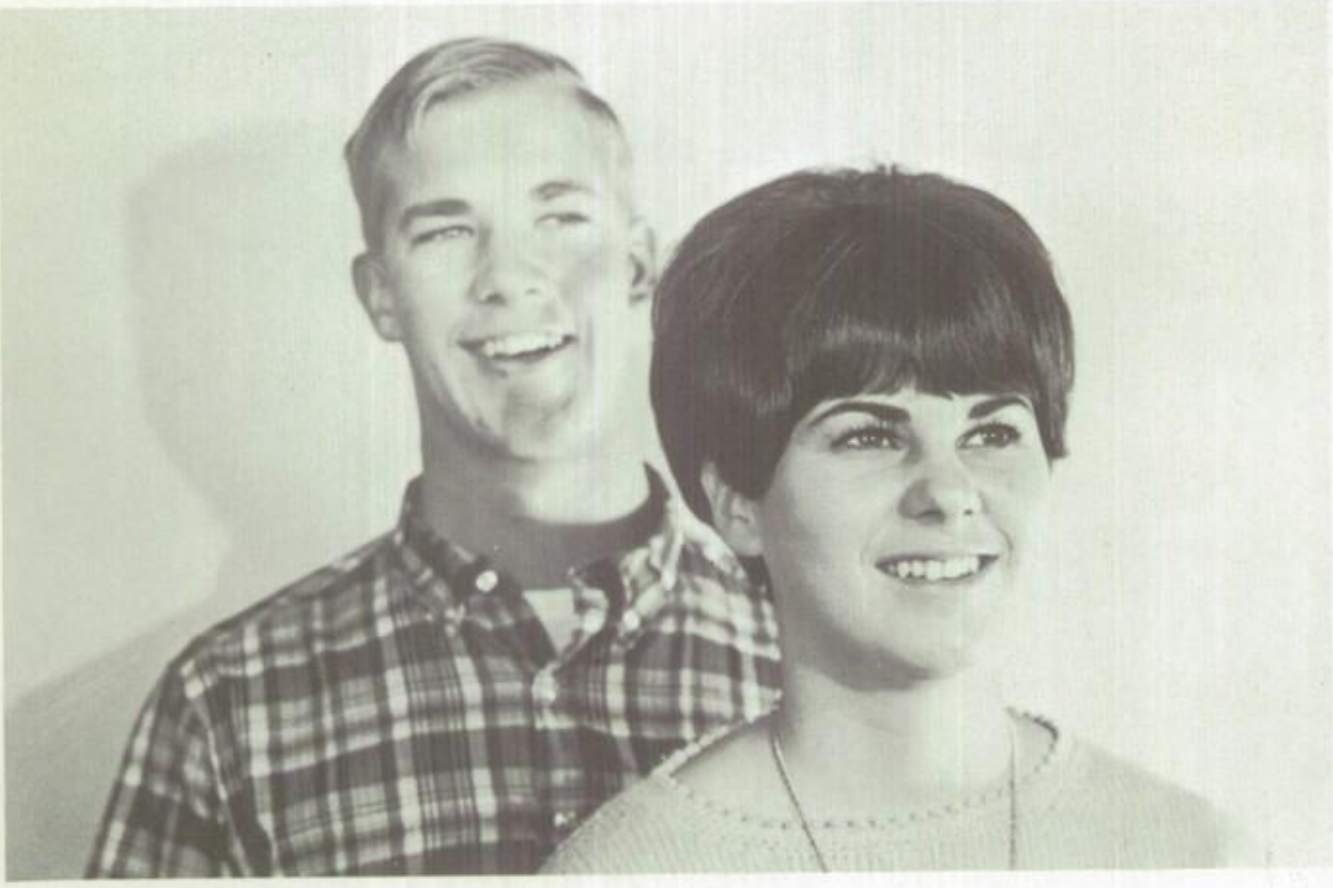
THIS SUMMER Debbie Ogden and Richard Cade had the opportunity to travel to Europe with the Youth for Understanding foreign exchange program.

Debbie lived with the Smits family in Apeldorn, Holland. She visited many parts of Holland and also traveled to such places as Paris, France; Vienna, Austria; and Budapest, Hungary.

Of her trip, Debbie had this to say: "I have learned many customs and the way of life of many countries. I have come to understand the government and the ways the countries are run. I have also learned the feelings of the people toward his fellow man. As a result of this trip, I can honestly say it has been the most wonderful experience of my life."

Rich spent the summer with the Wandersleben family in Bad Lauterberg, Germany. He visited many cities such as Bremen and Hamburg and sailed to Wanerooge Island, a North Sea island similar to Catalina. Rich felt that the highlight of his trip was going to Vienna, Austria.

Rich had this to say about his trip: "More important than seeing sights, this trip gave me the opportunity to meet people, make friends, and begin to understand the German way of life. I was able to cross the distance barriers created by the wars and found out what the average German thinks about his fellow man. Because of this exchange in ideas, because of the fun I had, and because of the understanding of people which I gained, I can truly say this was the greatest experience of my life."



RICH CADE is active as Student Body Vice-President, waterpolo captain, president of Key Club, and a member of National Honor Society and CSF. Debbie is president of Girl's League and is a member of Golden Fleece.

Youth Programs Join Germany And U. S.

UWE WATJEN was born and raised in Bremen, Germany. While living in Garden Grove, he stayed in the home of the Mills'. As far as his own interests are concerned, Uwe likes music, gymnastics, and reading. He stated, "I'm pleased about the attitude of Americans towards foreign exchange students. Everone shows more interest to such exchange programs."

Gunter Pointinger lived with Tom Goodhue and his family. He attended school in Munich, Germany before coming to the U.S. The things that keep Gunter busy are travel, art, foreign language, and skiing. "School spirit is something pretty strange to me," said Gunter. "At home, school is only an institution for learning. I like your campus though, especially the relationship between students and teachers."

EXPRESSING GRATITUDE for their stay in America is Gunter Pointinger and Uwe Watjen. Mr. John Reed, principal, extends his hope and desire that their year at GGHS will be a memorable one.

Grid Stars Honored

AFTER EVERY varsity football game the coaches meet and single out for exceptional performance and overall effort one player as the Player of the Week.

Tackle Russ Wilson became the first Player of the Week for his action in the Bellflower game.

At Monte Vista, Captain Rick Boyer took the honors as guard.

Fred Miller, tailback, noted all season for his extra yardage drives, was named in the West Torrance game.

Captain John Retzer was honored for his performance at end in the Norwalk game.

John Russell, halfback, excelled in the Rancho game.

At the Bolsa Grande game the award went to end Bruce Conroy.

Defensive end and offensive fullback Jon Montgomery starred in the Pacifica game.

In the La Quinta game, Tom Witten was named for his performance at wingback.

Santiago honors went to Darryl Berg, halfback.

Girl's League Selects Calendar Of Top Girls

EACH MONTH the Girls' League selects a girl who, in their opinion, is most representative of all the girls at GGHS. Girls must have a grade point average of "C" and a 2.0 attitude rating to qualify as a candidate. The final girl is chosen on her total appearance, personality, and poise.

Cathy Beitel was selected as Miss October. She was a member of Pep Club and was president of Future Teachers Club.

in November Lyndy Vonic was chosen as Girl-of-the-Month. She served as ASB Assistant Secretary and was a member of the Pep Club.

Randy Borie, Miss December, has been a very active Argonaut. This year she reigned as Homecoming Queen. Randy was also a member of Pep Club.

Miss January was junior Judy Brew. Judy was a member of Campus Life Club.

Kathy Hassard reigned as Miss February. She belonged to Latin Club, Campus Life, and A Cappella Choir.

In March Debbie Ogden was selected Girl-of-the-Month. Debbie has been very active during her four years at GGHS. This year she was selected as "Miss Flame" and was Girls' League President.

Both April Bauman and Linda Nebergall were chosen as Miss April. April was a Flag Twirler this past year and was a member of Pep Club. Linda was a member of Pep Club and the Drill Team.

Kerry Sullivan

IN THE 21st Annual Scholastic Art Awards Contest held February 25 thru March 10, Donn DesChaine and Gary Butte won Gold Keys and were Blue Ribbon winners in the painting category.

DesChaine's and Butte's paintings were chosen from 9,000 entries which were taken from all the schools in the eight neighboring southland counties. 300 of the 9,000 entries were awarded Gold Keys. From that 300, 200 more were picked as Blue Ribbon winners for being superior.

Four other Argonauts were given Certificates of Merit for being in the top 1,000. Junior Gary Heathcoat, in the crafts category, received a certificate for a silver ring which he made. The other three students who won were Dorothy Farley, Kerry Sullivan, and Ginelle Johnson, all of whom were seniors. In the commercial art category, Farley made a page layout for a magazine and Johnson made an ink rendering. Kerry Sullivan won his certificate for a black and white ink drawing of a figure he made.

In a poster competition titled "Youth for Progress" sponsored by the Orange County District of Women's Civic Clubs, there were three winners from GGHS. Sharon Mortensen received an award for being the "Best in Orange County" and the "Best in California" Mike Salas took second place in Orange County and Bill Zubrod took third.

NHS, CSF Members Capture Bank Of America Trophies

EVERY YEAR, a list of Seniors are selected by administrators and department heads to receive awards from the Bank of America Awards Achievement Program for outstanding merit and achievement in particular fields. These fields are split into two divisions: general and specific. The winners in the former category receive plaques, while those in the latter division, certificates.

Besides being picked for excelling in their particular fields, these seniors also were chosen on the basis of such items and credits as service to the school, partaking in club and school activities, and others along that line. Invariably, grades are taken into consideration as well. Each of the previous items mentioned contribute to the campus and social life of an individual attending a high school, and are looked upon as desirable in the future.

Each one of these students that has received awards is not only a credit to themselves, but to their fellow classmates, teachers, and administrators, and, on the whole, their school. These awards are not won easily by any means, and the people that have won can probably vouch for that.

The winners in the general fields category were Craig A. Mills, science and mathematics; Douglas D. Riddle, fine arts; Richard M. Cade, liberal arts; and Cathleen R. Beitel, vocational arts.

In the category of specific fields, these receiving awards were Clayton A. Wardell, mathematics; Edward J. Ralston, laboratory science; William K. Griffiths, music; Carol A. Boertje, art; Bonnie M. Dillingham, drama; John A. Lucy, English; Thomas W. Goodhue, social science; Virginia L. Mortenson, foreign language; Karen C. Talbot, business; Carol M. Palmer, home economics; and Michael A. Wall, trades and industrial arts.

CGHS—Takes Cypress Sweeps

THE COMBINED musical effort of GGHS drill team band, and flag twirlers took First Place Sweepstakes Trophy in the Cypress "Founder's Day" Parade held February 18. Several southland schools entered teams in the competition.

The band, drill team, and flag twirlers also participated in individual competitions over a mile long parade route. The band and flag twirlers, led by Drum Majorette Judy Smith and under the direction of Mr. David Anthony, took the award for "Best Musical Unit" in the parade. In the drill team competition, the Titan took third place.

Baton Twirler Jill Brunt was rated excellent for her performance. A good rating was achieved by Drum Majorette Judy Smith.

Seniors Capture Competition

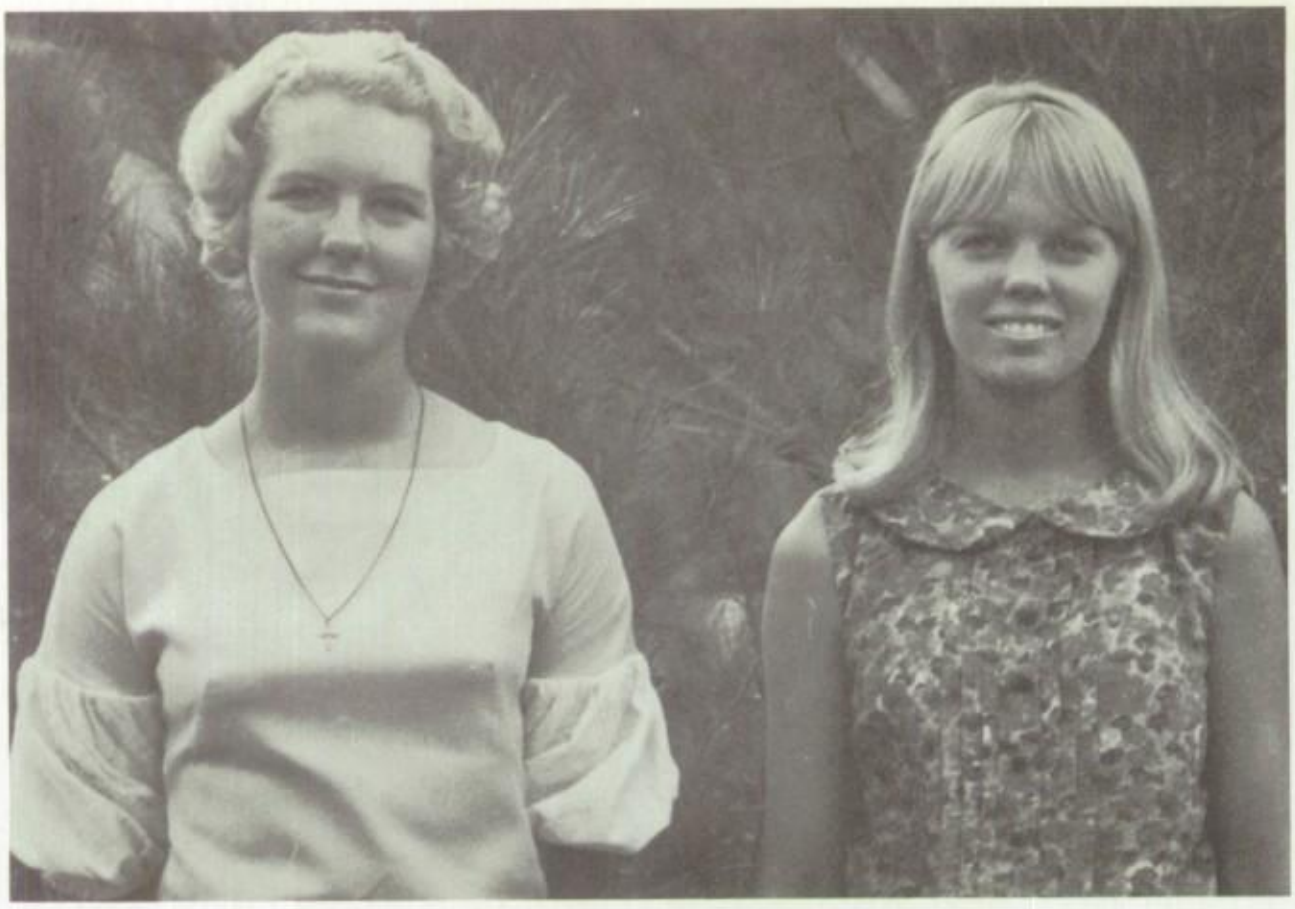
AT THE beginning of the year, the student body was given its first opportunity to display school spirit. On Sept. 12, class competition involving yearbook sales began. The contest ended Sept. 21. During this time, the **Argonaut** was sold on campus and all four classes vied for the highest sales percentages.

The results were tallied and it was found that the Senior class was the winner, with 65% of the students buying annuals. The Juniors had 49% participation, the Sophomores had 55%, and the Freshmen were last with 48%.

ARGONAUT EDITOR Sandi Owen hands Senior class president Bill Rapp the certificate his class earned for having the highest percentage of sales.

LEEANN ANDREASEN feverishly writes out receipts for waiting Seniors. Standing in line are Mike Salas, Dorothy Farley, Cathy Beitel, and Penny Perkins.

Dillingham, Peterson, Wurster AFS Finalists



AMERICAN FIELD Service Finalists Margaret Wurster and Bonnie Dillingham hold high hopes of going to Europe either to spend a summer or as students.

A TRIP to Europe is on the "likely-to-come-true" list for two Argonaut coeds, Bonnie Dillingham and Margaret Wurster.

They have been selected as finalists for the American Field Service Program. If, when their applications are submitted to the main program office in New York, they are accepted, Margaret and Bonnie will become the foreign exchange students for the Garden Grove district. This would mean that both girls will travel separately to a determined country in the Northern Hemisphere and spend anywhere from three months to a year studying abroad.

Bonnie Dillingham is a senior at GGHS. She has been active in the American Field Service Program for the past three years and served as the organization's vice president this past year. She was also an active member of the Pep Club, CSF, Thespians, and the Honor Society. Other activities include NFL, recorder for the Speech Club, and several off campus drama groups.

LeeAnn Peterson

Drama is the main interest in Bonnie's life at the present. During the summer last year, she took part in a traveling theater group. On campus she has appeared in "Exit the Body," "Music Man," and "Our Hearts were Young and Gay."

The reason Bonnie gave for her desire to travel and study in Europe is "to get to know more about the people, their culture, and their way of life."

Margaret Wurster was a junior at GGHS and was an active member of the Titan Drill Team, CSF, and Pep Club. She was also elected Girls' League President for 1967-68. As the junior candidate for foreign exchange student, Margaret had three possible destinations in her travels. She can take part in the school term program which includes an entire year of study in a foreign country of the Southern Hemisphere, or she can be in the same program for the Northern Hemisphere. Her third possibility would be the summer program which lasts three months.

Off campus Margaret belongs to a church guild. She teaches piano every day after school and has been taking piano lessons herself for eleven years.

This summer LeeAnn Peterson is going to Holland as a foreign exchange student. She will leave at the end of June and will return in late August or early September.

In order to become a foreign exchange student she was required to write an essay about herself and pass an interview. Her application was then sent to Ann Arbor, Michigan for final approval.

During her senior year, LeeAnn was a member of Golden Fleece, Thespians, and the Drill Team.

AT THE Rolling Hills Invitational Debate Tournament Tom Goodhue and John Lucy placed third in debate. The tournament was held in December. Tom also won the fourth place Outstanding Speaker Award in that tournament.

Math Team Places Second In OC Inv.

IN THE Orange Coast College Invitational Math Meet, GGHS's team, composed of Craig Mills, Ray Chandos, Alan Wardell, and Terry Niksch, placed second. Craig Mills was the second place individual winner.

At the Pomona Invitational Math Contest Craig Mills, Ray Chandos, Alan Wardell, and SukChoo Kim made up the team which was selected as a finalist. The team placed fourth among fifty-five high schools competing.

Craig Mills, at the University of Santa Clara High School Math Contest, received honorable mention among 434 high school students throughout the U.S. He placed among the top nineteen students taking the exam.

BUSINESS

The Following senior girls received a certificate and bracelet charms for the Gregg 80 dictation/transcription for five minutes: Beth Hender, Frances Peterson, Pat Prigger, Karen Talbott, and Lorna Tudor.

ENGLISH

Juniors nominated for the N.C.T.E. National Achievement Awards in English were Mary Carroll, Howard Eno, Terri French, and Margaret Wurster. Nomination was based on standard test ratings, grades in English, and teacher recommendations.

Five creative writing students will have their poems published in the spring edition of the national anthology. They are Jeffrey Bailey, Tom Goodhue, Mary Carroll, Misha Menkal, and Sally Graetz. Jeff and Tom received awards of special merit.

Richard catches his breath after a victorious performance. (right).

Kelly Chosen Junior Miss

FOR THE third year Garden Grove High School was honored with having the holder of the Garden Grove Junior Miss title as an Argonaut. This year, senior Kelly Carroll merited the title in the November 6 pageant.

A junior miss is the ideal senior girl and the standards she should represent. She is judged according to mental alertness, scholastic achievement, physical fitness, poise and appearance, and talent presentation.

Kelly sang a Negro spiritual entitled "Morning Train" for her talent presentation, and accompanied herself on the guitar. She is a three year member of Concert Choir on campus and has been playing the guitar for the past five years.

Kelly stated at the outcome of the pageant, "It was a tremendous experience meeting fifteen wonderful girls from all over Garden Grove. They were all winners in the true sense of the word."

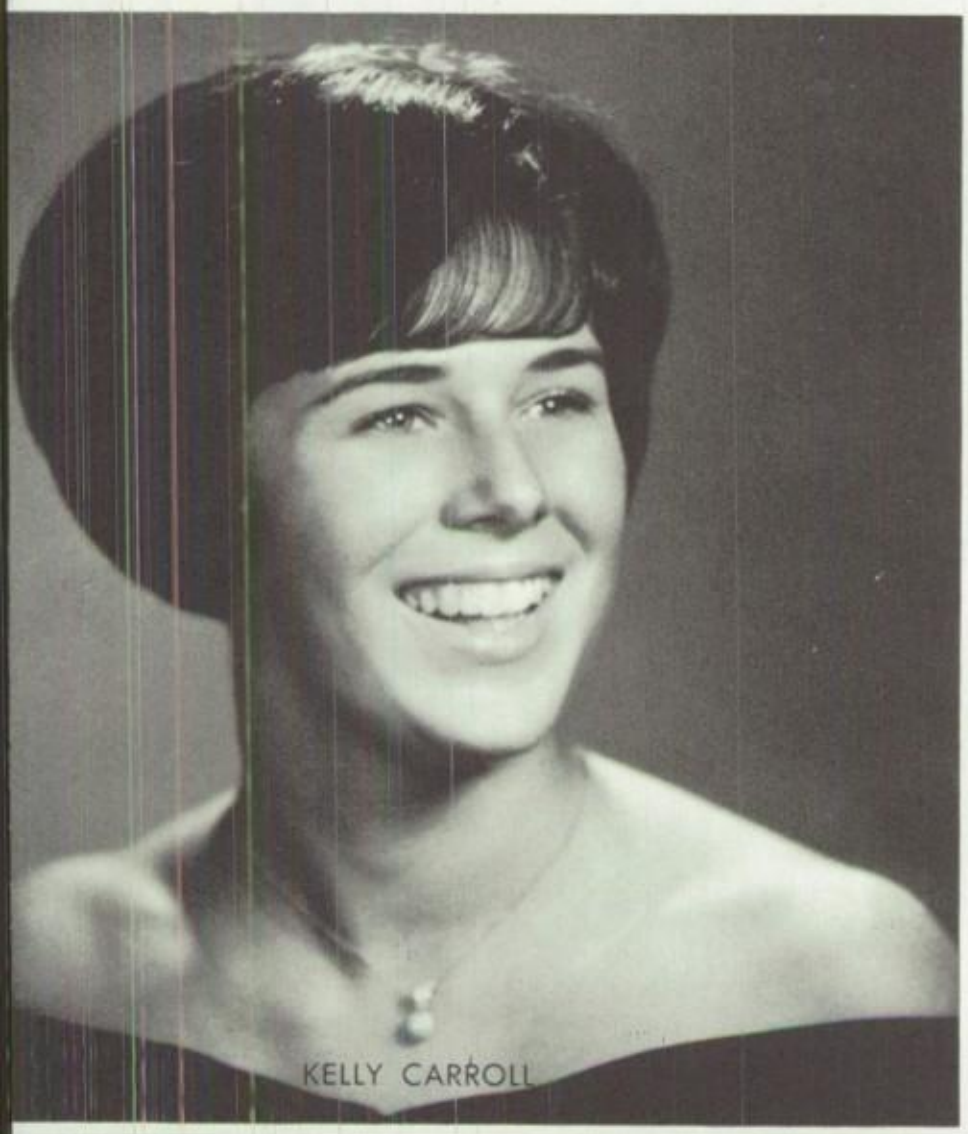
Other senior girls who competed in the Junior Miss Pageant from GGHS were Terry Homewood, Donna Clark, and Wendy Woodcock. Terry was the president-leader of the Drill Team. Donna was the editor-in-chief of the **Argolog** and Wendy was the president of the Argo band.

Jackie, "Homemaker Of The Year"

JACKIE DICKSON was awarded the Betty Crocker Homemaker of the Year award at Garden Grove High School this year. Competition involved taking a written exam over various household facts and figures. The test included a series of questions and an essay.

Jackie was in the Pep Club and Diakonoe Club. She was also editor of the activities section on the annual staff. When asked how she felt about winning the Betty Crocker Homemaker of the Year award Jackie said, "I was really happy! The funny thing is, I've never had a single class of homemaking in all my life!"

Carroll, Cade Rate 'Most Worthy' Argonauts



KELLY CARROLL

MOST WORTHY Argonaut, the highest all-around GGHS award, was given to Rich Cade and Kelly Carroll at the Awards Assembly held Thursday, June 8. The recipients of the award each received a trophy.

Cade, who served as foreign exchange student to Germany, has likewise been a four year scholar of the quarter. This year he also received the nation's All-American Water Polo award. In the final analysis, Rich leaves a record of devotion to the student body and the school.

Carroll also exhibited unselfish and excellent attention to all aspects of student body service. Kelly served four years as a member of GAA and was also Garden Grove's Junior Miss.

Each, of the six candidates were rated according to scholarship, citizenship, activities, and service to GGHS. Final selection was made by the Administrative Council.

CLUBS

THE INTERESTS of a student are brought forward through the organizations on campus. They also create new interests for students.

Clubs create a more well rounded student. They give the students an interest, to break up the monotony of school life.

Besides the recreational and social aspects, worthwhile and needful projects are planned to bring betterment and honor to the school and community.

ICC Directs Club Activities

AT A typical ICC meeting, Lyndee Dossey, Dianne McNamara, Pam Burton, Kelly Carroll, Doug Riddle, Bonnie Dillingham, Ed Ralston, and Diane DeMeneces plan coming activities.

INTER CLUB Council is one of the most important clubs on campus. The main purpose of ICC is to co-ordinate all clubs on campus. ICC also works to encourage clubs to stay active by suggesting various activities and money-making projects.

ICC takes charge of the service points system and plans the Service Awards Banquet in the spring. This banquet is for the top 100 students with the most service points.

Doug Riddle is the Inter-Club Council chairman. Pam Burton, assistant ICC chairman, is in charge of the ICC board.

Diakonoe Sells Candy Canes

DIAKONOE CLUB, sponsored by Mr. Wayne Gibson, endeavors to serve the school.

This year the club has ushered at football games, school plays, baccalaureate, and other activities.

At Christmas, members sold candy canes. Money from the sale was used for a gift to the school.

In past years the club has donated several books to the school library. Contributions have also been made to various other departments.

Key Acts

HO! HO! HO! said Bill Crawford as he played Santa Claus when the Key Club gave their Christmas party at Fairview Hospital.

The giving of a Thanksgiving basket to a needy family was another one of their big projects for the year. They also sponsored the first weekly noon activities which were, frog races, tricycle races, pie throwing at a teacher and turtle races. Another one of their activities was the monthly naming of a "sweetheart."

Debaters Triumph

POSSIBLY MOST vocal of all clubs on campus is the Speech Club. This year the club has ably represented GGHS in the Tustin high tournament Oct. 29 and in a special tournament for returning varsity debaters, Nov. 5.

First place honors were taken by Gunter Pointinger, exchange student, in the Orange Co. Speech League, Nov. 28.

Art Club Designs Booster Tags

BOOSTER TAGS during football season provide most of the income for the Art Club. In the past the club has initiated and paid for the emblems and slogan inside the boys' gym. Last year they joined with the Golden Fleece to have the school emblem painted on the girls' gym. In addition, the club provides for three senior art awards for the outstanding graduating art students.

Art Club consists of students interested in art. The purpose of the club is to provide group activities, such as sponsoring and supporting art activities, service to the school, and social activity for students with like interests.

Future Teachers Visit USC

SINCE THERE wasn't any Future Teachers Club on campus last year, there was much organizing to be done. There wasn't any money left in the treasury, so the first activity was for raising money. The members sold suckers on campus.

In December, the members of the club were invited to a conference at the University of Southern California.

Various activities of the Future Teachers Club were discussed. There was a tour and movies of the SC campus for the visiting students.

During the spring, the club observed teaching in classes at Lincoln Elementary School.

Foreign Exchange Acquaints Students

FOREIGN EXCHANGE Club is made up of students who wish to learn about other countries. Foreign students give talks about their native lands and American students tell of foreign lands they have visited.

The purpose of the club is to interest students in countries abroad. The club is a mixture of AFS, Youth for Understanding, and other organizations. It is these organizations that find homes for traveling students.

FHA Shows Fashions

THIS YEAR'S major FHA function was the fashion show held Jan. 10. Several different countries from around the world were represented by colorful native apparel. The show was open to parents, teachers and girl students. Refreshments were served after the program.

The Christmas project was making candles. They each sold for one dollar and brought fifty cents profit.

All girls in homemaking classes are eligible for membership in the Future Homemakers of America.

Language Clubs Adopt Themes

ON MARCH 15, a cast of club members recreated Caesar's assassination in the play Exitum Caesaris, which means "the exit (or death) of Caesar."

The traditional Roman banquet was held in April at which time new members, acting as "slaves," served the meal. Several skits were given after the dinner and a "Toga Hop" climaxed the evening.

FRENCH CLUB initiated new members at a Mardi Gras on Feb. 8. Members vied for best costume honors and a prize was awarded the winner. Entertainment was supplied by a French radio program and slides. Meetings were highlighted by French films, often with French speakers.

Club Aids Yearbook

BUSILY PENNING a poster announcing the Golden Fleece presentation of "Operation Crossbow" are Gail Thompson and Margaret Wurster.

THIS YEAR Golden Fleece has helped the Publications department in raising money for the yearbook, by sponsoring several films including "Operation Crossbow" and "The Fall of the Roman Empire." These films were open to students and the public in the Argo Theatre, at a small donation.

Golden Fleece is an honorary society for students who have given outstanding service to their school. Juniors and seniors are selected by faculty members, the administrative council, and the club sponsor.

GOLDEN FLEECE—Front Row: Glory Spear, Gail Thompson, Stephanie Szalay, **Vice-president Linda Waterhouse, Treasurer Sue Fry,** Donna Clark . . . **Second Row:** Wendy Woodcock, Sydney Andrews, Cindy Madieros, Margaret Wurster, Terri French, Karen Budrovic, Meg White, Jan Waddill . . . **Third Row:** Warren Bayard, Lyndy Vonic, Kelly Carroll, **Secretary Debbie Ogden,** Pam Burton, Sue Pedersen, Bill Rapp . . . **Back Row:** John Hines, **President Bill Griffiths,** Gunter Pointinger, John Lucy, Uwe Watjen, Bob McDonald, Tom Goodhue, Doug Riddle.

Clubs Join Forces;

"IT'S A raid!" Cleaning out the dice tables and the roulette wheels are Gail Thompson, Frances Peterson, Patty Pape, Colleen Thomas, Bonnie Dillingham, and Kathy Pape. Would you believe it's the Golden Fleece and Thespian's cleanup project? In one week the basement of the auditorium was transformed into a small stage and four rooms to place costumes, small props, large props, and scenery.

Clean Theater Cellar

PICTURE FRAMES are shifted Mrs. Romayne Davis and Bonnie Dillingham.

SPRING HOUSECLEANING took place several weeks early on the GGHS Campus. The Golden Fleece Club joined forces with the Thespians to revamp the basement of the Argo Theatre.

Lumber, old furniture, carpeting and other stage props were moved, transforming messy storage compartments into neat "walk-in" closets. Still usable articles were arranged in orderly fashion and the "junk" was quickly disposed of.

Hard-working members came in jeans and sweatshirts to wash walls, paper shelves, and set up costume indexes and make-up areas. The largest and messiest portion of the basement was cleared to make room for a workshop where scenery could be built.

THESPIANS—Front Row: Lynette Martin, Kathy Pape, **Secretary Laura Millenson**, Nanette Martin, Patty Pape . . . **Second Row:** Sally Sutter, **Vice-president Frances Peterson**, Sydney Andrews, **Treasurer Karen Penlick, President Bonnie Dillingham** . . . **Third Row:** Dale Fast, Kathy Doss, Colleen Thomas, Wendy Woodcock, Charles Beebe . . . **Back Row:** Monty Harrison, Kermit Sprang, Bill Hoganson, Bobi Voigt, Jim Lemon, Doug Riddle.

Thespians Perform

IN ORDER to raise money this year, the club presented a children's play to various elementary schools in the district. The play was entitled "Spoofy Doof's Funny Bone." The Thespians also sponsored other activities on campus.

The Thespians are a branch of the National Thespian Society. "Thespians" are actors named after the Greek dramatist Thespus.

"**OBEY ME** or you die," says Dale Fast surrounded by his adoring slaves, Bobi Voigt, Karen Penlick, and Colleen Thomas in a scene from a Thespians play.

Library Science Assists

RESPONSIBILITIES OF Library Science members include arrangement of desks, the daily shelving of myriads of books, and indexing hundreds of volumes by the Dewey decimal system.

In learning the basics of library operation, members devote hours to typing pockets for book cards, checking and cataloguing new issues of various magazines, covering books with plastic protective covers, and transferring file cards into catalogues to keep them up to date.

Library Science students are vital to the efficient operation of the GGHS library.

LIBRARY SCIENCE—Front Row: Carol Palmer, Ken Jones, Carol Holmstrom . . . **Second Row:** Margaret Brennan, Nancy Margulieux . . . **Third Row:** Pam Williams, Sherry Mowles, Linda Dussault . . . **Back Row:** Susan Vermeersch, Shirley Liaboe.

Explorers See 'Big Operations'

MEDICAL EXPLORERS—Front Row: Council member Rosemary Spino, Sue Robertson, Terri Lonski . . . **Back Row:** Dion Tomka, Linda Eaves.

THE MEDICAL Explorers Club was formed for students interested in careers in medicine. The club met at Palm Harbor Hospital and helped out with the hospital curriculum.

Members have witnessed operations performed by some of the best physicians in Orange County. They also learned to use and maintain various types of equipment necessary to keep a hospital in operation.

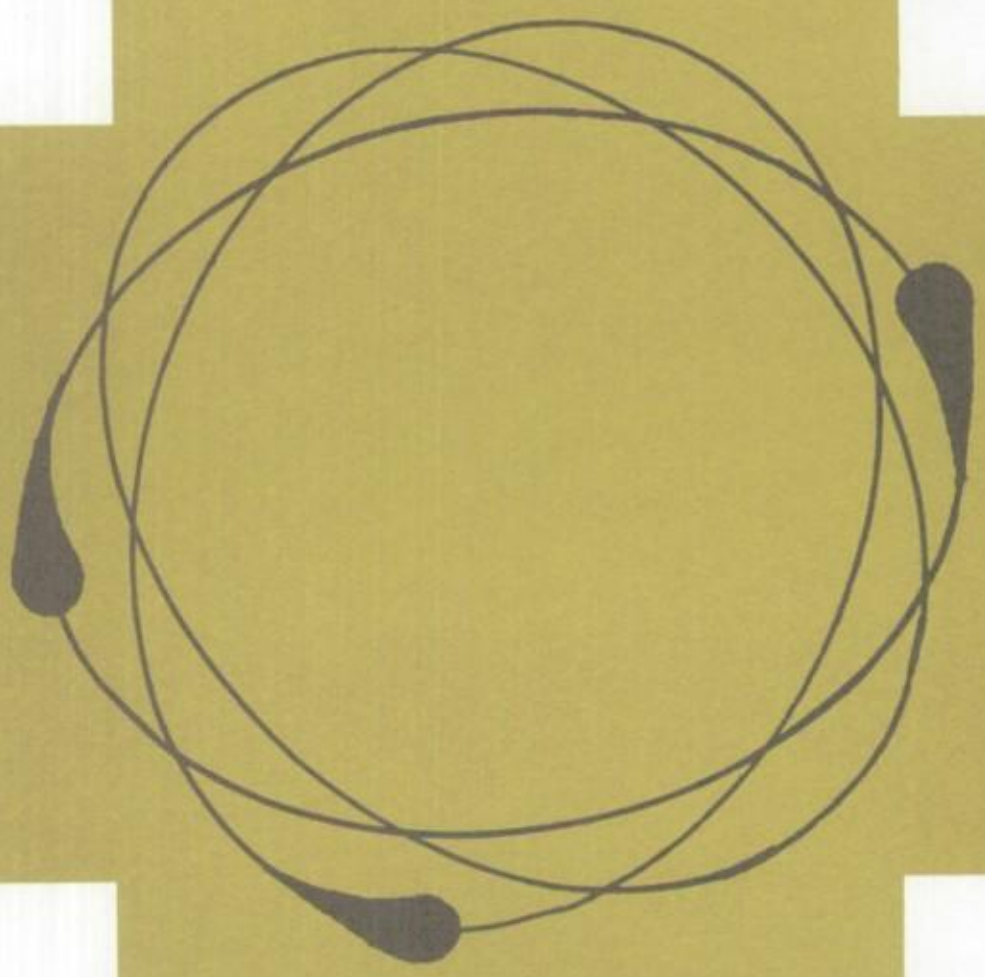
Several guest speakers and movies have supplied entertainment at meetings.

THE MAJOR purpose of a high school is to prepare its students for their future, whether it be for a college education, a business profession, or as a homemaker.

Each class, freshman, sophomore, junior, and senior, strives for superiority. This class competition helps build up a strong school spirit.

Businessmen in the community strive for an unusally good quality or feature in their products. In the Ad section of the yearbook, these businessmen have the opportunity to promote and display their products.

The "Pursuit of Excellence" is another way in which the students, and the businessman, express Emulation, or the desire to excel.



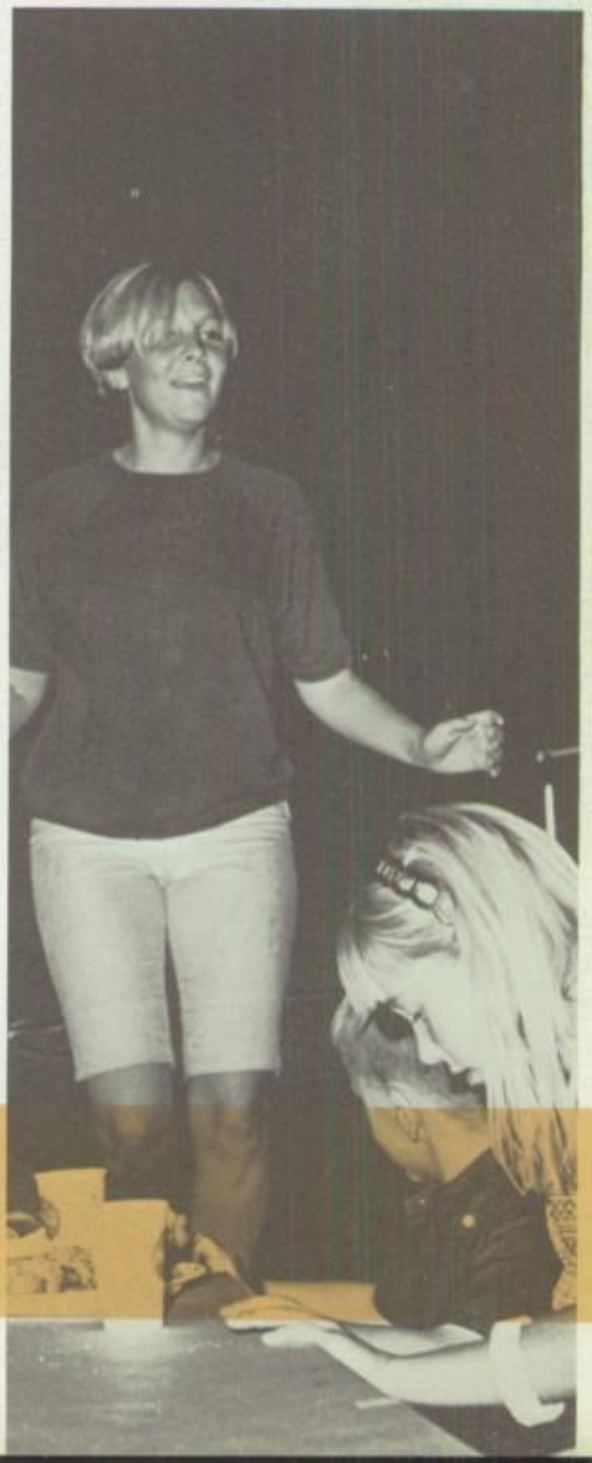
PURSUIT OF EXCELLENCE

SENIORS

THROUGH A students entire twelve years of schooling his senior year is almost always the most important. Every year he pursues excellence and soon he will be on his own, testing his practical knowledge in the world.

The senior year is not all hard work and study, though. He will always look back and recall graduation, senior picnic, senior assembly, senior privileges, and, of course, the senior all-night party.

Twelve years have helped to mold character, citizenship, and excellence.



Seniors Rule In '67

BILL RAPP
President

"WITH EVERY Senior's help, the Class of '67 ruled the school," said Bill Rapp senior class president about a victorious homecoming.

This years Senior Class officers, along with the Senior Advisory Council, including Cathy Beitle, Robyn Best, Rick Boyer, Rich Cade, Kathy Callahan, Bruce Conroy, Sue Ellis, Linda Golenpaul, Bill Koepke, Sue Pedersen, Al Petrilla, Stephanie Szalay, Cindy Viviano, and Linda Westover worked to plan the senior activities consisting of the breakfast, picnic, assembly, and all-night party. They also helped the Junior Class plan the Jr. Prom. The lunch line, parking lot, and senior sanctuary were some of the other privileges attained. Graduation and baccalaurate were also among their other duties.

"Pride, participation and the true spirit of the Class of '67 has led the seniors on to a successful year," was Bill's view on this years senior class.

Grads Obtain Key; Open Success Door

THERE STANDS a door in the pathway of every senior. It is an ordinary door, but it is locked and therefore arouses curiosity. Peeking through the keyhole, a distant image is seen—success. Since everyone is interested in attaining success, a way of entering must be devised.

June 16 marks the happening. With his diploma, each senior receives a magic key to open his door of opportunity and reach success. Now is the time; for opportunity knocks but once.

THE TRUE benefit one receives from all school experiences will be largely up to each individual. It is a distinct privilege to become part of GGHS.

Opportunities surround the mainstay of class organization through athletics, course studies, and social activities. The spirit of pride in one's performance in striving for excellence in these areas permeates the whole community.

The image of the student body answers to the opportunity of becoming part of a wonderful and growing heritage which surrounds GGHS.

Juniors Peddle Ribbons

JUNIOR'S HAVE Seniority was the chant that the junior class used to lead the school to one of the most spirited assemblies in many years, which occurred during Homecoming. A rummage sale was the biggest single fund raising activity in homecoming. It totaled $565! A few odds and ends and a 1928 refrigerator were the only things not sold. Many hard hours were put into this activity. A ribbon sale was the second activity. Over 500 ribbons were sold to the freshmen, (Freshman are the Bestmen); sophomores, (Green Orb Forever); juniors, (Juniors Have Seniority) and seniors, (Red Fang Rules) "The Night of January 16th," by Ayn Rand, was presented by the Junior class on March 2nd, 3rd and 4th.

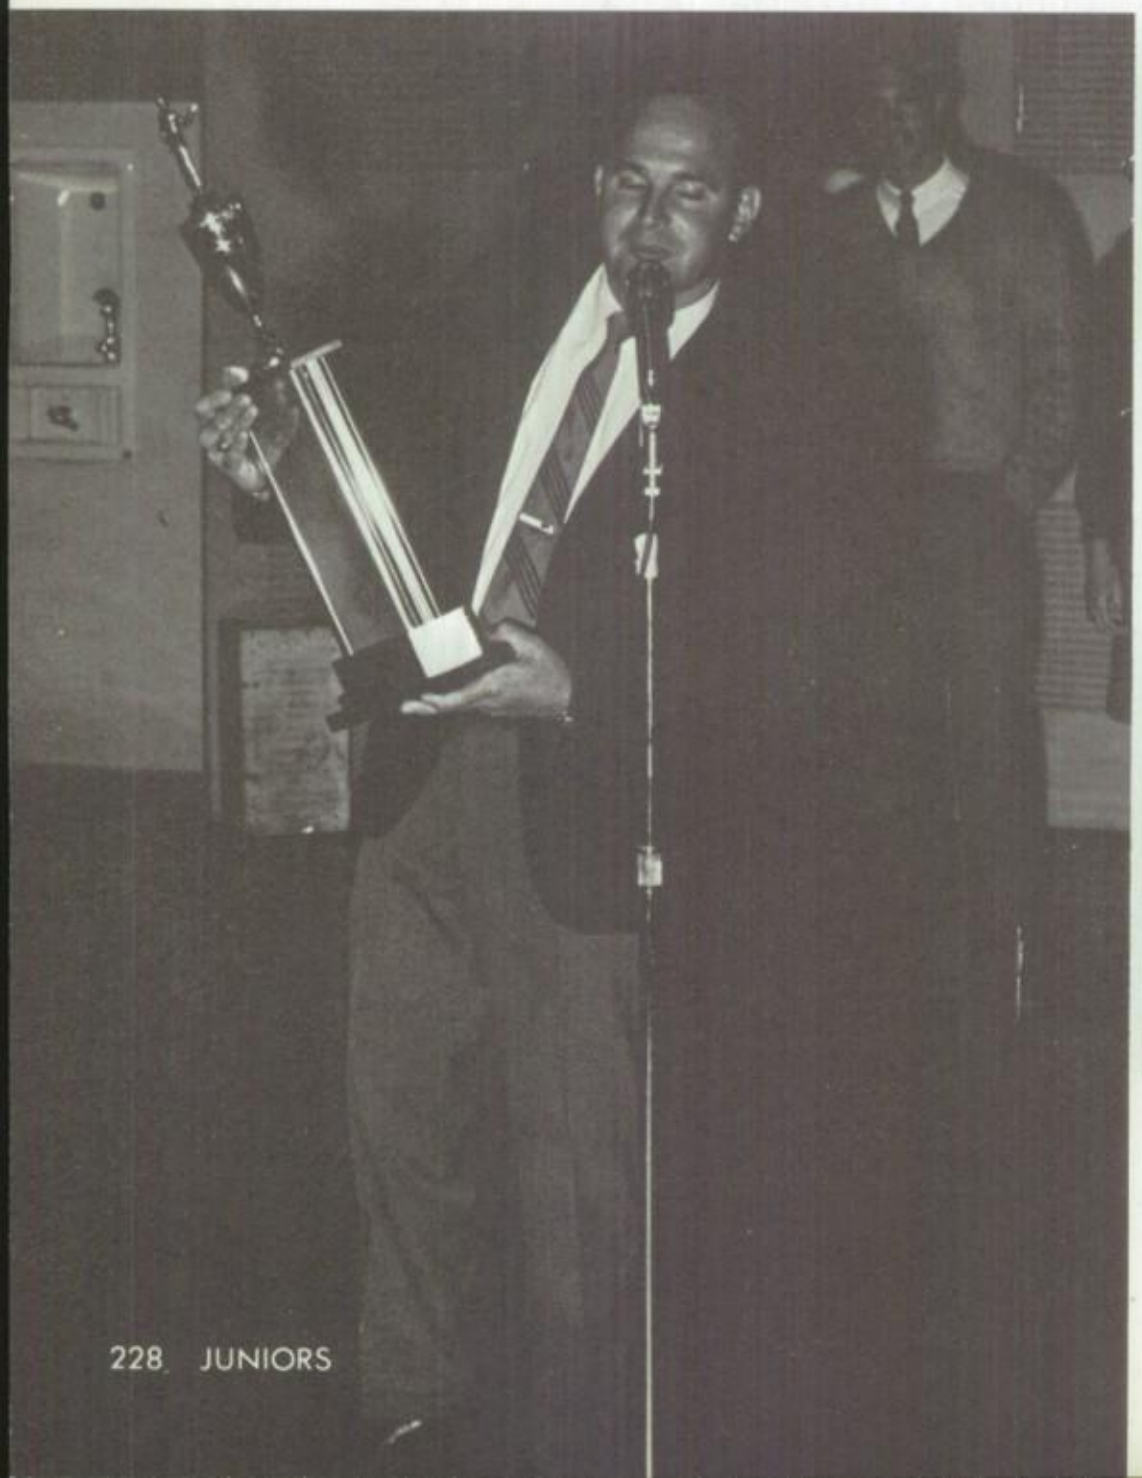
Juniors Honor Advisor



"I DIDN'T expect it; it was a complete shock to me," was the reaction of the Junior Class sponsor, Mr. Gilmore when he received a trophy from the appreciative juniors.

As a little added extra, Lucy Saenz kisses the honored advisor who led the graduating class of '68 in stiff competition against the victorious Senior Class.

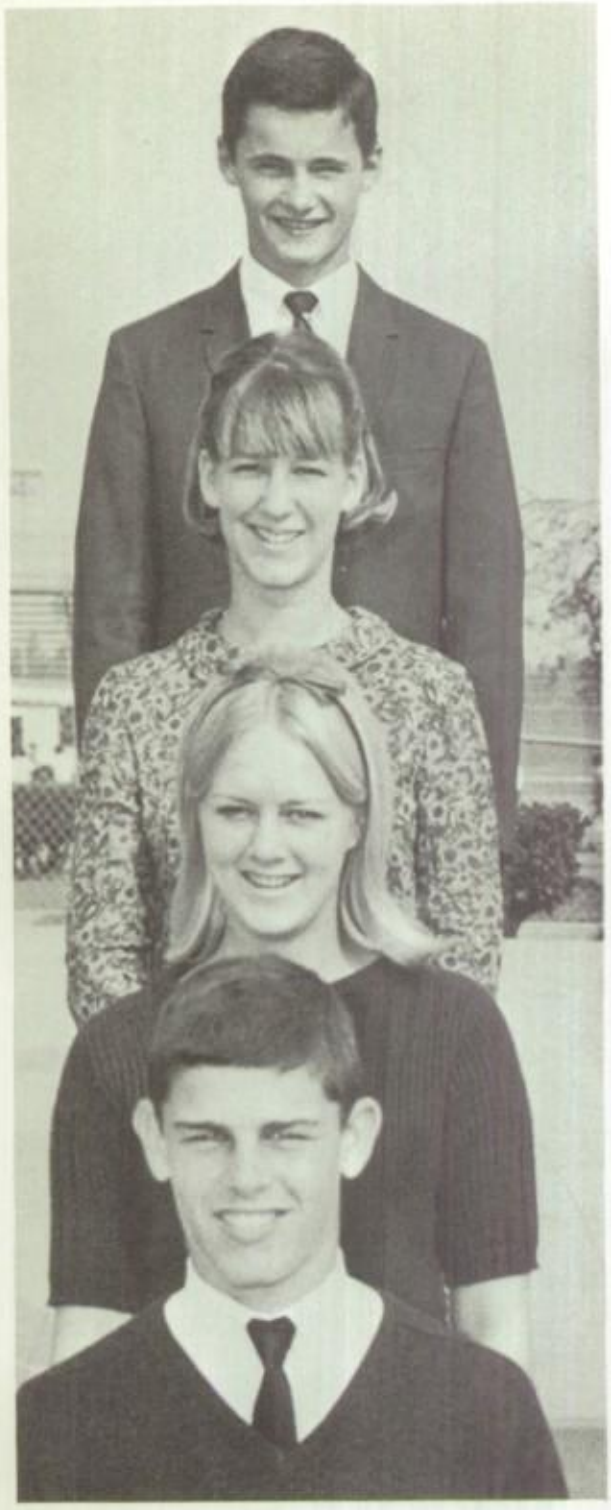
Green Orb Invades Soph Dance

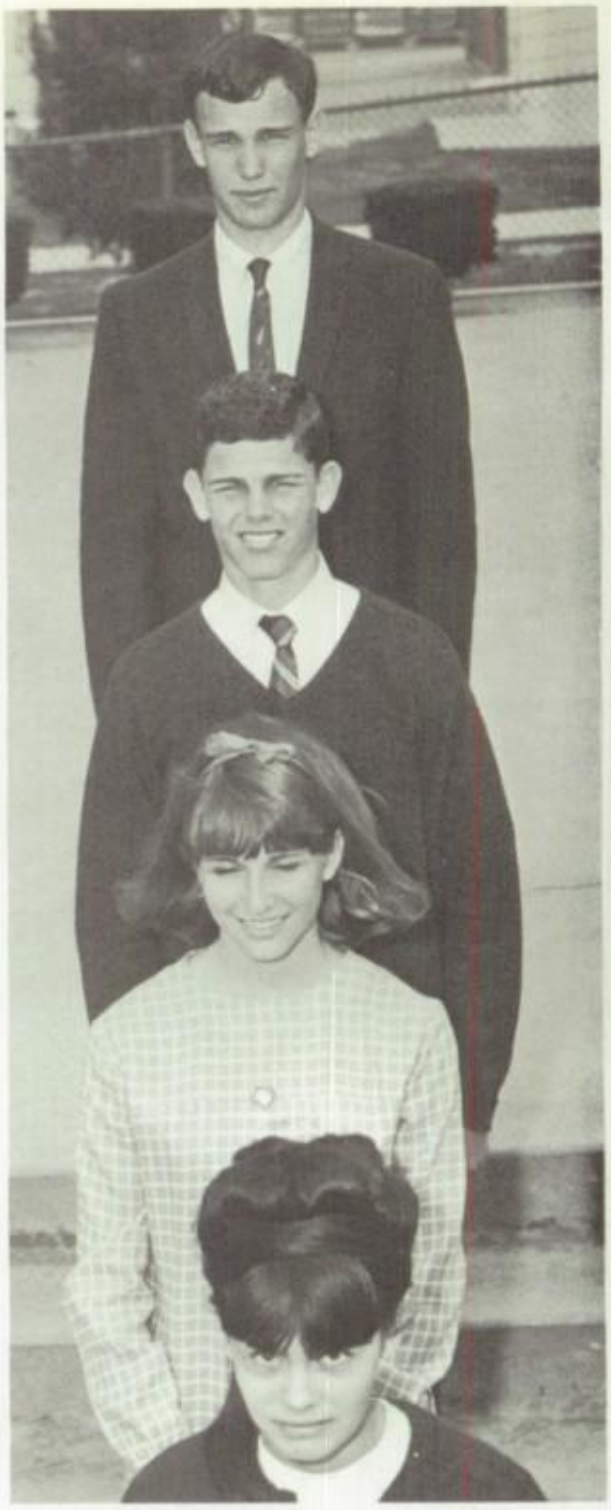


FIRST SEMESTER OFFICERS-Top to Bottom: President Bob Campbell, Vice President Carol Aldrich, Secretary Patty Gallacher, Treasurer Rusty Seedborg.

THE "GREEN Orb" rules! Or so says the sophomore class of '67. This year the sophomores have had three major activities: Homecoming, the Christmas Dance, and the selection of class rings, all under the direction of Mrs. Sullivan, the sophomore class sponsor.

The "Green Orb" slogan was originated during homecoming. To raise money and collect points the class sponsored a drawing for a $25.00 gift certificate and a dance featuring the "Bon Marches."

"Candy Cane Cottillion" was the theme chosen for the annual Christmas formal sponsored by the sophomore class. The Santa Ana Don Beats provided the dancers with music.



SECOND SEMESTER OFFICERS-Top to Bottom: President Kent Rasmussen, Vice President Rusty Seedborg, Secretary Peggy Minger, Treasurer Tina Heifner.

FIRST SEMESTER REPRESENTATIVES . . . Girl's League Janet Zeyen, Teresa Hageland.

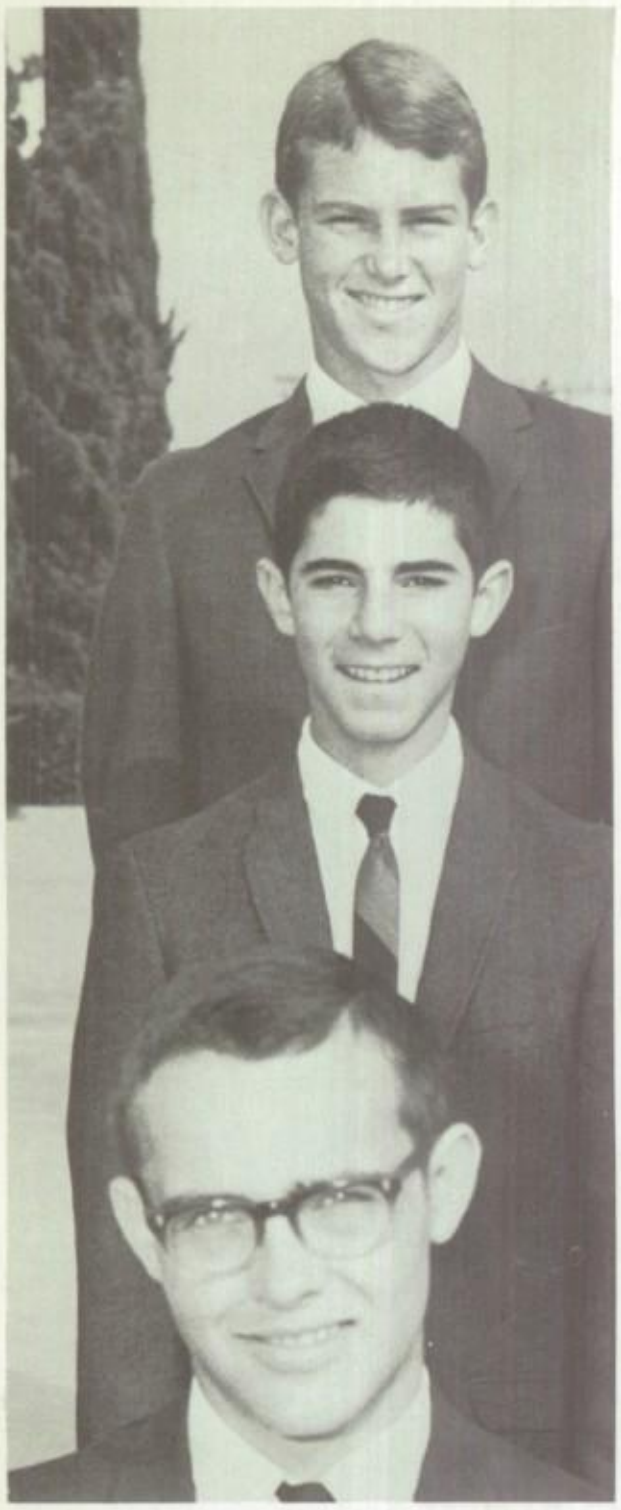
Frosh Prove Active

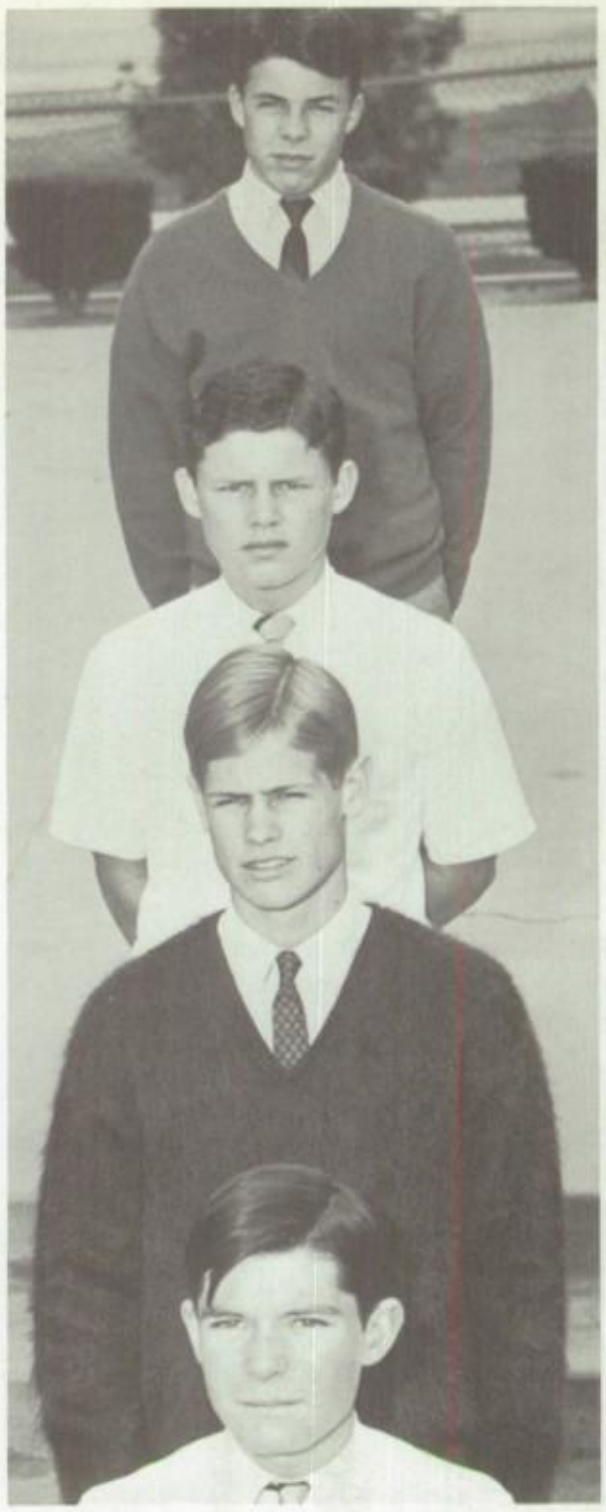


FIRST SMESTER OFFICERS Top to Bottom: President Steve Shortridge, Vice-President Dave Restivo, Treasurer Forrest Tilson, Secretary Debbie Vienneau (not pictured).

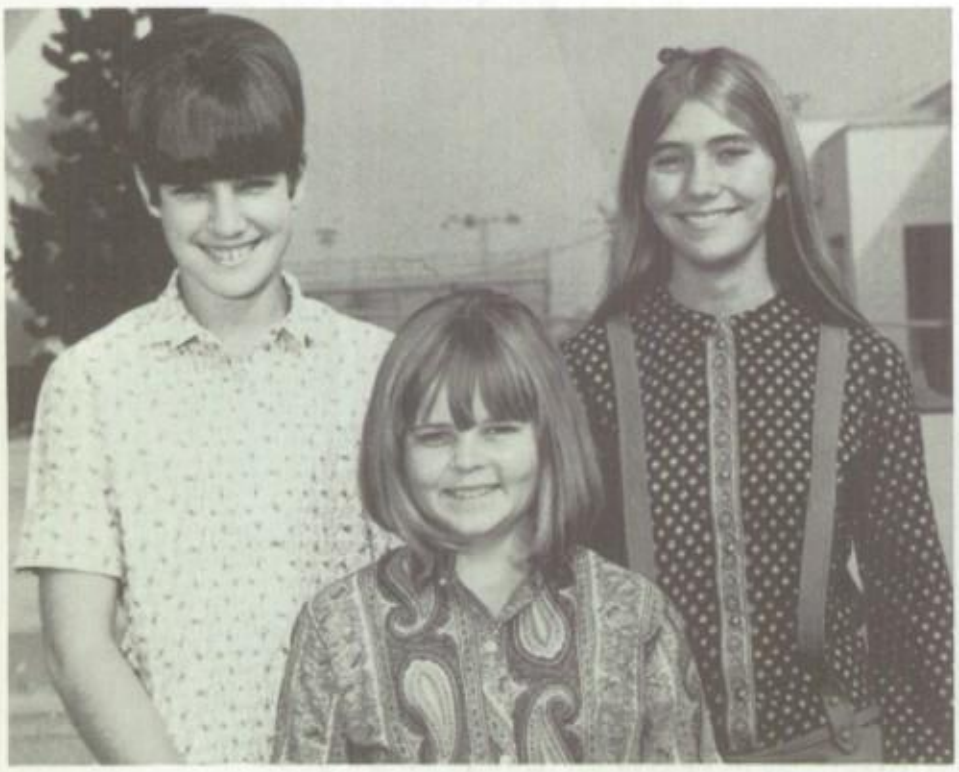
UPPERCLASSMEN GOT acquainted with the freshman class during Hello Daze activities. Freshman vied for the greatest number of upperclassmen signatures. King Steve Shortridge and Queen Kathy Whitley were crowned at the Hello Daze Dance, September 23.

"Freshman are the bestmen" was the Frosh Homecoming cry. Reigning over the freshmen was princess Heather Langridge escorted by class president, Steve Shortridge.

Other activities included an orientation assembly.



SECOND SEMESTER OFFICERS Top to Bottom: President Brad Lambert, Vice-President Greg Motor, Secretary Dave Maurer, Treasurer Rob Jordan.



FIRST SEMESTER REPRESENTATIVES . . . Cheerleader Sue Arnold, Girls' League Jodie Prall, Stephanie Steiner.

SECOND SEMESTER REPRESENTATIVES . . . Girls' Representative Laurie Smith, Cheerleader, Linda Fritsche, Girls' Representative Joyce Haynes.

AFTER EMBARKATION into the world of opportunity students will put into practice those things learned in the classroom. The true benefit one receives from all the classroom experiences will be largely up to the individual.

The ability to reason and make right decisions is the main stream of human life, so the ability to communicate has developed, so has man naturally made progress.

By giving useful information, advertizing helps students to make careful decisions regarding most of their purchases.

ADVISOR RICHARD Price seeks to restore order after near riot at Interact Club meeting. The members sought to impeach Pres. Craig Mills.

INTERACT CLUB members sit dejectedly after their motion to have an all-night Orgy was defeated.

ARE YOU sure that the football game was this Friday afternoon?

Hi Hubby!
How's it going?
Well we survived the whole year, pretty good, huh?!
Now that summer's here we won't see each other much with us both working!!
oh well, maybe we can get some days off together next year!! I'll sure miss ya then! Ha!
we really was there. I had a real sweet guy Jim, & 3 of them are kick in Biology even if I think he's me! I'll send ya about my nils, I always have fun this summer & "be good"! know where you'll be OK?! next year in Chemistry! Ha!

See ya

Your friend and mine,

Barbara

your wife!

Jim,

You really won't understand the way I feel toward you. I'm not sure I understand it myself, but I know that something very definite is there. I hope this doesn't shock you very much, of the nicest guys I've ever known. You are one of the nicest guys I've ever known. You are this honor to know you. Maybe you'll try. If you ever come over here, please feel free to look me up. We've had a lot of fun together, and I hope we can have a lot more. I'll be looking for you.

I'm getting too sentimental but that's mild. I guess I should stop writing and don't be afraid to drop in once in a while. I'll be glad to see you. Well, now that I'm down here, I might as well stay as long as I live. I'm not sorry I came down to the general idea. And don't be afraid to drop in once in a while. I'll be glad to see you. Well, now that I'm down here, I might as well stay as long as I live. I'm not sorry I came down to the general idea. And don't be afraid to drop in once in a while. I'll be glad to see you.
